[10 Rules to Break & 10 Rules to Make](#) Feiwei & Friends

As seen on CNBC's Follow the Leader "Farnoosh's ground-breaking book will save more relationships than couples counseling ever could." —Barbara Stanny, author of Secrets of Six-Figure Women Today, a record number of women are their household's top-earner. But if you're that woman, you face a much higher risk of burnout, infidelity, and divorce. In this important and timely book, personal finance expert Farnoosh Torabi candidly addresses how income imbalances affect relationships and family dynamics, and presents a bold strategy to achieving happiness at work and home. Torabi's ten essential rules include: • Buy Yourself a Wife: Outsource as many household tasks as possible to bring more peace and happiness to both your lives • Don't Assume a Mr. Mom is Best: The math might say he should quit his job, but doing so can be dangerous. • Understand the Male Brain: Know how men think and what motivates their behavior to communicate effectively, share responsibilities, and avoid power struggles in your relationship.

**Ten Rules of the Birthday Wish** Portfolio

Psychologist Tim Harkness has noticed sometimes it seems everyone is shouting, but nobody is listening. Surely we don't need to learn how to talk? And yet, in an age of Brexit and Trump, where social media provides a platform for instantaneous, unfettered opinion, doesn't it feel that we've lost our ability to move discussions forward? 10 Rules for Talking is a timely guide to help you talk to people who don't share your opinion. Harkness focuses on difficult conversations - the complex, emotional and recurring discussions that persistently affect our personal and professional lives. The ten rules will teach you to remember most people are good and worthy of respect (Rule 3), why it is important to keep a conversation safe (Rule 5) and how to truly listen (Rule 9). Learn how to persuade, respond and - most importantly - keep the conversation progressing. Welcome to a new way of talking.

[Playing Big](#) Kings Road Publishing

"This country's leading hell-raiser" (The Nation) shares his impassioned counsel to young radicals on how to effect constructive social change and know "the difference between being a realistic radical and being a rhetorical one." First published in 1971 and written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

**House Rules** Feiwei & Friends

The tennis superstars talk about their lives, including what it takes to be successful, how they spend their money, dating, studying, and dealing with pressure.

**Minimalism: Live a Meaningful Life** Top Ten Rules to Marriage

This limited, collector's edition of The 48 Laws of Power features a vegan leather cover, gilded edges with a lenticular illustration of Robert Greene and Machiavelli, and designed endpapers. This is an authorized edition of the must-have book that's guided millions to success and happiness, from the New York Times bestselling author and foremost expert on power and strategy. A not-to-be-missed Special Power Edition of the modern classic, now beautifully packaged in a vegan leather cover with gilded edges, including short new notes to readers from Robert Greene and packager Joost Elffers. Greene distills three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz as well as the lives of figures ranging from Henry Kissinger to P.T. Barnum. Including a hidden special effect that features portraits of Machiavelli and Greene appearing as the pages are turned, this invaluable guide takes readers through our greatest thinkers, past to present. This multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control.

Here's what it takes to be a superhero—starring a boy and his superhero action figure!

**Rules for Radicals** Rizzoli Publications

Pearl Littlefield's first assignment in fifth grade is complicated: She has to write an essay about her summer. Where does she begin? Her dad lost his job, she had to go to a different camp—one where her older sister Lexie was a counselor-in-training (ugh!)—and she and her good friend James Brubaker III had a huge fight, which made them both wonder if the other kids were right that girls and boys can't be good friends and which landed one of them in the hospital. And there's much, much more on the list of good and bad things, as Ann Martin takes this appealing character into new adventures through which young readers will see that good or bad, life is what happens when you're making other plans.

When it comes to getting ahead in life, who we know is as important as what we do. How do you draw people to you? Impress the powerful? Make an impact and extend your circle of acquaintances? Cultivate influential friends? Suhel Seth, a man who knows almost everyone there is to know in the country, brings you the ultimate guide to social success. From the secret to throwing a successful party to the benefits of befriending the less important half of a couple, he gives you practical advice and strategies to become a successful networker. Inspiring, provocative, and wise, Get to the Top is the ultimate book about wielding soft power.

**Words That Work** Penguin

From New York Times bestselling author Bethenny Frankel, the book that started it all: Naturally Thin. Bethenny Frankel, reality TV star, "Queen of Cocktails," and "Mommy Mogul" has always had a passion for preparing and enjoying healthful, natural foods and sharing that love. The New York Times bestseller Naturally Thin shows how anyone can banish their Heavy Habits, embrace Thin Thoughts, and enjoy satisfying meals, snacks, and drinks without the guilt. Armed with Bethenny's rules, you will say: -I know when I am really hungry -When I'm really hungry, I look for high-volume, fiber-rich foods -I can have any food I want -I love the taste of real food With more than thirty simple, delicious recipes (including her famous SkinnyGirl Margarita), a one-week program to jump-start readers on the Naturally Thin lifestyle, and warm, witty encouragement on every page, Frankel serves up a book for a healthier and thinner life.

[How Adam Smith Can Change Your Life](#) Penguin

Minimalism is the thing that gets us past the things so we can make room for life's most important

things—which actually aren't things at all. At age 30, best friends Joshua Fields Millburn & Ryan Nicodemus walked away from their six-figure corporate careers, jettisoned most of their material possessions, and started focusing on what's truly important. In their debut book, Joshua & Ryan, authors of the popular website The Minimalists, explore their troubled pasts and descent into depression. Though they had achieved the American Dream, they worked ridiculous hours, wastefully spent money, and lived paycheck to paycheck. Instead of discovering their passions, they pacified themselves with ephemeral indulgences—which only led to more debt, depression, and discontent. After a pair of life-changing events, Joshua & Ryan discovered minimalism, allowing them to eliminate their excess material things so they could focus on life's most important "things": health, relationships, passion, growth, and contribution.

[Ten Golden Rules for Living in This Crazy, Mixed-Up World](#) Hatherleigh Press

"At last. At last this very important book has been written... It will empower legions of women to step into their greatness." ELIZABETH GILBERT, author of EAT, PRAY, LOVE "One of the most important books in my life. If you want to achieve anything, or simply be less stressed, this book will help you do it. In it you will find your voice, your ability, your self-confidence and perhaps even your mission in life. Buy it. Pass it on." SHIRLEY CONRAN The groundbreaking book that gives every woman the practical skills they need to begin PLAYING BIG. Five years ago, Tara Mohr began to see a pattern in her work as an expert in leadership: women with tremendous talent, ideas and aspiration were not recognizing their own brilliance. They felt that they were playing small' in their lives and careers and wanted to play bigger', but didn't know how. And so Tara devised a step-by-step programme for playing big from the inside out: this book is the result. Many women are aware of the changes they need to make to be more successful, but they don't know how to become that more confident woman they'd like to be. Playing Big provides real, practical to

[Ten Good and Bad Things About My Life \(So Far\)](#) Simon and Schuster

"These are the rules I've picked up along the way to help me remain invisible when I'm writing a book, to help me show rather than tell what's taking place in the story."—Elmore Leonard For aspiring writers and lovers of the written word, this concise guide breaks down the writing process with simplicity and clarity. From adjectives and exclamation points to dialect and hoopetodoodle, Elmore Leonard explains what to avoid, what to aspire to, and what to do when it sounds like "writing" (rewrite). Beautifully designed, filled with free-flowing, elegant illustrations and specially priced, Elmore Leonard's 10 Rules of Writing is the perfect writer's—and reader's—gift.

[Ten Rules for Strategic Innovators](#) Hachette UK

From a "genius" (New York Times) storyteller: a new, subversive, hilarious, heartbreaking collection. The thread that weaves these pieces together is our inability to communicate, to see so little of the world around us and to understand each other even less.

**If Life Is a Game, These Are the Rules** Random House

"How the insights of an 18th century economist can help us live better in the 21st century. Adam Smith became famous for The Wealth of Nations, but the Scottish economist also cared deeply about our moral choices and behavior--the subjects of his other brilliant book, The Theory of Moral Sentiments (1759). Now, economist Russ Roberts shows why Smith's neglected work might be the greatest self-help book you've never read. Roberts explores Smith's unique and fascinating approach to fundamental questions such as: - What is the deepest source of human satisfaction? - Why do we sometimes swing between selfishness and altruism? - What's the connection between morality and happiness? Drawing on current events, literature, history, and pop culture, Roberts offers an accessible and thought-provoking view of human behavior through the lenses of behavioral economics and philosophy"--

[Ten Rules for Living](#) Mango Media Inc.

I was reading a post on Facebook from a friend of mine one day that said "looks like we're definitely getting divorced, not sure how we got here, but I'm very sad". I sat there for the longest time and thought about my own marriage and how a few short years ago my wife and I were in this exact same place. I started remembering how sad I was too. I thought perhaps I could offer some words of advice and so we sat down and wrote a blog called "Top Ten Rules Every Marriage Should Live By". Within a few days the blog had gone viral. Within a month if you "Googled" the "top ten rules to marriage" out of over 300 million results, our blog had reached number one. Countless people asked us to write an extended version, in more detail. This book is the extended, more candid and detailed version of that blog. The Top Ten Rules to Marriage That EVERY Couple Should Live By. Learning how to state committed to one person is a challenge in this day and age. It doesn't matter whether you're gay or straight, there are key elements in a marriage that must be present for it to be successful. Our marriage was ending. We both could have walked away and said we gave it an honest effort and no one would have faulted us otherwise. Yet, we decided instead to try something new. We decided to sit down and talk about the things that led to our marital deterioration, and write down rules that we could both live by to try and continue to get our relationship back on track. We did this and now a few short years later here we are, better and stronger than ever.

**The Ten Golden Rules of Leadership** Amacom

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part Max docuseries Brené Brown: Atlas of the Heart! ONE OF BLOOMBERG'S BEST BOOKS OF THE YEAR Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and

has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In *Dare to Lead*, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

#### **How to Ikigai** Grand Central Publishing

Written as a guide for how to maintain a healthy, happy lifestyle in today's fast-paced and ever-changing times, this book sets the tone for enjoying life's blessings. Grammy Award-winning singer/songwriter Donna Fargo inspires readers to embrace their uniqueness and appreciate the positive difference they can make every day in their own lives and in the lives of others.

*Ten Rules of Being a Superhero* Random House Canada
