Emotional  
Intelligence  
Does IQ define  
our destiny?  
Daniel  
Goleman  
argues that  
our view of  
human  
intelligence is  
far too narrow,  
and that our  
emotions play  
a major role in  
thought,  
decision  
making and  
individual  
success. Self-  
awareness,  
impulse  
control,  
persistence,  
motivation,  
empathy and  
social

deftness are  
all qualities  
that mark  
people who  
excel: whose  
relationships  
flourish, who  
are stars in  
the workplace.  
With new  
insights into  
the brain  
architecture  
underlying  
emotion and  
rationality,  
Goleman  
shows  
precisely how  
emotional  
intelligence  
can be  
nurtured and  
strengthened  
in all of us.  
Working with  
Emotional  
Intelligence  
Do you want  
to be more  
successful at  
work? Do you

want to  
improve your  
chances of  
promotion? Do  
you want to  
get on better  
with your  
colleagues?  
Daniel  
Goleman  
draws on  
unparalleled  
access to  
business  
leaders  
around the  
world and the  
thorough  
research that  
is his  
trademark. He  
demonstrates  
that emotional  
intelligence at  
work matters  
twice as much  
as cognitive  
abilities such  
as IQ or  
technical  
expertise in  
this inspiring

sequel.

Tauchen Sie ein in die kubanische Welt, die Sie anhand von zehn Kurzgeschichten und handgemalten Illustrationen entdecken werden. Während dieser literarischen Reise werden Sie von verschiedenen Figuren begleitet, die Ihnen einen Teil der kubanischen Kultur, der Traditionen und Eigenheiten

näherbringen.  
Die Kurzgeschichten sind unabhängig voneinander lesbar und bieten dadurch schnelle Erfolgserlebnisse beim Verstehen der spanischen Sprache (Niveaustufe B1-B2).  
Lernen Sie mehr über Kuba, und festigen Sie dabei Ihre Spanischkenntnisse! Am Ende jeder Geschichte finden Sie einige Verständnisfragen zur Selbstkontrolle oder zur

Diskussion in der Lerngruppe.  
**The Motorcycle Diaries**  
Courier Corporation  
A stunning story about finding the courage to speak out against injustice, even when committed by those closest to us. Camille Kouchner's childhood was marked by sun-drenched summers in the south of France, where a vibrant cast of family and friends would gather at their Sanary-sur-Mer house.

This familia grande, which included much of the country's elite, spent memorable days and nights laughing, debating, drinking, and dancing. But a long-held secret poisoned Camille's memories. In February 2017, Camille returned to Sanary at forty-one to bury her mother, who died with none of her five children present. Her passing would stir up old emotions,

ultimately leading Camille to publicly confront the truth. The Familia Grande poignantly explores the dynamics of abuse, and the questions of guilt and shame surrounding it. Published in France in 2021, the book sparked an important conversation about incest, and the attitudes and laws that have so often allowed influential men to evade consequences for their

crimes.

Motorbooks In The Photographer's Eye, Michael Freeman showed what a photographer needs to do in the instant before the shutter is released. In the sequel, The Photographer's Mind, he explained the way that professional photographers think a picture through before taking it. Both of these

international best-sellers featured Michael's own photography: stunning landscapes, revealing portraits, and fascinating street photography. Now, in *The Photographer's Vision*, he examines the work of photography's greats, explaining how to look at a photo - and how to learn from looking at it. The featured work includes some of the most distinguished names in photography's history: Nick

Knight, Frederick Henry Evans, Frans Lanting, Tim Page, Wolfgang Tillmans, Nan Goldin, Paul Outerbridge, Walker Evans, Cindy Sherman, Elliott Erwitt, Trent Parke, Jeff Wall, Paul Strand, Romano Cagnoni, Horst Faas, James Casebere and many more, making this book visually stunning as well as intellectually authoritative. *Travels in the Scriptorium* Seven Stories Press Paloma

Sánchez-Garnica's first novel to be translated into English is a beautiful, harrowing, and illuminating story of family betrayals and a last chance for forgiveness. Carlota Molina has a brilliant career as a judge in Madrid, the respect of her peers, and an independent life. But it's a life still haunted by the specter of a father she's been estranged from for decades. Then one day

Carlota gets a phone call from a familial stranger--her half sister, Julia--with an impassioned request. After years of pain and distance, Carlota's father, Clemente, wants to see her before he dies...and to settle the past. Seizing on the opportunity to confront all her disillusion, Carlota begins to unravel the lies and deception in her family history. Some secrets she knows, and some secrets

she has yet to discover. It is up to Carlota to decide how much of a mark she will let those secrets leave.

**Conociendo a Raúl** Seven Stories Press  
Great chess master shares his secrets, including basic methods of gaining advantages, exchange value of pieces, openings, combinations, position play, aesthetics, and other important maneuvers.

More than 300 diagrams.

*Conociendo a Raúl Faber & Faber*

An old man sits in a room, with a single door and window, a bed, a desk and a chair.

Each day he awakes with no memory, unsure of whether or not he is locked into the room.

Attached to the few objects around him are one-word, hand-written, labels and on the desk is a series of vaguely familiar black-and-white photographs

and four piles of paper. Then a middle-aged woman called Anna enters and talks of pills and treatment, but also of love and promises. Who is this Mr Blank, and what is his fate? What does Anna represent from his past - and will he have enough time to ever make sense of the clues that arise? After the huge success of *The Brooklyn Follies*, *Travels in the Scriptorium* sees Auster return to more metaphysical

territory. A dark puzzle, and a game that implicates both reader and writer alike, it is an ingenious exploration of language, responsibility and the passage of time.

"Cortazar's masterpiece ... The first great novel of Spanish America" (The Times Literary Supplement) • Winner of the National Book Award for Translation in 1967,

translated by Gregory Rabassa  
Horacio Oliveira is an Argentinian writer who lives in Paris with his mistress, La Maga, surrounded by a loose-knit circle of bohemian friends who call themselves "the Club." A child's death and La Maga's disappearance put an end to his life of empty pleasures and intellectual acrobatics, and prompt Oliveira to return to Buenos Aires,

where he works by turns as a salesman, a keeper of a circus cat which can truly count, and an attendant in an insane asylum. Hopscotch is the dazzling, freewheeling account of Oliveira's astonishing adventures. *One Day at a Time* Grupo Planeta Spain Fans of Reese Witherspoon's Book Club picks eager for their next moving historical novel—look no further! Readers of

The Alice Project and The Lost Girls of Paris will be enthralled by V.S. Alexander's *The Traitor*. Drawing on the true story of the White Rose—the resistance movement of young Germans against the Nazi regime—The Traitor tells of one woman who offers her life in the ultimate battle against tyranny during one of history's darkest hours. In the summer of 1942, as war rages

across Europe, a series of anonymous leaflets appears around the University of Munich, speaking out against escalating Nazi atrocities. The leaflets are hidden in public places, or mailed to addresses selected at random from the phone book. Natalya Petrovich, a student, knows who is behind the leaflets—a secret group called the White Rose, led by siblings Hans and

Sophie Scholl and their friends. As a volunteer nurse on the Russian front, Natalya witnessed the horrors of war first-hand. She willingly enters the White Rose's circle, where every hushed conversation, every small act of dissent could mean imprisonment or death at the hands of an infuriated Gestapo. Natalya risks everything alongside her friends, hoping the power of words will encourage

others to resist. But even among those she trusts most, there is no guarantee of safety—and when danger strikes, she must take an extraordinary gamble in her own personal struggle to survive. Praise for V.S. Alexander's *The Irishman's Daughter* "Accompanied by an expertly rendered plot, bold and empathetic characters, and prose that jumps off the page, this tale will particularly satisfy fans of

historicals and those looking for stories about the redeeming grace of faith and hard work." —Publishers Weekly, **STARRED REVIEW** *The Photographer's Vision* Planeta México We all like to eat, but we are doing it wrong, and it gets worse every day. Deceived by the food industry, advertising, culinary fake news, and Aunt Bertha's nutrition advice, with

every bite we are making nefarious decisions that steal our energy and make us both ill and fat. How can we stop this cycle? Who should we believe? How can we change our habits without becoming rigid and boring? In this book, renowned doctor Carlos Jaramillo offers robust answers to these questions and states that the key to optimal weight and health is our metabolism.

Understanding what it is, how it operates, and what we can do to make it work in our favor is fundamental. And it is what the reader will accomplish on these pages.

Dorina Basarab is a dhampir-half-human, half-vampire. Back home in Brooklyn after the demise of her insane Uncle Dracula, Dory's hoping her life is about to calm down. But soon Dory realizes someone is killing vampire

Senate members, and if she can't stop the murderer, her friends may be next...

**You Always Change the Love of Your Life**

Alfred Publishing Company, Incorporated  
A New York Times bestseller  
With a new introduction by The Motorcycle Diaries filmmaker Walter Salles, and featuring 24 pages of photos taken by Che. The Motorcycle Diaries is Che Guevara's diary of his

journey to discover the continent of Latin America while still a medical student, setting out in 1952 on a vintage Norton motorcycle together with his friend Alberto Granado, a biochemist. It captures, arguably as much as any book ever written, the exuberance and joy of one person's youthful belief in the possibilities of humankind tending towards justice, peace

and happiness. After the release in 2004 of the exhilarating film of the same title, directed by Walter Salles, the book became a New York Times and international bestseller. This edition includes a new introduction by Walter Salles and an array of new material that was assembled for the 2004 edition coinciding with the release of the film, including

24 pages of previously unpublished photos taken by Che, notes and comments by his wife, Aleida Guevara March, and an extensive introduction by the distinguished Cuban author, Cintio Vitier. "A journey, a number of journeys. Ernesto Guevara in search of adventure, Ernesto Guevara in search of America, Ernesto Guevara in search of Che. On this

journey, solitude found solidarity. 'I turned into 'we.'"—Eduardo Galeano "As his journey progresses, Guevara's voice seems to deepen, to darken, colored by what he witnesses in his travels. He is still poetic, but now he comments on what he sees, though still poetically, with a new awareness of the social and political ramifications of what's going on around him."—January Magazine

"Our film is about a young man, Che, falling in love with a continent and finding his place in it."  
—Walter Salles, director of the film version of *The Motorcycle Diaries* "All this wandering around 'Our America with a Capital A' has changed me more than I thought."  
—Ernesto Che Guevara, from *The Motorcycle Diaries* Interpreting Our Heritage (EasyRead Super Large 18pt Edition)

Four members of a London club relate their former careers in crime  
A Love for Rebecca  
Simon and Schuster  
Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary

heroes who had opposed and fought against Trujillo." (Concepción de León, New York Times) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as

accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the *Butterflies*. In this extraordinary novel, the voices of all four sisters-- Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own

stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred *Butterflies* live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the*

Time of the Butterflies and How the García Girls Lost Their Accents winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, The New York Times Book Review "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com *Death's Mistress* Stanford University Press

A novel about friendship, feminism, and the knotty complications of tradition and privilege, perfect for fans of Becky Albertalli and Stephanie Perkins.

Jemima Kincaid is a feminist, and she thinks you should be one, too. Her private school is laden with problematic traditions, but the worst of all is prom. The guys have all the agency; the girls have to wait around for "promposals"

(she's speaking heteronormatively because only the hetero kids even go). In Jemima's (very opinionated) opinion, it's positively medieval. Then Jemima is named to Senior Triumvirate, alongside superstar athlete Andy and popular, manicured Gennifer, and the three must organize prom. Inspired by her feminist ideals and her desire to make a mark on the school,

Jemima proposes a new structure. They'll do a Last Chance Dance: every student privately submits a list of crushes to a website that pairs them with any mutual matches. Meanwhile, Jemima finds herself embroiled in a secret romance that she craves and hates all at once. Her best friend, Jiyoona, has found romance of her own, but Jemima starts to suspect something

else has caused the sudden rift between them. And is the new prom system really enough to extinguish the school's raging dumpster fire of toxic masculinity? Filled with Kate Hattemer's signature banter, this is a fast-paced and thoughtful tale about the nostalgia of senior year, the middle of modern relationships, and how to fight the patriarchy when you just might be part

of the patriarchy yourself. The Traitor Penguin Group This Palgrave Handbook offers the first international comparative study into the efficiency of the industrial organization of the global wine industry. Looking at several important vineyards of the main wine countries, the contributors analyze differences in implementation and articulation of three key stages: grape production, wine making

and distribution (marketing, selling and logistics). By examining regulations, organization theory, industry organizational efficiency and vertical integration, up to date strategies in the sector are presented and appraised. Which models are most efficient? What are the most relevant factors for optimal performance? How do reputation and governance impact the industry?

Should different models co-exist within the wine countries for global success? This comprehensive volume is essential reading for students, researchers and professionals in the wine industry. Pug Actually MIRA Hasta hace unos meses, Eli, Valeria, Bruno, Raúl, María y Ester formaban El Club de los Incomprendidos. Cada uno con su personalidad y su carácter,

eran los mejores amigos del mundo. Se conocieron dos años atrás en el instituto, y el haber pasado por similares y dolorosas circunstancias les acercó. El club de los incomprendidos.

Conociendo a Raúl nos traslada a los días previos, y nos presenta a Raúl, un personaje singular y carismático.

**Las diferentes 1 - El club secreto del patio** Henry Holt and Company

(BYR)  
Tres mundos, tres personalidades, tres chicas que juntas pueden con todo: ¡llegan Las Diferentes! Los padres de Dani se han separado y no tiene ningunas ganas de empezar en un cole nuevo, Vega no está del todo segura de que Martina, su mejor amiga de siempre, sea una buena amiga de verdad y Susi, que siempre ha sido la mejor en todo, le tiene muchísimo miedo a fallar.

Susi, Vega y Dani no pueden ser más diferentes. Entre sí y de los demás. Pero cuando aprendan que juntas pueden con todo, se volverán inseparables. Una serie sobre el valor de ser único y de la amistad. *The Feminist Agenda of Jemima Kincaid See* Sharp Press For his eighth birthday, Emilio Scotto received a World Atlas. Promptly he announced his plan to make a route that would pass

through all the countries of the world, a route he named BLUE ROAD ONE. When, some years later, he found himself astride a black 1100 Honda Gold Wing motorcycle, Blue Road One beckoned, and Scotto set off on a journey that would last more than a decade, take him virtually everywhere in the world, and land him in the Guinness Book of World Records. This is his story, a thrill ride that begins in his native Argentina,

crosses Panama in the tumultuous time of Noriega, Mexico in the midst of an earthquake, and finds him broke in L.A. where, in a chance meeting, Muhammad Ali gives him fifty dollars and a signed book. Breaching the Iron Curtain, crossing the Berlin Wall at Checkpoint Charlie, being blessed by the Pope, set upon by cannibals in Sierra Leone, fleeing Somalia on a freighter,

Scotto's adventures would be unbelievable if they weren't true. His tale of touring the world from Tunisia to Turkey, Petra to Afghanistan, Yugoslavia to Singapore, traveling miles enough to take him to the moon and back, is unlike any ever told. Come along, for the ride of a lifetime. **A Man of Parts** Dell The Telecaster(tm) is the only guitar to have ever spawned its own cult following. The

Tele's raw, penetrating sound, combined with unique physical characteristics such as a deeply scooped headstock and placement of its volume and tone controls enable tele players techniques and sounds not available on other guitars. In this video, telemaster Arlen Roth teaches you all the classic licks and riffs of the great Telemasters. He covers techniques such as pedal steel bends, behind-the-nut bends, chicken pickin', classic rockabilly rhythm styles, blues techniques, shuffle patterns, full chord bends, banjo rolls, and more.
