Dare to Win Hay House, Inc
Richard Wright grew up in the woods of Mississippi amid poverty, hunger, fear, and hatred. He lied, stole, and raged at those around him; at six he was a "drunkard," hanging about in taverns. Surly, brutal, cold, suspicious, and self-pitying, he was surrounded on one side by whites who were either indifferent to him, pitying, or cruel, and on the other by blacks who resented anyone trying to rise above the common lot. *Black Boy* is Richard Wright's powerful account of his journey from innocence to experience in the Jim Crow South. It is at once an unashamed confession and a profound indictment—a poignant and disturbing record of social injustice and human suffering.

"Bob Doyle - Featured Expert in "The Secret" Victoria Gallagher's book eases the burden of one ever having to wonder whether the genie has gotten the message or not. All the power to manifest is within you. Manifesting, which goes beyond simple positive thinking, is a collaboration between all three levels of mind; Conscious, Subconscious, and Superconscious. It's impersonal and happens; whether positive or negative, when these eight conditions are in alignment. Desire or Fear Thought Imagination Belief/Expectancy Feelings/Vibration Creative Attraction Inspired Action Manifestation Each condition plays an

important role in manifesting. They do not always happen in a specific order. When the conditions are in alignment, manifestation occurs simultaneously. The book demystifies the concepts of manifesting and attracting. It helps you understand in no uncertain terms, the practical personal development work which is a requirement to attract success. Included are dozens of downloadable worksheets, meditative scripts, mental techniques and strategies to develop yourself into a person who has the kind of manifesting power that can help you create the life of your dreams. Victoria's book eases the burden of having to wonder whether the genie has gotten the message or not. There is no genie, granting wishes. The power to manifest is within you and requires a level of belief, which can only come as a result of releasing deeply embedded negative subconscious programs and having the motivation to take action on your dreams and goals. This book is for anyone who has a dream or simply wishes to change their life for the better. Shift out of the old ways which haven't worked and implement new strategies to finally make it work for you.

THE LAW OF ATTRACTION WORKS...IF YOU WORK IT! The fastest way to manifest your desires is by implementing a Law of Attraction action plan. Since everything in the Universe is energy, the necessary ingredient for manifestation is the consistent mental and emotional energy that you emit in the form of thoughts, feelings, words and actions. It's very important to remember that the phrase "Law of Attraction" contains the word ACTION. Too many people on this spiritual path get caught

up reading lots of books about the Law of Attraction, attending numerous seminars and hearing lectures about the Universal Law, but they fail to use the powerful tools that will translate their desires from the invisible world of cause to the visible world of manifestation. There are many books and audio programs on the market that explain what the Law of Attraction is and what it does, but few that actually teach people how to use this creative power on a daily basis. As a result, this book will provide you with advanced manifestation techniques, strategies, insights, and success stories that will help you quickly manifest your desires with the Law of Attraction. Many students of the Law of Attraction have expressed concerns about being overwhelmed with all the manifestation books and study materials on the market. A friend recently told me: "I went to a book store and saw so many Law of Attraction books that I couldn't decide which to buy." Another friend said, "I know what the Law of Attraction is and what it does, but I am having trouble understanding what I need to do each day to make it work for me." I responded by telling my friend that she is not alone with her concerns. There is a lot of information on the market explaining what the Law of Attraction does, yet much of it fails to explain what must be done on a daily basis to make it work effectively. As a result of these concerns, I have written this book to guide readers through a series of real-life, daily scenarios that demonstrate what should be done each day in order to use the Law of Attraction effectively. The people interviewed for this book are among hundreds of people whom I have met during the course of my spiritual journey. I have met these wonderful people at seminars, workshops, lectures,

churches, spiritual centers and through online forums on spirituality and personal growth. These enlightened individuals are among my growing community of spiritual friends who have shared their insights and experiences with me, and who comprise a growing support group of like-minded people who understand the importance of self-empowerment and spiritual evolution.

Many people know that there is truth to behind the theory that thoughts and emotions affect the physical body, but not many know exactly how it works, or more importantly, how to use this knowledge to affect physical healing. Dina's story is her raw, real experience which takes readers from the hell of suicidal depression and addiction where she started, through how out of sheer desperation- she developed the 3x3 meditation technique which has been

the key to her physical, mental and emotional healing. The book gives readers concrete steps on how they can use her 3x3 technique to get results in their own lives. Taking just 9 minutes per day, Dina's 3x3 meditation has enabled her healing from alcohol and food addiction, regulating high blood sugar and cholesterol, weight loss and even relationships with others.
