CARLEE EVELYN

Ares Guardian of the Gate

An ancient prophecy divides two sisters- One good... One evil... Who will prevail? Twin sisters Lia and Alice Milthorpe have just become orphans. They have also become enemies. As they discover their roles in a prophecy that has turned generations of sisters against each other, the girls find themselves entangled in a mystery that involves a tattoo-like mark, their parents' deaths, a boy, a book, and a lifetime of secrets. Lia and Alice don't know whom they can trust. They just know they can't trust each other.

A Reaper at the Gates Little, Brown Books for Young Readers

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle - - are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment

is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.

A Torch Against the Night Hachette UK Guardian of the Gate Little, Brown Books for Young Readers

Let Us Dream Penguin

In this 2006 text, Daniel M. Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27:51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism. Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew. He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing, in part, end-time images drawn from Ezekiel 37. Moreover, when the veil is torn Matthew depicts the cessation of its function, articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies (as in Hebrews), but in trademark Matthean Emmanuel Christology: 'God with us'. This underscores the significance of Jesus' atoning death in the first gospel.

The Late Great Planet Earth Simon and Schuster

After the events of the Fourth Trial, Martial soldiers hunt the two fugitives as they flee the city of Serra and undertake a perilous journey through the heart of the Empire.

The Fight to Take Back Our Planet Cambridge University Press

Can One Person Upend a Prophecy as Old as Time? Hope Carmichael is on the run.

The only question is, from whom? The mark on her neck has branded her as part of an ancient prophecy, the Bearer of the Key. But the Fallen Angels have misunderstood and think Hope is their long-awaited way to regain Heaven by force. Now Hope is chasing down the artifact that could open Heaven's Gates, while seeking to destroy it before the

Fallen catch up with her. Will the Triad crime ring track Hope and exact their punishment before she gets the chance? Is the ragtag band of angels surrounding her now there to protect her, or imprison her? And will Michael, the Archangel sworn to defend Heaven at all costs, be forced to deny his love for Hope and take her life, instead, so that the artifact won't fall into enemy hands? The epic narrative introduced in *Dark Hope* continues in *Dark Rising* as Hope crisscrosses some of the most ancient sites in Europe and plumbs the depths of history in search of the truth about the Key, herself, and love. Exploring themes of identity, fate, jealousy, trust, and forgiveness, *Dark Rising's* mythological scope and moral urgency deepen as we come to understand the choices and consequences faced by a young woman determined to follow her heart and chart her own destiny.

A Prophecy of the Sisters Novella Harper Collins

A personal exploration of the conjunction between ancient Mesoamerican prophecy and New Age higher consciousness. • Selected by the Independent Publisher's Book Awards as one of the top two New Age books of the year. • Explores ancient prophecies and their relevance in the contemporary world. The Incan and Mayan cultures saw themselves as "children of light"--descended from celestial realms--and their prophecies foretell a time of great spiritual awakening. They prophesied a time when the gateways to higher consciousness would open once again. That time is now. Award-winning author Judith Bluestone Polich draws on her extensive research in quantum physics, archaeoastronomy, holography, cosmology, and pioneering studies of human consciousness to show how science and contemporary thought are consistent with this ancient knowledge. As the ancients predicted, the human god-seed is beginning to awaken, and modern civilization is finally beginning to perceive human potential in ways that the ancient cultures accepted as truth. Polich introduces techniques for awakening our own human potential through dreaming,

meditations, and the power of sacred sites.

2021 Hardcover Reprint of the 1956 First edition. When Prophecy Fails [1956] is a classic text in social psychology authored by Leon Festinger, Henry Riecken, and Stanley Schachter. It chronicles the experience of a UFO cult that believed the end of the world was at hand. In effect, it is a social and psychological study of a modern group that predicted the destruction of the world, and the adjustments made when the prediction failed to materialize. "The authors have done something as laudable as it is unusual for social psychologists. They espied a fleeting social movement important to a line of research they were interested in and took after it. They recruited a team of observers, joined the movement, and watched it from within under great difficulties until its crisis came and went. Their report is of interest as much for the method as for the substance."-Everett C. Hughes, *The American Journal of Sociology*.

[Return of the Children of Light](#) Razorbill
The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the

Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet. *Guardian of the Golden Gate* Disney Electronic Content

From the co-creator of the groundbreaking television show *Twin Peaks* comes an exciting adventure series with a unique combination of mystery, heart-pounding action, and the supernatural. Meet your new action-adventure addiction! Will West is careful to live life under the radar. At his parents' insistence, he's made sure to get mediocre grades and to stay in the middle of the pack on his cross-country team.

Then Will slips up, accidentally scoring off the charts on a nationwide exam. Now Will is being courted by an exclusive prep school . . . and followed by men driving black sedans. When Will suddenly loses his parents, he must flee to the school. There he begins to explore all that he's capable of--physical and mental feats that should be impossible--and learns that his abilities are connected to a struggle between titanic forces that has lasted for millennia.

[A Greek Gods Paranormal Romance \(Guardians of Hades Romance Series Book 1\)](#)
Little, Brown Books for Young Readers
Before Prophecy of the Sisters, before Alice and Lia became pawns in the curse that turned sister against sister, the burden of the prophecy belonged to their mother, Adelaide. This is her story.

Adelaide Milthorpe is losing her grip on sanity. She is a Gate—a human portal to the Otherworlds, destined to bring forth Samael, the most powerful demon of all time, and his Lost Souls. Prowling the halls of Birchwood Manor, Adelaide is haunted by the whispers of the otherworldly Souls, who seek to use her for entry into the real world, where they would wreak havoc and rule beside their leader, Samael, in chaos. Their pleas plague her, torture her, tempt her. Samael calls to her, his promise of peace in the Otherworlds increasingly difficult to resist. And the stakes are high, for if Adelaide gives in to his urgings, her two daughters will inherit the same curse, forcing them to make the same impossible choice as they, too, are cast in the roles of Guardian and Gate. In this novella that delves further into the Prophecy, Adelaide's struggle to reconcile her two worlds as she descends into madness will captivate fans of the Prophecy of the Sisters series and new readers alike.

When Prophecy Fails Felicity Heaton
It takes a graveyard to raise a child.

Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

A Temptation of Angels Dorchester Publishing Company Incorporated
Prince of the Underworld and Lord of Lightning, Valen was banished from his home by his father, Hades, two centuries ago and given a new duty and purpose—to keep our world and his from colliding in a calamity foreseen by the Moirai. Together with his six brothers, he fights to defend the gates to the Underworld from daemons bent on breaching them and gaining entrance to that forbidden land, striving to protect his home from their dark influence. Cursed by Zeus to never know love again, Valen has brought up barriers around his heart to protect it, but with each new barrier he creates, the dark hold his power has over him grows, becoming all he needs. Until the night he finally crosses paths with the assassin who has been watching him from the shadows, a bewitching mortal possessing the name of an angel and the skills of a devil—a woman who awakens his passionate heart and stirs dangerous desires. Eva has built a fearsome reputation for herself in Italy's underworld, but her latest job in her beloved city of Rome has left her feeling that she has stepped into a dangerous world and this mission might end in her death—either at the hands of her mysteriously seductive client or by the blade of the wickedly alluring warrior who is her target. As the threat from the daemons escalates and more than just the Rome gate becomes their target, will Valen be strong enough to face the fears in his heart and the ghosts of his past to claim everything he desires or will they lure him deeper under their spell and into the darkness? Valen is the second novel in the Guardians of Hades Romance series. This paranormal romance features a Greek god of lightning with a bad attitude, an Italian assassin sent to kill him, and a cast of sizzling Greek god brothers determined to protect the Underworld and their father Hades, plus lots of action and adventure--and steamy scenes! All Guardians of Hades books have no cliffhangers, a guaranteed happily ever after, and some strong language. Enjoy! Grab your copy today and step into an action-packed

Guardian of the Gate Knopf Shortlisted for the FT/McKinsey Business Book of the Year award A renowned climate scientist shows how fossil fuel companies have waged a thirty-year campaign to deflect blame and responsibility and delay action on climate change, and offers a battle plan for how we can save the planet. Recycle. Fly less. Eat less meat. These are some of the ways that we've been told can slow climate change. But the inordinate emphasis on individual behavior is the result of a marketing campaign that has succeeded in placing the responsibility for fixing climate change squarely on the shoulders of individuals. Fossil fuel companies have followed the example of other industries deflecting blame (think "guns don't kill people, people kill people") or greenwashing (think of the beverage industry's "Crying Indian" commercials of the 1970s). Meanwhile, they've blocked efforts to regulate or price carbon emissions, run PR campaigns aimed at discrediting viable alternatives, and have abdicated their responsibility in fixing the problem they've created. The result has been disastrous for our planet. In *The New Climate War*, Mann argues that all is not lost. He draws the battle lines between the people and the polluters-fossil fuel companies, right-wing plutocrats, and petrostates. And he outlines a plan for forcing our governments and corporations to wake up and make real change, including: A common-sense, attainable approach to carbon pricing- and a revision of the well-intentioned but flawed currently proposed version of the Green New Deal; Allowing renewable energy to compete fairly against fossil fuels

Debunking the false narratives and arguments that have worked their way into the climate debate and driven a wedge between even those who support climate change solutions Combatting climate doomism and despair-mongering With immensely powerful vested interests aligned in defense of the fossil fuel status quo, the societal tipping point won't happen without the active participation of citizens everywhere aiding in the collective push forward. This book will reach, inform, and enable citizens everywhere to join this battle for our planet.

Jason and Rachel's adventures and friendships have made Lyrian more of a home to them than they could have imagined, so now, armed with the prophecy of a dying oracle, they are ready to become Lyrian's heroes whatever the cost to themselves.

When Prophecy Fails Zondervan Beyond the Empire and within it, the threat of war looms ever larger as the Blood Shrike, Helene Aquilla, Laia of Serra, and Elias Veturius all face increasing dangers.

Chasing the Prophecy Razorbill

In this highly-anticipated sequel to *Prophecy of the Sisters*, sixteen year-old orphan Lia Milthorpe continues her quest to end an ancient prophecy that has turned generations of sisters against each other. Having now accepted the responsibilities tied to her role as Gate, Lia journeys to the uncharted isle of Altus to continue her search for the missing pages of the Book of Chaos--the pages that could tell her how to end the prophecy once and for all. Along the way, her courage, strength, and soul are tested in ways she never could have imagined. Meanwhile, twin sister Alice continues to hone her spellcasting abilities, completely ignoring the rules that govern the Otherworlds. Alice will stop at nothing to reclaim Lia's role of Gate, and that's not the only thing she wants. There's also Lia's true love, James. The outcome of this battle between sisters will have consequences of Biblical proportion. In the end, only one sister will be left standing.

Aeneid Crown

Prince of the Underworld and Lord of Fire, Ares was banished from his home by his father, Hades, two centuries ago and given a new duty and purpose—to keep our world and his from colliding in a calamity foreseen by the Moirai. Together with his six brothers, he fights to defend the gates to the Underworld from daemons bent on breaching them and gaining entrance to that forbidden land, striving to protect his

home from their dark influence. Caged by the manifestation of his power, held apart from those he loves by his own fire and starved of physical contact, Ares lives a cold existence driven by duty and the desire to return to his world. Until his world collides with a daemon who steals his power and a mortal female who shatters the ice around his heart and awakens the true fire within him—a soul-stirring passion both dangerous and seductive. Megan has wandered far from her home, driven from everyone she loves by the devastating realisation that she is different to them all. Unsure who to trust in the world, she keeps to herself, until a fateful stormy night brings a temptingly handsome warrior crashing into her life and into her heart—a warrior who seems to hold powers more frightening and marvellous than her own. When the New York gate comes under threat, and Ares is put to the test, will he choose his duty and regain the power he needs in order to save his world or will he choose the desires of his heart and sacrifice his fire so he can be with the woman becoming his whole world? Ares is the first novel in the Guardians of Hades Romance series. This paranormal romance features a Greek god of fire who just lost his power, a mortal heroine who is more than meets the eye, and a cast of sizzling Greek god brothers determined to protect the Underworld and their father Hades, plus lots of action and adventure--and steamy scenes!
