Discover Sociology Interactive eBook John Wiley & Sons

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Seeing Sociology in your Everyday Life Macionis empowers students to understand the world around them through a sociological lens, so they can better understand sociology and their own lives. Sociology, 14th edition is written to help students find and use sociology in everyday life. With a complete theoretical framework and a global perspective, Sociology offers students an accessible and relevant introduction to sociology. The new edition continues to grow to meet readers' changing needs. With a newly integrated pedagogical framework, readers are guided through both the text - and optional new MySocLab - to build their critical thinking skills while learning the fundamentals of sociology. Teaching & Learning Experience The teaching and learning experience with this program helps to: Personalize Learning - The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking - Six new learning objectives per chapter help readers build critical thinking and study skills. Engage Students - New design, everyday life and pop culture examples make sociology relevant for students today. Explore Theory - Three main theoretical perspectives are discussed in every chapter. Understand Diversity - Contemporary research informed by expert reviewers and cutting edge data sources reflect a broad range of race / class / gender. Support Instructors - Author written activities and assessment in MySocLab, the test bank and instructor's manual help provide support for instructors. Note: MySocLab does not come automatically packaged with this text. To purchase MySocLab, please visit: www.mysoclab.com or you can purchase a ValuePack of the text + MySocLab (at no additional cost): ValuePack ISBN-10: 0205252303 / ValuePack ISBN-13: 9780205252305. Package contains: 020511671X / 9780205116713 Sociology 0205206530 / 9780205206537 NEW MySocLab with Pearson eText -- Valuepack Access Card

Introduction to Sociological Theory John Wiley & Sons

Now in its eighth edition, this continues to be the indispensable guide to understanding the world we make and the lives we lead. Revised and updated throughout, it remains unrivalled in its vibrant, engaging and authoritative introduction to sociology. The authors provide a commanding overview of recent global developments and new ideas in sociology. Classic debates are also given careful coverage, with even the most complex ideas explained in an engaging way. Written in a fluent, easy-to-follow style, the book manages to be intellectually rigorous but still very accessible. With a strong focus on interactive pedagogy, it aims to engage and excite readers, helping them to see the enduring value of thinking sociologically. The eighth edition includes: a solid foundation in the basics of sociology: its purpose, methodology and theories; up-to-the-minute overviews of key topics in social life, from gender, personal life and poverty, to globalization, the media and politics; stimulating examples of what sociology has to say about key issues in our contemporary world, such as growing inequality, climate change and the rise of terrorism; a strong focus on global sociology and the ways that digital technologies are radically transforming our world; quality pedagogical features, such as Classic Studies and Global Society boxes, and Thinking Critically reflection points, as well as end-of-chapter activities inviting readers to engage with popular culture and original research articles to gather sociological insights. The eighth edition sets the standard for introductory sociology. Complete with extensive supporting resources at www.politybooks.com/giddens, it is the ideal teaching text for first-year university and college courses, and will help to inspire a new generation of sociologists.

Cultural Sociology John Wiley & Sons

The revised third edition of the text that combines classical and contemporary theories of sociological theory Thoroughly revised and updated, the third edition of an Introduction to Sociological Theory offers an in-depth introduction to classical and contemporary theories, and demonstrates their relevance to offer a clear understanding of a broad range of contemporary issues and topics. As with the previous editions, the text continues to combine carefully selected primary quotations from a broad range of theorists with extensive discussion and illustrative examples from a diverse range of countries, helpful timelines of important and thematically relevant events, biographical notes, contemporary topic boxes, analytical photos, and chapter glossaries. The text addresses topics such as the persistence of economic and social inequality, Brexit, post-truth society, same-sex marriage, digital surveillance and the on-demand gig economy. Written in an engaging style, Introduction to Sociological Theory offers a comprehensive introduction to the pluralistic breadth and wide-ranging applicability of sociological theory. This updated edition of the authoritative text: Contains both classical and contemporary theories in a single text Builds on excerpts from original theoretical writings with detailed discussion of the concepts and ideas under review Includes new examples of current empirical topics such as Brexit, Donald Trump's presidency, China's growing economic power, global warming, intersectionality, social media, and much more Offers additional resources including a website that contains multiple choice and essay questions, a thoroughly refreshed set of PowerPoint slides for each chapter with multimedia links to content illustrative of sociological processes, a list of complementary primary readings, a quotation bank, and other background materials Written for undergraduate courses in contemporary and classical sociological theory, the third edition of an Introduction to Sociological Theory continues to provide a comprehensive, in-depth, and empirically engaging, introduction to sociological theory.

Introduction to Sociology 2e John Wiley & Sons

What does it mean to grow up today as working-class young adults? How does the economic and

social instability left in the wake of neoliberalism shape their identities, their understandings of the American Dream, and their futures? Coming Up Short illuminates the transition to adulthood for working-class men and women. Moving away from easy labels such as the "Peter Pan generation," Jennifer Silva reveals the far bleaker picture of how the erosion of traditional markers of adulthood-marriage, a steady job, a house of one's own-has changed what it means to grow up as part of the post-industrial working class. Based on one hundred interviews with working-class people in two towns-Lowell, Massachusetts, and Richmond, Virginia-Silva sheds light on their experience of heightened economic insecurity, deepening inequality, and uncertainty about marriage and family. Silva argues that, for these men and women, coming of age means coming to terms with the absence of choice. As possibilities and hope contract, moving into adulthood has been re-defined as a process of personal struggle-an adult is no longer someone with a small home and a reliable car, but someone who has faced and overcome personal demons to reconstruct a transformed self. Indeed, rather than turn to politics to restore the traditional working class, this generation builds meaning and dignity through the struggle to exorcise the demons of familial abuse, mental health problems, addiction, or betrayal in past relationships. This dramatic and largely unnoticed shift reduces becoming an adult to solitary suffering, self-blame, and an endless seeking for signs of progress. This powerfully written book focuses on those who are most vulnerable-young, working-class people, including African-Americans, women, and single parents-and reveals what, in very real terms, the demise of the social safety net means to their fragile hold on the American Dream. Bundle: Chambliss: Discover Sociology, 2e + Chambliss: Discover Sociology Interactive eBook, 2e SAGE

In 2012, The Library of Congress (Washington, D.C., U.S.A.) had the initiative of organizing an annual meeting which would disseminate the vision of library leaders on the importance of the book. The meeting would gather all the categories involved in the book industry: writers, publishers, editors, professors, librarians. The goal was to create a platform for discussions on how to promote the book as a crucial element for culture and education enhancement. The power of information and its dissemination was discussed within the first edition, while keeping the book as a central element in all debates. After this first edition, the Summit of the book was organized yearly in different locations throughout the world: Singapore (2013), France (2014), Egypt (2015) and Ireland (2016). The event had a powerful international impact and in 2017 the 6th summit was hosted in Brasov (Romania) at the "Transilvania" University. This volume is the collection of the most valuable contributions to the 6th Summit of the Book where experts presented their best practices and expertise in the history and technology of the book, knowledge support, and book dissemination.

Sociological Theory for Digital Society Jones & Bartlett Publishers

In highlighting the unique features of focus groups, Cyr explains how they can help social science researchers effectively answer certain research questions.

What is Historical Sociology? SAGE Publications

More than any other introductory psychology textbook, the Hockenburys' brief book presents the discipline with a unique understanding of today's students--emphasizing its relevance and immediate impact on their lives. Without sacrificing science, the authors draw on personal experiences and anecdotes to illustrate essential concepts and important research direction. TheFourth Editionincorporates hundreds of new research studies throughout, with particular attention to areas of intensive current research and enduring student interest, including neuroscience, lifespan development, memory, and gender and culture issues. Also new is the dramatically enhanced media and supplements package, offering more ways than ever to help students make the study of psychology a part of their world.

Experience Sociology Worth Publishers

Highly respected for its quality scholarship and its focused, straightforward approach, Sociology: The Core covers the core sociological concepts with a brief, accessible presentation and at a very affordable price. As in previous editions, the functionalist, conflict, and interactionist perspectives are applied throughout the book, allowing students to develop a solid understanding of the major sociological perspectives and their applications to the topics covered. Completely updated, Sociology: The Core makes sociology come alive as a vital and exciting field, relates principles to real-world circumstances, and attunes students to the dynamic processes of our rapidly changing contemporary society.

Discover Sociology SAGE Publications

"No doubt about it, marketing is really changing. Marketing today is: Very strategic-customer-centricity is now a core organizational value. Practiced virtually, digitally, and socially to a greater degree than ever before imagined. Enabled and informed by analytics and new technologies. Accountable to top management through diligent attention to metrics and measurement. Oriented toward service as driver of product. "Owned" by everybody in the firm to one degree or another"--
[Learn Sociology](#) Pearson

"The new gold standard for sociology of gender courses. An instant best-seller and now the leading book for the course, Wade and Ferree's *Gender* is an accessible and inclusive introduction to sociological perspectives on gender. Drawing on memorable examples mined from history, pop culture, and current events, *Gender* deftly moves between theoretical concepts and applications to everyday life. Revised throughout to be more inclusive and intersectional, the Third Edition features expanded coverage of the nonbinary and trans experience and new discussions of the impact of Covid-19 on families and work"--

The Wiley-Blackwell Companion to Sociology SAGE Publications

Essentials of Sociology, adapted from George Ritzer's *Introduction to Sociology*, provides the same rock-solid foundation from one of sociology's best-known thinkers in a shorter and more streamlined format. With new co-author Wendy Wiedenhof Murphy, the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life: globalization, consumer culture, the internet, and the "McDonaldization" of society. New to this Edition New "Trending" boxes focus on influential books by sociologists that have become part of the public conversation about important issues. Replacing "Public Sociology" boxes, this feature demonstrates the diversity of sociology's practitioners, methods, and subject matter, featuring such authors as o Michelle Alexander (*The New Jim Crow*) o Elizabeth Armstrong and Laura Hamilton (*Paying for the Party*) o Matthew Desmond (*Evicted*) o Arlie Hochschild (*Strangers in Their Own Land*) o Eric Klinenberg (*Going Solo*) o C.J. Pascoe (*Dude, You're a Fag*) o Lori Peek and Alice Fothergill (*Children of Katrina*) o Allison Pugh (*The Tumbleweed Society*) Updated examples in the text and "Digital Living" boxes keep pace with changes in digital technology and online practices, including Uber, Bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change further segmentation of wealthy Americans as the "super rich" transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism

Discover Sociology Oxford University Press

Sociology Sage Publications, Incorporated

This book is designed to introduce doctoral and graduate students to the process of scientific research in the social sciences, business, education, public health, and related disciplines.

Mastering Sociology SAGE Publications

Demonstrates the power of the theoretical framework of analytical sociology in explaining a large array of social phenomena *Analytical Sociology: Actions and Networks* presents the most advanced theoretical discussion of analytical sociology, along with a unique set of examples on mechanism-based sociology. Leading scholars apply the theoretical principles of analytical sociology to understand how puzzling social and historical phenomena including crime, lynching, witch-hunts, tax behaviours, Web-based social movement and communication, restaurant reputation, job search and careers, social network homophily and instability, cooperation and trust are brought about by complex, multi-layered social mechanisms. The analyses presented in this book rely on a wide range of methods which include qualitative observations, advanced statistical techniques, complex network tools, refined simulation methods and creative experimental protocols. This book ultimately demonstrates that sociology, like any other science, is at its best when it dissects the mechanisms at work by means of rigorous model building and testing. *Analytical Sociology*: • Provides the most complete and up-to-date theoretical treatment of analytical sociology. • Looks at a wide range of complex social phenomena within a single and unitary theoretical framework. • Explores a variety of advanced methods to build and test theoretical models. • Examines how both computational modelling and experiments can be used to study the complex relation between norms, networks and social actions. • Brings together research from leading global experts in the field in order to present a unique set of examples on mechanism-based sociology. Advanced graduate students and researchers working in sociology, methodology of social sciences, statistics, social networks analysis and computer simulation will benefit from this book.

Marketing Management Cengage Learning

"How to rethink social theory in our digital times"--

Doing Research in the Real World SAGE Publications, Incorporated

Discover Sociology explores sociology as a discipline of curious minds, with the theoretical, conceptual, and empirical tools needed to understand, analyze, and even change the world. Organized around the four main themes of *The Sociological Imagination*, *Power and Inequality*, *Technological Transformations of Society*, and *Globalization*, every chapter in the book illuminates the social roots of diverse phenomena and institutions
