For all of my readers who enjoyed my first book of poetry, I am about to give birth... I have another book coming soon. I carried them for many months, now they are long overdue. That's why I am sharing them with you. Take them to church, read them at home, apply them to your lives...you won't go wrong. Some of my poems are filled with laughter, some illustrate pain. Some tell what happens when one calls on Jesus' name. I need you, once again to take this ride with me. I promise it will be adventurous and you'll want to confide. Worst. Summer. Ever. My best friend moved away at the end of the school year. Now my family has moved into a house that looks a thousand years old and could pass for the Addams Family's summer home. I'm pretty sure it's haunted, and I'm about to be the star of my own paranormal reality show whether I like it or not. But the worst part is that Walker Dean is my new next door neighbor. Walker Dean tears through girls' hearts like a tornado through a trailer park. Sure, he's one of the hottest guys in school, but he's also a player who lives for hookups and doesn't know the meaning of the word relationship. People are too busy to trade their time to see another financial professional, all of whom look alike – so they believe. Clients screen calls. Prospects make excuses. Many hang up. Some politely just say no. But a no is a no - shrinking your potential success. Is it worse today than years past? Yes! A dramatic change has occurred. Prospects are becoming harder to access and clients harder to keep loyal. If you remain asleep at the wheel, the damage will be irreversible. That's a hefty price to pay for not knowing the new rules for prospect attraction. In his latest book, Robert Krumroy delivers the new psychology for building deep client loyalty and creating a compelling personal prospect attraction for the financial professional. You will be introduced to the new prospect-attraction model, turning the old rules of engagement on their ear. "Many advisors think that prospect attraction is defined as sending pre-approach letters to initiate their introduction," he observes. "Some think it is perfecting their elevator speech. Others think it is their phone approach. Some think it's their quarterly financial newsletter. Some think it's about specializing. But it's none of these. It's about how you add unique and relevant texture to your prospect's personal world." Krumroy describes step by step how to become "a little bit famous" in your local market, sharing unique approaches for cutting through the skepticism prevalent among consumers today to gain welcomed access when requesting appointments or soliciting referrals. He explains what works and what doesn't through dozens of examples and true stories. This is the book that shows you: · Where to find the most approachable affluent prospects · How to heighten your prospect's awareness for you in ways that attract them to you. · How to establish a business characteristic uniqueness that trumps the competition. · How to engage meaningful prospect connection strategies, building competitive preference for you within your market. · How to solve the "getting in" problem with affluent prospects, ones that you thought were impossible to access. · How to avoid ineffective marketing methods still being promoted today. Prospect attraction begins by delivering an experience that is creative, distinctive, and personally relevant. Attraction is not your product, nor your planning process. It's not even most differentiation strategies. Today's prospect wants more. They want YOU to be a "little bit FAMOUS!"

Books end but life goes on. Sometimes, we genuinely like books, but sometimes, we go through them just to kill time. Some books are like fireflies. They light our way in dark times. They give us power to live. They make us analyze, revive, and then identify all that is beautiful in life. And that beauty can ultimately be our destiny. Reserve a little corner for them in your heart so that the life you deserve never falls apart. You are the author of your life's story. Believe in yourself and take charge. I wish my contribution could be an everlasting inspiration.

"Life's too short. I'm not." You might know her as a Tony Award-winning Broadway star, who originated the role of Galinda the Good Witch in the smash musical *Wicked* and won a Tony for 1999's *You're a Good Man, Charlie Brown*. Or you may recognize her from her starring roles on TV -- *The West Wing*, *Pushing Daisies*, *Sesame Street*...oh, and her Huge Hit Sitcom *Kristin* on NBC. (Huge hit. L.A. breast-implant huge. Ask either of the people who watched it.) Or maybe you saw her sexy spread in *FHM* magazine? Or her appearance on Pat Robertson's *The 700 Club*? Kristin is a wonderful collection of contradictions -- but everyone who's ever met her remembers her as the little girl with the big voice. At four foot eleven, Kristin Chenoweth is an immense talent in a petite but powerful package. In this lively, laugh-out-loud book, Kristin shares her journey from Oklahoma beauty queen to Broadway leading lady, reflecting on how faith and family have kept her grounded in the

dysfunctional rodeo of show biz. The daughter of an engineer and a nurse, Kristin was singing in front of thousands at Baptist conventions by age twelve and winning beauty pageants by age twenty-two. (Well, actually she was second runner-up almost every freaking time. But, hey, she's not bitter.) On her way to a career as a professional opera singer, she stopped in New York to visit a friend and went on a whim to an audition. Through a combination of talent, hard work, and (she's quick to add) the grace of God, Kristin took Broadway by storm. But of course, into every storm, the occasional drizzle of disaster must fall. Filled with wit, wisdom, and backstage insight, *A Little Bit Wicked* is long on love and short on sleep; it's essential reading for Kristin's legions of fans and an uplifting story for anyone seeking motivation to follow his or her dreams -- over the rainbow and beyond.
