MAYO BALLARD

Caribbean 2011 Travel Publishing Ltd
Sports Tourism: participants, policy and providers is an unparalleled text that explains sports tourism as a social, economic and cultural phenomenon that stems from the unique interaction of activity, people and place. Unlike other texts, it seeks to present sports tourism as a unique area that produces its own unique issues, concerns and controversies. The text tackles these issues from three viewpoints: participants: examining the profiles, motivations and behaviour patterns of sports tourists to create a typology of participants policy: analyses the response by policy makers to this phenomenon and the problems of achieving integration between two sectors with historically different cultures providers: their motivations, aims, objectives and strategies Illustrated by international case studies in each chapter, and with four extended case study chapters, Sports Tourism: participants, policy and providers examines this area using real life experiences and concrete evidence.

outcomes - fully revised examples and case studies - extensive question practice to test knowledge and understanding - integrated readings to increase understanding of key theory - colour used throughout to aid navigation * The Official Learning systems are the only study materials endorsed by CIMA * Key sections written by former examiners for the most accurate, up-to-date guidance towards exam success * Complete integrated package incorporating syllabus guidance, full text, recommended articles, revision guides and extensive question practice
Hotel Housekeeping Routledge
Tourism has become a major international industry, with many countries all over the world relying on the income it produces. Its economic advantages as a major source of finance and employment leads to its active promotion by governments and other institutions, independent of the consequences on the environment, ecology and social structure of affected regions. Conference topics include the following; Tourism strategies; Tourism as a tool of development; Emergent strategies for tourism development; Environmental issues; Climate change and effects of natural hazards in tourism; Tourism and protected areas; Art, architecture and culture; Rural tourism; Modelling; Community involvement; Tourism and the built environment; Renovation of mature destinations; heritage tourism; medical tourism. Sustainable Tourism 2012 will adopt a multi-disciplinary approach and will aim specifically to foster greater understanding and collaboration between scientists and social science experts, practitioners and policy makers. It will take a broad view of this sophisticated and complex industry, and will examine the practice of sustainable tourism from global travel trends through to destination and site management. Innovative solutions, including those involving ecological tourism are particularly welcome, as well as cultural initiatives that will lead to better approaches to tourism with the objective of preserving the diversity of our planet.

Sport Diver The Countryman Press
Hotel Design, Planning and Development presents the most significant hotels

developed internationally in the last ten years so that you can be well-informed of recent trends. The book outlines essential planning and design considerations based on the latest data, supported by technical information and illustrations, including original plans, so you can really study what works. The authors provide analysis and theory to support each of the major trends they present, highlighting how the designer's work fits into the industry's development as a whole. Extensive case studies demonstrate how a successful new concept is developed. *Hotel Design, Planning and Development* gives you a thorough overview of this important and fast-growing sector of the hospitality industry.

Doing Business with Jordan Fodors Travel Publications

Sardinia, one of the great prizes of the Mediterranean, was fought over by the Phoenicians, Romans, Arabs, Spanish and Austrians before ending up as part of the unified Italy. It bears traces of all these cultures - plus thousands of prehistoric stone dwellings called nuraghi. These days it is equally popular with the jet set and with rock climbers, sailors, and wind-surfers. With so much going on, you need a detailed guide, and the Eyewitness Travel Guide provides everything you could wish for, from hotel and restaurant recommendations to detailed maps and tips on the best local cheeses. You'll find cutaways and floor-plans of all the major sights, walks, scenic routes and thematic tours. Whether you wish to explore the beautiful old quarter at Alghero or soak-up some sun on the fashionable beaches of Costa Smeralda, this updated and expanded edition is indispensable. Don't miss a thing on your vacation with the DK Eyewitness Travel guidebook to Sardinia. WSG

'Tourism and Hospitality in the 21st Century' is a collection of essays which consider the future of tourism and hospitality. The international team of contributors represent a wide range of interests involved in tourism and hospitality. Divided into three parts, this book analyses: · Global dimensions, patterns and trends -demographic, social, economic and technical · Regional

development of such areas as Africa, Asia, Europe and America, among others · The future of various sectors within the industries - such as transport, tourist attractions, coastal resorts and timesharing. 'Tourism and Hospitality in the 21st Century' is suitable for: senior personnel in private and public sector tourism and hospitality operations; international and national official tourism bodies and other organizations; universities and other higher education institutions; universities and other higher education institutions; consultancy; finance, construction and supply industries; and as a reference point for students.

Fodor's Dominican Republic Routledge

This book presents a comprehensive overview of the tourism market development in Central and Eastern European countries. It is divided into 13 chapters, including a chapter dedicated to Belarus, all richly illustrated with colorful maps and illustrations. The book presents the output of international conferences organized every two years by the Department of Regional Geography and Tourism of the University of Wroclaw which have served as inspiration for this book. Chapter 1 provides the characteristics of 20 post-communist countries of the region on the international tourism market and it sets the background and context for the following chapters.

Chapters 2 to 13 present the condition of research on tourism, tourist attractions, tourist infrastructure, tourism movement, main types of tourism as well as tourist regionalization in 12 Central and Eastern European countries. All chapters have been updated with reference to the statistics. This book is a revised and updated version of "The Geography of Tourism of Central and Eastern Europe Countries" published by the Department of Regional Geography and Tourism of Wroclaw University in 2012. It has been developed by a group of specialists through their exchange of research experience in the scope of international tourism in Central and Eastern Europe.
