Shaping a Christian

Worldview Tyndale
House Publishers, Inc.
"A Christian without a

church is a Christian in trouble.” Since a global pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it’s time to recommit to gathering as brothers and sisters in Christ. In *Rediscover Church*, Collin Hansen and Jonathan

Leeman discuss why church is essential for believers and God’s mission. Through biblical references and personal stories, they show readers God’s true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the

Gospel Coalition and 9Marks.

This thoroughly revised and updated edition of Bruce Milne's excellent handbook expounds the great themes of God's Word and how they fit together. Each chapter deals with one aspect of biblical truth, and the main sections conclude with practical reflection. *Growing Deep in the Christian Life* Moody Publishers

Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict

and how each person can stand firmly for God and His truth.

What Every Christian Ought to Know Sophia Institute Press

"Christians often misunderstand the nature of God. This leads to misunderstandings about the nature of salvation. For this reason, the question "Saved from what?" can be a challenge to answer. In this book, Dr. R.C. Sproul explains why the atonement was necessary and why we are fundamentally saved from a holy God in salvation.

The heart of this book is to help evangelicals understand the gospel. But in order to do that, they must first understand the character of God. When this happens, Christians understand that salvation is both of and from God. It is of God because it originates with Him. But it is from God because His righteous, holy character is against all unrighteousness. In part one, Dr. Sproul explains the meaning of the term "salvation" in Scripture, and he elaborates on this

to show how God's character demands perfect righteousness. This is a serious predicament for every human being because all of our works fall short of the glory of God. We sin, and even our "good" works are mingled with sin. In part two, Dr. Sproul unfolds the significance and necessity of the cross, and he defines sin in the biblical concepts of "debt" to God, "enmity" toward God, and "crime" against God. The cross addresses the problem of our sin before God from

every angle. Dr. Sproul explains how Christ is our ransom and the processes of propitiation and expiation that occurred at the cross. This entire section is set within the concept of covenant theology and is further developed through a study on justification. In part three, Dr. Sproul concludes the book by explaining the purpose of our salvation. All Christians are called to live for Christ and are adopted into Him. Being adopted into Christ, we are assured that God is

making us like Him and that we will one day ultimately be made pure when we behold God in the beatific vision"--

The name Josh McDowell promises real-life, on-the-street Christian apologetics. In his first Harvest House book, Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue: why an entire generation of young Christians--and

millions of older believers--is confused about what they believe, why they believe it, and how it's relevant. The Unshakable Truth is uniquely positioned for younger Christians because it presents apologetics relationally, focusing on how Christianity's doctrines affect relationships. The authors... ground every assertion in the overarching story of creation, incarnation, and re-creation. distill 12 crucial "faith statements"--for example, "A personal

Creator God exists." explain why each statement is trustworthy, how it applies to real life, and--using examples, stories, and experiences--what its relevance is.
