To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death."

Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth

phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Books 1-4. Volume 1 Ellie Ultra

The groundbreaking female pilot featured in the hit Broadway musical *Come from Away* tells her story in this high-flying and inspiring picture-book autobiography! When Beverley Bass was a young girl in the late 1950s, she told her parents she wanted to fly planes--and they told her that girls couldn't be pilots. Still, they encouraged her, and brought her to a nearby airport to watch the planes take off and land. After decades of refusing to take no for an answer, in 1986 Beverley became the first female pilot

promoted to captain by American Airlines and led the first all-female crewed flight shortly thereafter. Her revolutionary career became even more newsworthy when she was forced to land in the remote town of Gander, Newfoundland, on September 11, 2001, due to US airspace closures. After several days there, she flew her crew and passengers safely home. Beverley's incredible life is now immortalized in the hit Broadway musical *Come from Away*. Here, discover how she went from an ambitious young girl gazing up at the sky to a groundbreaking pilot smiling down from the cockpit. "Inspiring and up, up, and away all the way."--Kirkus "An inspiring biography about one woman's determination to forge a new path."--Booklist

A NEW YORK TIMES BESTSELLER An essential exploration of women's sexuality that will radically transform your sex life into one filled with confidence and joy. After all the books that have been written about sex, all the blogs and TV shows and radio Q&As, how can it be that we all still have so many questions? The frustrating reality is that we've been lied to — not deliberately, it's no one's fault, but still. We were told the wrong story. *Come as You Are* reveals the true story behind female sexuality, uncovering the little-known science of what makes us tick and, more importantly, how and why. Sex educator Dr Emily Nagoski debunks the common sexual myths that are making women

(and some men!) feel inadequate between the sheets. Underlying almost all of the questions we still have about sex is the common worry: 'Am I normal?' This book answers with a resounding Yes! We are all different, but we are all normal — and once we learn this, we can create for ourselves better sex and more profound pleasure than we ever thought possible. PRAISE FOR EMILY NAGOSKI 'As a literary work, Nagoski's book deserves plaudits for the rare achievement of merging pop science and the sexual self-help genre in prose that's not insufferably twee ... "You are normal!" doesn't sound much like a battlecry, but in a world keen to sexually homogenise women from the gap of their thighs to the shape of their mons pubis, the sentiment lands like a bomb.' The Guardian 'Come As You Are screams female empowerment loud and proud.' The Independent *Adventures in Peaseblossom Woods* Canongate Books Pee! Gee! Wee! Gee! What's that sound? To make matters worse, Jessica has snooped around the house and has found zero sign of a pig present. Could her birthday be any more of a disaster?

Geared to newly independent readers, this story will have Judy Moody fans in pig heaven. Capstone
