**Failure** HarperCollins  
Cuando le dijeron a  
Lara que su esposo

había muerto, la vida  
de Lara se convirtió en  
un caos. Hunter, conde  
de Hawksworth, había  
naufragado en alta  
mar. O al menos, eso  
le habían dicho. Su  
desdichado

matrimonio, carente de ternura y pasión, había terminado. Pero ahora Lara tenía frente a sí a un hombre recio y apuesto, que exponía secretos que sólo un esposo podía conocer y juraba que ella volvería a ser su esposa. Si bien la joven no podía negar que ese hombre, con sus fogosos ojos oscuros, se parecía a Hunter, también se mostraba atento y cariñoso como éste nunca había sido. Muy pronto ansió creer de todo corazón que ese extraño era realmente su marido. Pero ¿se habría reformado ese frío libertino, o estaba siendo seducida por un astuto desconocido?

### **Gifts of Love**

Macmillan

“An engrossing tale [that] provides plenty of food for thought” (People, Best New Books pick), this playful, wise, and profoundly moving second novel from the internationally bestselling author of *How Proust Can Change Your Life* tracks the beautifully complicated arc of a romantic partnership.

We all know the headiness and excitement of the early days of love. But what comes after? In Edinburgh, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple as “happily ever after.” *The Course of Love* explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortlessness of falling into romantic love, and the course of life thereafter. Interwoven with their story and its challenges is an overlay of philosophy—an

annotation and a guide to what we are reading. As The New York Times says, "The Course of Love is a return to the form that made Mr. de Botton's name in the mid-1990s....love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods, and insecurities to the page." This is a Romantic novel in the true sense, one interested in exploring how love can survive and thrive in the long term. The result is a sensory experience—fictional, philosophical, psychological—that urges us to identify deeply with these characters and to reflect on his and her own experiences in

love. Fresh, visceral, and utterly compelling, *The Course of Love* is a provocative and life-affirming novel for everyone who believes in love.
