**Behind the Veil in Persia and Turkish
Arabia; an Account of an
Englishwoman's Eight Years'
Residence Amongst the Women of the
East. with Narratives Of** Good Press
Lydia Laube set off in search of adventure
to work as a nurse in Saudi Arabia. Soon
she found herself embroiled in a society

that did not allow women to drive, vote, or
speak to a man alone. As soon as she
stepped off the airplane, Lydia's passport
was confiscated and quickly she felt like a
prisoner, trapped in a country with no
means of escape. Wearing head-to-toe
coverings in stifling heat, and battling
against unfathomable bureaucracy, Lydia
maintained her sanity throughout her year
of service. This is the gripping account of
one woman's resolve to survive in the
hostile environment of a Saudi Arabian
hospital.

Princess Mango Media Inc.

A Saudi Arabian princess describes the

inequities for women in her country,
discussing arranged marriages for child
brides, the murder of female babies, and
her own life in the shadow of men

A Novel Corsair

Lydia Laube, an outspoken Australian
nurse, goes to work in Saudi Arabia, a
society that does not allow women to
drive, vote, or speak to a man alone.
Wearing head to toe coverings in stifling
heat, and fighting administrative apathy,
Lydia kept her sanity and got her passport
back. Her battle against the odds is
surprisingly hilarious and will entertain
readers for hours.

Behind the Kingdom's Veil Behind the Veil in Arabia Women in Oman

"Behind the Veil in Persia and Turkish Arabia" by M. E. Hume-Griffith, A. Hume-Griffith. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

What is Veiling? Edinburgh University Press

From the writing of her first book, *Beyond the Veil: Male-Female Dynamics in Modern Muslim Society* in 1975, Mernissi has sought to reclaim the ideological discourse on women and sexuality from the stranglehold of patriarchy. She critically examines the classical corpus of religious-juristic texts, including the Hadith, and reinterprets them from a feminist perspective. In her view, the Muslim ideal

of the silent, passive, obedient woman has nothing to do with the authentic message of Islam. Rather, it is a construction of the 'ulama', the male jurists-theologians who manipulated and distorted the religious texts in order to preserve the patriarchal system. Mernissi's work explores the relationship between sexual ideology, gender identity, sociopolitical organization, and the status of women in Islam; her special focus, however, is Moroccan society and culture. As a feminist, her work represents an attempt to undermine the ideological and political systems that silence and oppress Muslim women.

The Veil's Resurgence, from the Middle East to America University of Chicago Press

An unprecedented, sympathetic, and wide-ranging exploration of the mysterious world of Islamic women--the people behind the veils--is presented by female writers and Christian workers.

Male-female Dynamics in Modern Muslim Society Mango

A portrait of contemporary Saudi Arabia and, particularly, its royal family as seen through the eyes of an American physician who served as the chief medical officer of

the King Feisal Special Hospital in Riyadh
Refusing the Veil Shahzad Rizvi

In an environment of increasing conservatism, in a world where a woman's right to wear the headscarf has become a touchstone for issues of all sorts, and at a time when racial and religious profiling has become commonplace, it is our political and social

Behind the Veil of Vice Das Press

Witness the Mysterious World of Saudi Arabia Take a deep dive behind the veils and walls of one of the world's most secretive countries. Learn how religious extremism and oppression of women over the past forty years support a single goal-preserving the power of the House of Saud. Saudi Arabia plays a key world role yet few have first-hand knowledge of who lives, suffers, and wields power there. Now, Susanne Koelbl, award-winning military and foreign correspondent for the German news magazine *Der Spiegel*, unveils many secrets of this mysterious kingdom. As a journalist, for years Koelbl has traveled throughout the Middle East, and specifically Saudi Arabia, and recently lived in Riyadh during the most dramatic changes since the country's founding. She

has long cultivated relationships on every level of Saudi society and is equally at ease with ultra-conservative Wahhabi preachers, oppositionists, and women from all walks of life. In *Behind the Kingdom's Veil* : • Have breakfast with Royal Highnesses, meet Osama bin Laden's bomb-making trainer, enter palaces of secret service chiefs and diplomatic legends. • Listen to intimate conversations with women who feel like prisoners in their homes, contrasted with their newly offered freedoms. • Get to know journalist Jamal Khashoggi, murdered and brutally dismembered by order of the current regime. • View an in-depth portrait of Crown Prince Mohammed bin Salman (MBS), contrasting liberalization of Saudi society with ruthless oppression of dissenters. Chapter-by-chapter the black box that is Saudi Arabia opens. Become an eyewitness to the inner workings of the new as well as the traditional Saudi Arabia. Learn about the not-so-obvious facts of Saudi Arabia's history, politics and customs. Understand the intricate and often hidden power relations within the kingdom. If you have read books such as Karen Elliott House's

On Saudi Arabia or Robert Lacey's *Inside the Kingdom*, *Behind the Kingdom's Veil* should be your next read.

A Western Woman's Experience in Saudi Arabia Random House

"Jaw-dropping . . . Inspiring . . . A haunting and beautifully composed book . . . It blew my mind." --Lisa Taddeo, #1 New York Times bestselling author of *Three Women* A fearless exposé of the secrets and lies of women's intimate lives, by the bestselling author of *The Perfect Nanny*, *Adèle*, and *In the Country of Others* "All those in positions of authority--politicians, parents, teachers--maintain the same line: 'Do what you like, but do it in private.' " Leila Slimani was in her native Morocco promoting her novel *Adèle*, about a woman addicted to sex, when she began meeting women who confided the dark secrets of their sexual lives. In Morocco, adultery, abortion, homosexuality, prostitution, and sex outside of marriage are all punishable by law, and women have only two choices: They can be wives or virgins. *Sex and Lies* combines vivid, often harrowing testimonies with Slimani's passionate and intelligent commentary to make a galvanizing case for a sexual

revolution in the Arab world.

The Business and Culture of Sex in the Middle East Harpercollins

A probing study of the veil's recent return—from one of the world's foremost authorities on Muslim women—that reaches surprising conclusions about contemporary Islam's place in the West today In Cairo in the 1940s, Leila Ahmed was raised by a generation of women who never dressed in the veils and headscarves their mothers and grandmothers had worn. To them, these coverings seemed irrelevant to both modern life and Islamic piety. Today, however, the majority of Muslim women throughout the Islamic world again wear the veil. Why, Ahmed asks, did this change take root so swiftly, and what does this shift mean for women, Islam, and the West? When she began her study, Ahmed assumed that the veil's return indicated a backward step for Muslim women worldwide. What she discovered, however, in the stories of British colonial officials, young Muslim feminists, Arab nationalists, pious Islamic daughters, American Muslim immigrants, violent jihadists, and peaceful Islamic activists, confounded her

expectations. Ahmed observed that Islamism, with its commitments to activism in the service of the poor and in pursuit of social justice, is the strain of Islam most easily and naturally merging with western democracies' own tradition of activism in the cause of justice and social change. It is often Islamists, even more than secular Muslims, who are at the forefront of such contemporary activist struggles as civil rights and women's rights. Ahmed's surprising conclusions represent a near reversal of her thinking on this topic. Richly insightful, intricately drawn, and passionately argued, this absorbing story of the veil's resurgence, from Egypt through Saudi Arabia and into the West, suggests a dramatically new portrait of contemporary Islam.

Behind the Veil in Persia and Turkish Arabia Lennex

"In this stunningly written book, a Western trained Muslim doctor brings alive what it means for a woman to live in the Saudi Kingdom. I've rarely experienced so vividly the shunning and shaming, racism and anti-Semitism, but the surprise is how Dr. Ahmed also finds tenderness at the tattered edges of extremism, and a life-

changing pilgrimage back to her Muslim faith." - Gail Sheehy The decisions that change your life are often the most impulsive ones. Unexpectedly denied a visa to remain in the United States, Qanta Ahmed, a young British Muslim doctor, becomes an outcast in motion. On a whim, she accepts an exciting position in Saudi Arabia. This is not just a new job; this is a chance at adventure in an exotic land she thinks she understands, a place she hopes she will belong. What she discovers is vastly different. The Kingdom is a world apart, a land of unparalleled contrast. She finds rejection and scorn in the places she believed would most embrace her, but also humor, honesty, loyalty and love. And for Qanta, more than anything, it is a land of opportunity. A place where she discovers what it takes for one woman to recreate herself in the land of invisible women.

An Account of an Englishwoman's Eight Years Residence Amongst the Women of the East (Classic Reprint) William Morrow
The author examines the role of women in Oman culture
A True Story of Life Behind the Veil in Saudi Arabia Penguin

Most Western non-Muslim women couldn't envision surrendering their freedom and being forced to comply with Saudi women's entrapped customs which have existed for the past 1,400 years. Did you know that Saudi Arabia's religious police, known as the Mutawa, can take any woman to jail for not covering her hair or wearing an abaya? How would you imagine yourself living a life being compelled to abide by the power and values of men: not being able to drive, talk with your driver, shop alone without a male escort, leave the country without a male escort, or be seen alone with a non-related male? INFIDEL BEHIND THE PARADOXICAL VEIL - A Western Woman's Experience in Saudi Arabia is a personal story of startling encounters such as mentioned above while Jeanette English lived in Riyadh, the most restrictive city in Saudi Arabia, where women who by Shariah law and culture are considered to be the weaker sex. Jeanette candidly unmask a unique experience which exposes the enigmatic issues affecting Saudi women. Their struggle for equality and freedom of choice is a hot topic with an accelerating interest in the subject of

male dominance over them, stirring an intrinsic controversy over which many Westerners are confused. This is a timely book offering extraordinary insight into the real Saudi woman before, during and after the author's year in Riyadh which will turn a few cynical heads toward understanding the issues and challenges in their achieving fair treatment, particularly now in the 21st century. Forced to wear the hijab, Jeanette read the Quran and, in learning about Islam and talking with Saudi women, was able to look behind the veil which many Westerners can only read about. Most authors and journalists who write on this subject have not lived her experience.

A True Story of Life Behind the Veil in Saudi Arabia St. Martin's Press

A harrowing account of the last three months of Benazir Bhutto's life October, 2007. Pakistan's former Prime Minister Benazir Bhutto returns home after eight years of exile to seek political office once more. Assigned to cover her controversial arrival is TV journalist Ali Sikandar, the estranged son of a wealthy landowner from the interior region of Sindh. While her presence ignites fierce protests and

assassination attempts, Ali finds himself irrevocably drawn to the pro-democracy People's Resistance Movement, a secret that sweeps him into the many contradictions of a country still struggling to embrace modernity. As Shah weaves together the centuries-old history of Ali's feudal family and its connection to the Bhuttos, she brilliantly reveals a story at the crossroads of the personal and the political, a chronicle of one man's desire to overcome extremity to find love, forgiveness, and even identity itself.

Princess Sultana's Circle Indiana University Press

Presents the lives and accomplishments of individual Muslim women living in the United States, discussing their roles as mothers, social workers, business executives, doctors, teachers, and human rights advocates.

A Season for Martyrs Random House

Princess More Tears to Cry Forgotten Books

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Princess: A True Story of Life Behind the Veil in Saudi Arabia." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it

all.
