Strategic Human Resource Management and Employment Relations SAGE Publications

As competitors strive to win the war for talent, effective human resource management is necessary to gain true competitive advantage in the marketplace. Three challenges companies face are sustainability, technology, and globalization. Human Resource Management 5th Edition brings these challenges to life by highlighting real-world examples pertaining to these issues and relating it to the concepts within the chapter. This best-selling McGraw-Hill/Irwin Human Resource Management title provides students with the technical background needed to be a knowledgeable consumer of human resource (HR) products and services, to manage HR effectively, or to be a successful HR professional. While clearly strategic in nature, the text also emphasizes how managers can more effectively acquire, develop, compensate, and manage the internal and external environment that relates to the management of human resources.

Fundamentals of Human Resource Management South-Western Pub

The digitalization of businesses calls for new forms of leadership and collaboration, as traditional human resources strategies are reaching their limits. Personal responsibility, networking and diversity are increasingly recognized as key prerequisites for agility, adaptability and innovativeness. This book encourages HR managers who want to be pioneers of, or support, digital transformation to rethink their HR strategies. It begins with a clear illustration of the difference between stability and agility in leadership and organization. Building on this, it then guides the reader through a broad range of relevant HR topics and how they compare to the new strategic orientation. All major aspects of HR management are addressed, including recruitment, learning, talent management, remuneration, performance management, corporate training, executive development and change management. Providing a comprehensive, practical, differentiated and non-dogmatic alternative to traditional approaches, the book is a must-read for all those who are concerned with sustainable HR management in the era of digitalization.

Human Resources Management in Canada, Thirteenth Canadian Edition, Loose Leaf Version Irwin/McGraw-Hill

Establishing the agenda for global HR, this book looks through the eyes of HR professionals themselves. It gives a broad, coherent overview of the field of IHRM and a detailed, practical analysis of what is needed to be successful in this crucial area of modern management. A number of key questions are addressed: Does IHRM drive the business agenda more than domestic HRM? What is the impact of IHRM on organizational effectiveness? What are the keys to success in IHRM? Drawing upon current research conducted as part of the Chartered Institute of Personnel and Development's Globalization Research Project the text includes data from surveys of HR professionals and company practice as well as longitudinal case studies.

Strategic Human Resource Management Pearson Education India

We live in an increasingly hyper-competitive global marketplace, where firms are fighting to stay lean and flexible in an effort to satisfy increasingly diverse and specialized consumer demand around the world. Additionally, with the shifting global economy in recent decades and the emergence of the technology and service-oriented knowledge organizations, how do organizations effectively foster a continuous learning and innovation culture, better motivate employees, and make sound organizational decisions? What can organizational leaders do to promote ongoing organizational agility that will have a measurable impact on increased firm effectiveness and employee productivity? How can organizations more successfully manage organizational knowledge to achieve strategic organizational goals and add value to all organizational stakeholders? These are just some of the pressing questions facing the organizations of today.Strategic Human Resource Management is a text that provides a comprehensive introduction to a broad range of HRM topics and explores the wide sweeping impacts for the modern workplace, presenting a wide range of cross-disciplinary research and business cases in an organized, clear, and accessible manner. Additionally, unlike other HR texts, this book has a strong strategic management focus coupled with a focus on ethical leadership. It will be informative to management academics and instructors, while also instructing organizational managers, leaders, and human resource development professionals of all types seeking to understand proven practices and methods to creating organizational systems and culture to promote ongoing organizational learning and innovation to drive firm effectiveness in an increasingly competitive global economy.This text was compiled, edited, and adapted from multiple open source textbooks and created under a Creative Commons License without attribution as requested by the work's original creator or licensee. A Critical Approach Prentice Hall

This book analyses a collection of key strategic human resource management (HRM) and employment relations (ER) topics. The book follows a unique pedagogical design employing problem-based learning and participant-centred learning approaches, both of which the author has extensive experience in implementing with post-graduate learners. The book also prepares the learner to use these approaches, and has resources for the instructor. The first part of the book provides a very focussed research commentary highlighting the key theoretical approaches in HRM and ER. The

second part offers details of the design and implementation of strategic HRM and ER practices. The third part features a selection of contemporary research-based case studies that bring to life the debates and tensions inherent in the field of strategic HRM and ER.

Managing People Globally Cengage Learning

Put the authoritative resource for human resource management into the hands of your students with Mathis/Jackson's HUMAN RESOURCE MANAGEMENT, Thirteenth Edition. Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

Managing for Success John Wiley & Sons

The seventh edition was thoroughly revised, and now includes current statistics and a new chapter offering the latest information to compensation professionals.

People, Data, and Analytics Kogan Page Publishers

This revised edition is a comprehensive, authoritative set of essays. It is more detailed and analytical than the mainstream treatments of HRM. As in previous editions, Managing Human Resources analyses HRM, the study of work and employment, using an integrated multi-disciplinary approach. The starting point is a recognition that HRM practice and firm performance are influenced by a variety of institutional arrangements that extend beyond the firm. The consequences of HRM need to incorporate analysis of employees and other stakeholders as well as the implications for organizational performance.
