LILIAN PATEL

Forum Routledge
New York Times bestseller
Now with a new Epilogue,

containing letters of
response from Palestinian
readers. "A profound and
original book, the work of
a gifted thinker."--Daphne

Merkin, The Wall Street Journal Attempting to break the agonizing impasse between Israelis and Palestinians, the Israeli commentator and award-winning author of Like Dreamers directly addresses his Palestinian neighbors in this taut and provocative book, empathizing with Palestinian suffering and longing for reconciliation as he explores how the conflict looks through Israeli eyes. I call you "neighbor" because I don't know your name, or anything personal about

you. Given our circumstances, "neighbor" might be too casual a word to describe our relationship. We are intruders into each other's dream, violators of each other's sense of home. We are incarnations of each other's worst historical nightmares. Neighbors? Letters to My Palestinian Neighbor is one Israeli's powerful attempt to reach beyond the wall that separates Israelis and Palestinians and into the hearts of "the enemy." In a series of letters, Yossi Klein Halevi

explains what motivated him to leave his native New York in his twenties and move to Israel to participate in the drama of the renewal of a Jewish homeland, which he is committed to see succeed as a morally responsible, democratic state in the Middle East. This is the first attempt by an Israeli author to directly address his Palestinian neighbors and describe how the conflict appears through Israeli eyes. Halevi untangles the ideological and emotional knot that has defined the conflict

for nearly a century. In lyrical, evocative language, he unravels the complex strands of faith, pride, anger and anguish he feels as a Jew living in Israel, using history and personal experience as his guide. Halevi's letters speak not only to his Palestinian neighbor, but to all concerned global citizens, helping us understand the painful choices confronting Israelis and Palestinians that will ultimately help determine the fate of the region.

The Letters of D. H.

Lawrence HarperCollins
Of all of Soviet cultural myths, none was more resilient than the belief that the USSR had the world's greatest readers. This book explains how the 'Russian reading myth' took hold in the 1920s and 1930s, how it was supported by a monopolistic and homogenizing system of book production and distribution, and how it was challenged in the post-Stalin era; first, by the latent expansion and differentiation of the reading public, and then,

more dramatically, by the economic and cultural changes of the 1990s.

Pennsylvania Farmer Consolidated with the Pennsylvania Stockman and Farmer

Yale University Press
A riveting and superbly illustrated account of the enigmatic House Beautiful editor's profound influence on mid-century American taste From 1941 to 1964, House Beautiful magazine's crusading editor-in-chief Elizabeth Gordon introduced and promoted her vision of "good design" and "better

living” to an extensive middle-class American readership. Her innovative magazine-sponsored initiatives, including House Beautiful’s Pace Setter House Program and the Climate Control Project, popularized a “livable” and decidedly American version of postwar modern architecture. Gordon’s devotion to what she called the American Style attracted the attention of Frank Lloyd Wright, who became her ally and collaborator. Gordon’s editorial programs

reshaped ideas about American living and, by extension, what consumers bought, what designers made, and what manufacturers brought to market. This incisive assessment of Gordon’s influence as an editor, critic, and arbiter of domestic taste reflects more broadly on the cultures of consumption and identity in postwar America. Nearly 200 images are featured, including work by Ezra Stoller, Maynard Parker, and Julius Shulman. This important book

champions an often-neglected source—the consumer magazine—as a key tool for deepening our understanding of mid-century architecture and design.

Feminist Connections

Grand Central Publishing

An international guide to periodicals in communication, popular culture, and the performing arts.

The Selected Letters of Ralph Ellison Cambridge University Press

Based on recent research and insights from political activism, the volume

explores changing manifestations and articulations of gender in China.

Better Crops University of Chicago Press
Hotbeds of Licentiousness is the first substantial critical engagement with British pornography on film across the 1970s, including the "Summer of Love," the rise and fall of the Permissive Society, the arrival of Margaret Thatcher, and beyond. By focusing on a series of colorful filmmakers whose work, while omnipresent during the 1970s, now

remains critically ignored, author Benjamin Halligan discusses pornography in terms of lifestyle aspirations and opportunities which point to radical changes in British society. In this way, pornography is approached as a crucial optic with which to consider recent cultural and social history. *United States Army Aviation Digest* University of Iowa Press
A NEW YORK TIMES NOTABLE BOOK • A radiant collection of letters from the renowned

author of *Invisible Man* that traces the life and mind of a giant of American literature, with insights into the riddle of identity, the writer's craft, and the story of a changing nation over six decades These extensive and revealing letters span the life of Ralph Ellison and provide a remarkable window into the great writer's life and work, his friendships, rivalries, anxieties, and all the questions about identity, art, and the American soul that bedeviled and inspired him until his

death. They include early notes to his mother, written as an impoverished college student; lively exchanges with the most distinguished American writers and thinkers of his time, from Romare Bearden to Saul Bellow; and letters to friends and family from his hometown of Oklahoma City, whose influence would always be paramount. These letters are beautifully rendered first-person accounts of Ellison's life and work and his observations of a changing world, showing

his metamorphosis from a wide-eyed student into a towering public intellectual who confronted and articulated America's complexities.

Letters to Penthouse
XXXXVIII University of
Pittsburgh Pre

This volume contains Lawrence's letters written between March 1927 and November 1928: almost 770 letters in just a year and nine months. The letters cover the period of Lawrence's Etruscan tour in the spring of 1927 as preparation for the writing

of *Sketches of Etruscan Places*; the performance of his play, *David*, in London in May, and - above all - the writing, typing, private publication, promotion and immediate consequences of *Lady Chatterley's Lover*. He makes new acquaintances with writers and publishers in Europe (Max Mohr, Hans Carossa, Harry and Caresse Crosby); renews friendships which will stand him in good stead in times of poor health (the Huxleys, Aldington, the

Brewsters); and rediscovers the bonds of family and old Eastwood friends. The volume provides annotation identifying persons and allusions, and includes a biographical introduction, illustrations, a full chronology and index.

Letters to Penthouse

XVI Routledge

Inarticulate Longings explores the contradictions of a social agenda for women that promoted both traditional roles and the promises of a growing consumer culture by examining the

advertising industry in the early 20th century.

Hotbeds of Licentiousness

Bloomsbury Publishing
USA

In the sensual, sizzling world of Penthouse, a threesome is hotter than a twosome, foursomes are a scorcher, and more is a dream come true!

Readers of the world's greatest forum on sexuality can't help but agree, and their letters burn with all-true tales of husbands and wives, boyfriends and girlfriends, lovers and strangers mixed and matched in

every possible combination. Follow them as they party and please, grope and tease on the patio and pool tables, on picnic benches and massage mattresses, on fishing trips and in birthday orgies. The fun just multiplies!

Beyond the Pulpit

University of Iowa Press

The discipline of fan studies is famously undisciplined. But that doesn't mean it isn't structured. This is the first comprehensive primer for classroom use that shows students how to do fan

studies in practical terms. With contributions from a range of established and emerging scholars, coeditors Paul Booth and Rebecca Williams pull together case studies that demonstrate the wide array of methodologies available to fan studies scholars, such as auto/ethnography, immersion, interviews, online data mining, historiography, and textual analysis. This collection also probes the ethical questions that are unique to fan studies work, such as the use of

online fan content for research, interview methods, consent, and privacy.

Inarticulate Longings

Peter Lang

WELCOME TO THE PLEASURE ZONE! How far will you go in (or out) of the bedroom? What sexual boundaries do you dream about crossing? In this red-hot collection of letters from the most adventurous Penthouse readers, you'll find that there are no limits to your fantasies. Consider the lusty secretary who volunteers to test the

latest shiny sex toy . . . the lady connoisseur of well-endowed men who goes wild at the nude beach . . . the webcam addict spying on her friend's untamed romp with a surprisingly skillful stud. For these eager explorers in realms erotic, nothing is too extreme. Now you can dare to follow them. And leave your inhibitions-and clothes-behind.

Forum and Column Review Berghahn Books Highlights feminist rhetorical practices that disrupt and surpass

boundaries of time and space In 1917, Alice Paul and other suffragists famously picketed in front of the White House while holding banners with short, pithy sayings such as “Mr. President: How long must women wait for Liberty?” Their juxtaposition of this short phrase with the image of the White House (a symbol of liberty and justice) relies on the same rhetorical tactics as memes, a genre contemporary feminists use frequently to make arguments about

reproductive rights, Black Lives Matter, sex-positivity, and more. Many such connections between feminists of different spaces, places, and eras have yet to be considered, let alone understood. Feminist Connections: Rhetoric and Activism across Time, Space, and Place reconsiders feminist rhetorical strategies as linked, intergenerational, and surprisingly consistent despite the emergence of new forms of media and intersectional

considerations. Contributors to this volume highlight continuities in feminist rhetorical practices that are often invisible to scholars, obscured by time, new media, and wildly different cultural, political, and social contexts. Thus, this collection takes a nonchronological approach to the study of feminist rhetoric, grouping chapters by rhetorical practice rather than time, content, or choice of media. By connecting historical,

contemporary, and future trajectories, this collection develops three feminist rhetorical frameworks: revisionary rhetorics, circulatory rhetorics, and response rhetorics. A theorization of these frameworks explains how feminist rhetorical practices (past and present) rely on similar but diverse methods to create change and fight oppression. Identifying these strategies not only helps us rethink feminist rhetoric from an academic perspective but also allows us to enact

feminist activist rhetorics beyond the academy during a time in which feminist scholarship cannot afford to remain behind its hallowed yet insular walls.

Better Crops with Plant Food Harper Collins

A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day. Few realize that the origin of the discussion on women's rights emerged out of the anti-slavery

movement of the 19th century, and that suffragists were active in the peace and labor movements long after the right to vote was granted. Thus began the confluence of activism in our country, where the rights of women both followed—and led—the social and political discourse in America. Through 4 volumes and more than 800 entries, editor Tiffany K. Wayne, with advising editor Lois Banner, examine the issues, people, and events of women's activism, from

the early period of American history to the present time. This comprehensive reference not only traces the historical evolution of the movement, but also covers current issues affecting women, such as reproductive freedom, political participation, pay equity, violence against women, and gay civil rights.

Women's Rights in the United States Hachette UK
A trade paperback collection of 16 short stories, some new, some published before, all

together for the first time, featuring Tess Monaghan, New York Times Bestselling author Laura Lippman's acclaimed private eye For the first time together in one collection is a mix of brand new Tess Monaghan short mysteries as well as previously published, award-winning short stories. Split into three parts—Girls Gone Wild (seven stories about girls behaving badly); Other Cities, Not My Own (four stories about places outside of Baltimore); My Baby Walks the Streets of

Baltimore (four stories and a profile)—the inimitable Tess Monaghan, along with some old friends and new faces, is back solving crime.

The Railway Magazine
University Alabama Press
Robert E. Howard (1906–1936) is most widely known today as the creator of Conan the Cimmerian, more popularly referred to as Conan the Barbarian. However, he also wrote across a wide array of genres for the pulp magazines of the 1920s

and 1930s, including westerns, sports stories (boxing), adventures, supernatural horror, and even humor. Howard also created many other popular characters such as King Kull, Bran Mak Morn, Solomon Kane, Steve Costigan, and Breckenridge Elkins. More importantly, he created two specific subgenres of fiction: sword and sorcery (sometimes referred to as heroic fantasy) and weird westerns. Born and raised in Texas, Robert E. Howard began his writing career after his family

settled in the small Central Texas town of Cross Plains. His first professional sale came from the pulp magazine *Weird Tales* in 1925, and over the next eleven years he wrote hundreds of stories and an equal number of poems. With this prolific body of stories, he was among the most lauded pulp authors of that era. It has been said, and rightly so, that the secret to his success was that there was a bit of Howard in every one of his characters, and because Howard was a

Texan, even Conan shows elements of the Texan in his persona. Robert E. Howard: *The Life and Times of a Texas Author* details the many trials and tribulations he faced as he became—and remained—a full-time writer while dealing with an aging father and caring for a mother who was dying of tuberculosis. The book both chronicles his personal life and demonstrates how the one driving force in Robert E. Howard's life—forming the foundation for all of his

characters and stories—was his personal pursuit of freedom. He lived for his freedom, he wrote as a means to attain that freedom, and, while it may sound strange, he also died tragically by his own hand in that very same pursuit at the young age of 30.

A Fan Studies Primer
Springer

Including comprehensive coverage on both print and online, consumer and free magazines, Magazine Editing looks at how magazines work and explains the dual role of

the magazine editor. John Morrish and Paul Bradshaw consider the editor both as a journalist, having to provide information and entertainment for readers, and as a manager, expected to lead and supervise successfully the development of a magazine or periodical. Looking at the current state of the magazine market in the twenty-first century, the third edition explains how this has developed and changed in recent years, with specific attention paid to the

explosion of apps, e-zines, online communities and magazine websites. Featuring case studies, interviews with successful editors, examples of covers and spreads, and useful tables and graphs, this book discusses the editor's many roles and details the skills needed to run a publication. Magazine Editing offers practical guidance on: how to create an editorial strategy how to lead and manage an editorial team researching a market and finding new readers dealing with budgets and

finance working with designers and production staff legal, technological and ethical dilemmas online distribution, social media and search engine optimisation managing information overload how to become an editor.

The Russian Reading Revolution Univ of North Carolina Press

Offering a surprising new take on a twentieth-century icon, *Bachelors and Bunnies* goes beyond the smoking jacket and the centerfold to uncover an unlikely ally for the feminist cause.

Latina/o Communication Studies Today University of North Texas Press

This book brings together contemporary and exciting research within communication and Latina/o studies. Written in a clear, accessible manner and based on original research drawn from a broad range of paradigms - from textual analysis to reception studies and political economy - *Latina/o Communication Studies Today* provides an invaluable resource and excellent case studies for

those already conducting research and teaching in Latina/o communication studies. The media studied include radio, television, cinema, magazines, and newspapers.

Direction Cambridge University Press

In the formative years of the Methodist Church in the United States, women played significant roles as proselytizers, organizers, lay ministers, and majority members. Although women's participation helped the church to become the

nation's largest denomination by the mid-nineteenth century, their official roles diminished during that time. In *Beyond the Pulpit*, Lisa Shaver examines Methodist periodicals as a rhetorical space to which women turned to find, and make, self-meaning. In 1818, *Methodist Magazine* first published "memoirs" that eulogized women as powerful witnesses for their faith on their deathbeds. As Shaver observes, it was only in death that a woman could achieve the status of

minister. Another Methodist publication, the *Christian Advocate*, was America's largest circulated weekly by the mid-1830s. It featured the "Ladies' Department," a column that reinforced the canon of women as dutiful wives, mothers, and household managers. Here, the church also affirmed women in the important rhetorical and evangelical role of domestic preacher. Outside the "Ladies Department," women increasingly appeared in "little narratives" in which

they were portrayed as models of piety and charity, benefactors, organizers, Sunday school administrators and teachers, missionaries, and ministers' assistants. These texts cast women into nondomestic roles that were institutionally sanctioned and widely disseminated. By 1841, the *Ladies' Repository* and *Gatherings of the West* was engaging women in discussions of religion, politics, education, science, and a variety of intellectual debates. As Shaver posits, by

providing a forum for women writers and readers, the church gave them an official rhetorical space and the license to

define their own roles and spheres of influence. As such, the periodicals of the Methodist church

became an important public venue in which women's voices were heard and their identities explored.
