The possibility of mirror life was first discussed by Louis Pasteur. Although this alternative life form has not been discovered in nature,...Mirror life - WikipediaEating grass, sleeping on the floor and lights out at 9pm doesn't sound like much fun, but these are the ingredients that make up an Airbnb - North Korean style. These eye-opening images of life inside the country were snapped by a photographer who ventured to the notoriously secretive nation for a unique project.Life inside North Korea - mirrorIn my later years, I have looked in the mirror each day and found a happy person staring back. Occasionally I wonder why I can be so happy. The answer is that every day of my life I've worked only for myself and for the joy that comes from writing and creating. The image in my mirror is not optimistic, but the result of optimal behavior.
