EILEEN OSBORN

Re-zoom Perfection Learning

The winner of the prestigious Caldecott Honor, and described by the New York Times as 'a masterwork', Aaron Becker's stunning, wordless picture book debut about self-determination and unexpected friendship follows a little girl who draws a magic door on her bedroom wall. Through it she escapes into a world where wonder, adventure and danger abound. Red marker pen in hand, she creates a boat, a balloon and a flying carpet which carry her on a spectacular journey ... who knows where? When she is captured by a sinister emperor, only an act of tremendous courage and kindness can set her free. Can it also guide her home and to happiness? In this exquisitely illustrated book, an ordinary child is launched on an extraordinary, magical journey towards her greatest and most rewarding adventure of all...

REM--rapid Eye Movement Viking Juvenile

Eine Reise mit dem Superzoom von

einem Hahnenkamm bis an das Ende der Welt. (ab 4).

The Other Side Andersen Press Limited

Two seals are perched on a rock. When others need shelter, do they share it?

Room on Our Rock celebrates the truth that there are two sides to every story.

This clever picture book has one story that can be read two different ways.

When read from front to back, the seals believe there is definitely no room on their rock for others.

But when the book is read from back to front, the seals welcome others to shelter on their rock.

A heartwarming story about sharing and compassion.

The Red Book SAGE Publications India

A collection of previously unpublished poems by a well-known American poet

includes nineteen verses about such familiar objects and ideas as the moon,

manners, eyes, necks, pencils, and clouds and is illustrated by the creator of

Zoom.

Quest Harvard Business School Press

As seen on the SERIAL podcast, season 2, episode 1 ("Dustwun")! Open this

wordless book and zoom from a farm to a ship to a city street to a desert island.

But if you think you know where you are,

guess again. For nothing is ever as it seems in Istvan Banyai's sleek, mysterious landscapes of pictures within pictures, which will tease and delight readers of all ages. "This book has the fascinating appeal of such works of visual trickery as the Waldo and Magic Eye books." -- Kirkus Reviews

"Ingenious."-- The Horn Book

Tuesday Candlewick Press

A young girl watches as the activities across the street from her bus stop become a circus.

Movement Matters Zoom

If you could fit our culture of convenience into a petri dish, what would it look like? Movement Matters is a series of essays in which biomechanist Katy Bowman continues to explain the mechanics of a sedentary culture and the deep complexity of the phenomenon we call movement. By exposing convenience as a way of outsourcing movements, Katy's groundbreaking work in the relationship between movement and nature expands to models that have evolved from thinking of the body as a single structure to considering it to be a cluster of a trillion bodies, and how those trillion bodies are being loaded by our habitat and how we move to interact with it. From movement nutrients to forest school to the problems with investigating parts, our culturally conditioned preference to be sedentary is explored from many angles. Thought-provoking, inspiring, and always entertaining, Movement Matters is a collection of essays conducting a deep exploration of movement and its role in science, community, work, and social responsibility. Deftly deconstructing sedentary assumptions that underlie much of our research into human health, Bowman works to reclaim our space in and responsibility to nature and

ourselves. With essays on foraging, the nearsightedness epidemic, and the limitations of a parts approach to health, Bowman's gaze is sweeping and incisive, always with the underlying message that moving is powerful and important, and perhaps the most joyful, freeing, and efficient form of activism there is.

Tap Dancing on the Roof Scholastic Press

Another laugh-out-loud book from the author of The Paper Bag Princess! "Hey you dumb pigs!" When Megan lets all of the pigs out of the pen, they start to take over, and show her that they may not be so dumb after all. A newly designed Classic Munsch picture book introduces this tale of underestimated livestock to a new generation of young readers.

Zoom In, Zoom Out Penguin

A *sijo*, a traditional Korean verse form, has a fixed number of stressed syllables and a humorous or ironic twist at the end. Like haiku, *sijo* are brief and accessible, and the witty last line winds up each poem with a surprise. The verses in this book illuminate funny, unexpected, amazing aspects of the everyday--of breakfast, thunder and lightning, houseplants, tennis, freshly laundered socks. Carefully crafted and deceptively simple, Linda Sue Park's *sijo* are a pleasure to read and an irresistible invitation to experiment with an unfamiliar poetic form. Istvan Banyai's irrepressibly giddy and sophisticated illustrations add a one-of-a-kind luster to a book that is truly a gem.

You Can't Take a Balloon Into the National Gallery Viking Juvenile

Readers can embark on an incredible visual journey that introduces them to various perspectives and points of view, daring them to discover what is on the other side of each image.

Pancakes for Breakfast Harry N
Abrams Incorporated

Rediscover the classic magical adventure of the Little Wooden Horse, brought to life with the original inside illustrations from the author of Milly-Molly-Mandy, Joyce Lankester Brisley. When Uncle Peder the toymaker falls on hard times, his little wooden horse must go out into the world to seek his fortune. But whether he's working in a coal mine, sailing the seven seas with a band of pirates or walking the tightrope in a circus, the loyal little horse only has one wish: to return to his beloved master. Originally published in 1938, Ursula Moray-Williams' *The Adventures of the Little Wooden Horse* is her most famous story and continues to be one of the most-loved classic stories of children's literature. With its glorious inside illustrations by Joyce Lankester Brisley and cover artwork from Catherine Rayner, this beautiful hardback edition is a truly special gift to treasure.

Building Self-Esteem in Children
Harper Trophy

Creativity is an acquired skill, one that improves with practice. *Cracking the Creativity Code* shows you how! This book provides a proven method for

generating world-changing ideas. It empowers individuals who have given up on their innate creativity, who believe that they have lost their creative powers through years of disuse. In a light, entertaining style, the authors describe their unique, structured approach to creativity. To bring the reader closer to this lost art, the authors present a 'Zoom in, Zoom out, Zoom in' technique to make 'creation' more accessible to everyone. Reinvigorate your personal creativity machines—once turned on, it will generate an unending stream of novel ideas that can change the world.

Journey Perfection Learning

Based on a South African tale, this story tells what happens when a giant who had been banished from a town by a magician 30 years earlier is called back to save the town from flooding.

Cracking the Creativity Code Dk Pub

Open this wordless book and take off on mind-bending visual journeys full of twists, turns, and surprises. Zoom from an Egyptian pyramid to an exotic jungle to a sandy beach. But if you think you know where you are, guess again. For in Istvan Banyai's mysterious landscapes of pictures within pictures, nothing is ever as it seems.

Designing Care Houghton Mifflin
Harcourt

Solid waste management is currently a major issue worldwide with numerous areas reaching critical levels. Many developing countries and countries in transition still miss basic waste management infrastructure and awareness. It is here that many of the solid waste management problems and challenges are currently being faced. As such, waste-to-energy (WTE) consists of a proven and continuously developing spectrum and range of technologies in a number of (mostly) developed countries.

However, its integration in developing countries and systems in transition is often faced with scepticism and a complex set of barriers which are quite unique and differ greatly from those where WTE has been validated and applied over the years. *Waste-to-Energy: Opportunities and Challenges for Developing and Transition Economies* will address this issue both theoretically and using concrete examples, including:

- contributions from numerous scholars and practitioners in the field,
- useful lessons and rules of thumb,
- both successful and failed cases, and
- real-life examples and developments.

Waste-to-Energy approaches this dynamic aspect of environmental engineering and management in a methodical and detailed manner making it an important resource for SWM planners and facility operators as well as undergraduate and post graduate students and researchers.

The Flower Man Candlewick Press
This Caldecott Honor-winning book about a book is a delightful, wordless tale about the power of stories, perfect for fans of Brendan Wenzel and David Weisner. A red book is lying in the snow in the city. When you open it, you find a new kind of adventure. You will be taken across oceans and continents when you just flip the page. But this book-in-a-book holds even more secrets to discover.

Lehman's simple story line and surprising illustrations create an unexpectedly enchanting story about friendship, connectedness, and how stories can bring us together . . . and even bring us inside their pages.

When a Butterfly Sneezes Lake Union Publishing

Two parallel stories of a little girl visiting the famous art museum and her lost yellow balloon's trip through Washington, D.C., make for an inventive visual journey sure to intrigue readers of all ages.

Sidewalk Circus Candlewick Press (MA)

Two children are swept up in an imaginative quest to save the king and his realm from dark forces when the king emerges from a magical door at the park and presses a map and strange objects into their hands before being captured and disappearing.

Adventures of the Little Wooden Horse Penguin

Health-care providers face growing criticism from policy makers and patients alike. Costs continue to rise and concerns about quality of care escalate. Yet funding solutions can't address the underlying questions: Why have costs risen? How can we improve the quality and affordability of care? This text investigates.
