Touch (A Denazen Novel, Book 1)

Tremble Entangled: Teen

With shades of E. Lockhart's We Were Liars, this dark and twisted mystery by the highly acclaimed author of Grit will be the page-turner of the year. Everyone in Tenney's Harbor knows about the Garrison tragedy. How an unexplained fire ravaged their house, killing four of the five family members. But what people don't know is who did it. All fingers point at Pearl Haskins' father, who was the caretaker of the property, but Pearl just doesn't believe it. Leave it to a town of rich people to blame "the help." With her disgraced father now trying to find work in between booze benders, Pearl's future doesn't hold much more than waiting tables at the local country club, where the wealthy come to flaunt their money and spread their gossip. This year, Tristan, the last surviving Garrison, and his group of affluent and arrogant friends have made a point of sitting in Pearl's section. Though she's repulsed by most of them, Tristan's quiet sadness and somber demeanor have

her rethinking her judgments. Befriending the boys could mean getting closer to the truth, clearing her father's name, and giving Tristan the closure he seems to be searching for. But it could also trap Pearl in a sinister web of secrets, lies, and betrayals that would leave no life unchanged...if it doesn't take hers first.

Because otherwise it might put our basketball team's chances at winning State in jeopardy, and even though I hate you, I love basketball. I hate that it seems like you're keeping a secret from

me...and that the more time we spend together, the less I feel like I'm on solid ground. Because I'm starting to realize there's so much more to you than meets the eye. Underneath it all, you're real. But what I hate most is that I really don't hate you at all.
