Logan St. James is a

smoldering, sexy

beast. Sure, he can be

a little broody at

times—but Ellie

Hammond's willing to

overlook that. Because,

have you seen him??

Sexy. As. Hell. And

Ellie's perky enough for

both of them. For

years, she's had a

crush on the intense,

protective royal

security guard—but

she doesn't think he

ever saw her, not

really. To Logan, Ellie

was just part of the

job—a relative of the

royal family he'd sworn

to protect. Now, at 22

years old and fresh out

of college, she's

determined to put

aside her X-rated

dreams of pat-downs and pillow talk, and find a real life happily ever after. The Queen of Wessco encourages Ellie to follow in her sister's footsteps and settle down with a prince of her own. Or a duke, a marquis...a viscount would also do nicely. But in the pursuit of a fairy tale ending, Ellie learns that the sweetest crushes can be the hardest to let go. *** Logan St. James grew up on the wrong side of the tracks, in a family on the wrong side of the law. But these days, he covers his tattoos and scars with a respectable suit. He's handsome, loyal, brave, skilled with his hands and...other body parts. Any woman would be proud to bring him home to her family. But there's only

one woman he wants. For years he's watched over her, protected her, held her hair back when she was sick, taught her how to throw a punch, and spot a liar. He dreams of her. Would lay down his life for her. But beautiful Ellie Hammond's off-limits. Everybody knows the bodyguard rules: Never lose focus, never let them out of your sight, and never, ever fall in love.

My life had always

been blissfully,

wonderfully normal.

But it only took one

moment to change everything. Suddenly, my sister, Georgia, and I were orphans. We put our lives into storage and moved to Paris to live with my grandparents. And I knew my shattered heart, my shattered life, would never feel normal again. Then I met Vincent.

Mysterious, sexy, and unnervingly charming, Vincent Delacroix appeared out of nowhere and swept me off my feet. Just like that, I was in danger of losing my heart all over again. But I was ready to let it happen. Of course, nothing is ever that easy. Because Vincent is no normal human. He has a terrifying destiny, one that puts his life at risk every day. He also has enemies . . . immortal, murderous enemies

who are determined to destroy him and all of his kind. While I'm fighting to piece together the remnants of my life, can I risk putting my heart—as well as my life and my family's—in jeopardy for a chance at love?

Up on my mountain, she'll play by my rules. My obsession. My Temptation. My Captive. When I left life as a hitman for the Russian mob years ago, I never wanted to look back. I took the millions I'd made doing their dirty work and built my retreat up on Blackthorn Mountain, away from everything. But a flash wildfire brings her to my front door, and from the moment I lay eyes on her, I know one thing: she'll be mine.

Gorgeous, sassy, innocent, untouched...and my prisoner. No one can

know I'm here, so she stays. I'm keeping her. Life as a contract killer and now as a rough mountain man has turned my heart cold. I should keep a sweet girl like her away from me. But once I put my hands on her tempting curves and once I taste those sweet, innocent lips, I want nothing else than to keep her as close as possible. I've saved her from the fire, but if we aren't careful, we'll both get burned. Because my past isn't done with me. The mob I walked away from years before thinks they can use Chloe to get to me, but they're dead f-ing wrong. Up here, I'm king, she's my mountain queen, and I'll storm heaven and hell to keep her safe. Chloe's got a fight in her, but once I lay my

hands on her, I'm never letting her go. Just so we're clear, this book is completely out of control, and reality has left the building. If you're looking for realism, this ain't it. But, if you've got a hankering for a growly-alpha-caveman hero that will stop at nothing to claim what's his, then you're probably going to devour this book ;). Safe, no cheating, and HEA guaranteed. Random House New York Times bestselling author Sylvain Reynard returns with the fourth installment of the beloved Gabriel's Inferno series. the same. Gabriel has vowed to be a good father when he suddenly receives an invitation to give a series of lectures in Edinburgh, Scotland--an opportunity of high prestige--but that would mean leaving his wife and child in Boston. Hesitant to bring it up, he keeps the opportunity from Julia as long as he can, not knowing she has a secret of her own. When a frightening situation arises that threatens their new family, both parents must make sacrifices. With the family in danger, the looming question remains: Will Gabriel pursue his lectureship in Edinburgh, leaving Julia and Clare vulnerable in Boston, or will he abandon the chance of a lifetime in order to

ensure his family's safety?
