ZION KENYON

Mr. Fortune's Maggot Kent State University Press
Focusing on Midwestern wildflowers, this

tabbed booklet features detailed photographs of wildflowers, organized by color to help readers quickly and easily identify the wildflowers they see.

Codes and Kingdoms Random House
A captivating novel by the author of the 2022 Booker Prize-longlisted *Treacle*

Walker Based on a true story, Strandloper tells the extraordinary tale of a nineteenth-century Englishman, William Buckley, who was convicted and transported to Australia. Refusing to accept his fate he escaped and lived among the Aborigines for thirty years. In this visionary novel, Alan Garner is as true to William the Cheshire bricklayer and William the Aboriginal spiritual leader, as William is true to his fate. The result is extraordinary. 'A remarkable feat of literary imagination' Sunday Times

Winter in the Air Dorrance Publishing
This beautifully illustrated book provides an accessible introduction to the medieval manuscript and explores how its materiality can act as a vibrant and versatile tool to understand the deep

historical roots of human interaction with written information.

Books Before Print John Wiley & Sons
The fourth edition of the Official (ISC)2® Guide to the SSCP CBK® is a comprehensive resource providing an in-depth look at the seven domains of the SSCP Common Body of Knowledge (CBK). This latest edition provides an updated, detailed guide that is considered one of the best tools for candidates striving to become an SSCP. The book offers step-by-step guidance through each of SSCP's domains, including best practices and techniques used by the world's most experienced practitioners. Endorsed by (ISC)2 and compiled and reviewed by SSCPs and subject matter experts, this book brings together a global, thorough perspective

to not only prepare for the SSCP exam, but it also provides a reference that will serve you well into your career.

Wildflowers of the Midwest Penguin UK

A military and social history of the Sixty-sixth Ohio Volunteer Infantry and the wartime Champaign County, Ohio. It deals with the homefront, morale, reenlistment, and the memory and commemoration of the war. It includes the words and stories of individual soldiers.

The Corner That Held Them New York Review of Books

After a decade in one South Seas mission, a London bank-clerk-turned-minister sets his heart on serving a remote volcanic island. Fanua contains neither cannibals nor Christians, but its citizens, his superior warns, are like

children—immoral children. Still, Mr. Timothy Fortune lights out for Fanua. Yet after three years, he has made only one convert, and his devotion to the boy may prove more sensual than sacred. Mr. Fortune's *Maggot*, Sylvia Townsend Warner's second novel, is lyrical, droll, and deeply affecting, and her missionary captivated his creator as much as he did her readers. Long after the book's publication, Warner began the novella *The Salutation*. Now adrift and starving on the Brazilian pampas, Mr. Fortune is rescued by an elderly widow, who delights in having an Englishman about the house. Her heir, however, may beg to differ. Brilliant and subversive, Mr. Fortune's *Maggot* and its sequel are now available for the first time ever in one volume. They show Sylvia Townsend

Warner at the height of her powers. **Strandloper** New York Review of Books A unique novel about life in a 14th-century convent by one of England's most original authors. Sylvia Townsend Warner's *The Corner That Held Them* is a historical novel like no other, one that immerses the reader in the dailiness of history, rather than history as the given sequence of events that, in time, it comes to seem. Time ebbs and flows and characters come and go in this novel, set in the era of the Black Death, about a Benedictine convent of no great note. The nuns do their chores, and seek to maintain and improve the fabric of their house and chapel, and struggle with each other and with themselves. The book that emerges is a picture of a world run by women but also a

story—stirring, disturbing, witty, utterly entrancing—of a community. What is the life of a community and how does it support, or constrain, a real humanity? How do we live through it and it through us? These are among the deep questions that lie behind this rare triumph of the novelist's art.

Inspiring Words from an Ordinary Man SynCFusion and functional programming enthusiast Robert Pickering bring you F# Succinctly, your quick-start guide to the F# programming language. Starting with the classic "Hello World" program and the basics of identifiers, recursion, and operators, and working through to graphics, simulations, and interactive forms, this book is the ideal first step to becoming a fluent F# programmer. F#'s integration with Visual Studio-featuring

IntelliSense expression completion and an interactive version of the language for dynamic code evaluation-makes it the go-to functional language of the .NET platform.

The Official (ISC)2 Guide to the SSCP CBK

Winner of the John Llewellyn Rhys Prize 'One of the most shamefully under-read great British authors of the past 100 years' Sarah Waters The poet Sylvia Townsend Warner rose to sudden fame with the publication of her classic feminist novel *Lolly Willowes* in 1926, but never became a conventional member of London literary life, pursuing instead a long writing career in her own individualistic manner. Cheerfully defying social norms of the day, Warner lived in an openly homosexual

relationship with the poet Valentine Ackland for almost forty years. Together, they were committed members of the Communist party and travelled twice to Spain during the Civil War, but Warner paid for her outspokenness with years of neglect, and channelled much of her emotional and intellectual energy into letters, poems and heart-breaking diaries that remained unpublished during her lifetime. In this enthralling and enlightening biography, Claire Harman tells the story of Warner's remarkable life and restores her to her rightful place as one of Britain's most unique and brilliant writers. "As passionate and truthful, elegant and enchanting as its subject." George D Painter "Harman skilfully weaves Sylvia's stories and letters into the biography,

and the brilliance of the samples on display constantly takes you aback...

Outstanding" Sunday Times
