SIMPSON MELISSA	

Church History, Volume Two: From Pre-Reformation to the Present Day Yale University Press
Evangelicalism's premier historian provides a general introduction to church history organized around 13 key moments in the history of Christianity. Church History in Plain Language, Fifth Edition Zondervan Academic
Church History, Volume One offers a unique contextual view of how the Christian church spread and grew from its development in the days of Jesus to the years leading up to the Reformation. Looking closely at the integral link between the history of the world and that of the church, Church History paints a portrait of God's people within its setting of times, cultures, and events that both influenced and were influenced by the church. FEATURES: Maps, charts, and illustrations spanning the time from the first through the thirteenth centuries. Overviews of the Roman, Greek, and Jewish worlds and how they developed or declined. Insights into the church's relationship to the Roman Empire, with glimpses into pagan attitudes toward Christians. Explanations of the role of art, architecture, literature, and philosophy—both sacred and secular—in the Church. Details on the major theological controversies of the periods. Each chapter also contains callout passages from Scripture to assist in understanding the narrative of the Church, even to the present day, as part of the greater narrative of the Bible. AUTHOR'S PERSPECTIVE: Scholar and writer Everett Ferguson wrote this history of the church from the perspective that such a history is the story of the greatest movement and community the world has known. It's a human story of a divinely called people who wanted to live by a divine revelation. It's a story of how they succeeded and how they failed or fell short of their calling. From the Apostle Paul to the apologists and martyrs of the second century to Martin Luther, the historical figures detailed are people who have struggled with the meaning of the greatest event in history—the coming of the Son of God—and with their role in that event and in the lives of God's people. Church History New Paradigm Pub.
Church History in Plain Language makes church history clear, memorable, and accessible to every reader. Dr. Bruce Shelley makes church history come alive in this classic book that has become not only the first choice of many laypeople and church leaders but the standard text in many college classrooms. Church History in Plain Language treats history as the story of people—their motivations, the issues they grapple with, the decisions they make—and the result is that history reads like a story, almost as dramatic and moving as a novel. This fourth edition, revised by R.L. Hatchett, brings the story of Christianity into the twenty-first century, with detailed information on: Theology of the early church and Reformation Gnosticism and its ongoing relevance The rapid global extension and transformation of Christianity since 1900 The decline in traditional mainline denominations The influence of technology on the spread of the gospel How Christianity intersects with other religions in countries all over the world Church History in Plain Language makes history easy to follow and retain by dividing the Christian story into the great ages of the church. Its clarity, organization, and historical accuracy are part of what make this book a go-to resource for today's readers. *Christian History Time Line* Inter-Varsity Press
Given that we are in a new era in the World Christian Movement, when Christianity is practically no longer associated with any powerful nation, we can benefit from a survey of all major methods of Christian missions used in the past twenty centuries to see what works best in our time. The best template for current missions is the first three centuries of the spread of our faith. **Charts of Reformation and Enlightenment Church History** Reformation Trust Publishing
Is 'newer' really 'better'? We often assume so, but if we do treat the past as inferior we will ignore the legacy of history, and thus will find ourselves stranded on the tiny desert island of our own moment in time. In particular, this applies to Christian theology, which should be thought, and lived, corporately by the church down through the ages. The remedy to 'chronological snobbery' is, as C. S. Lewis put it, 'to keep the clean sea breeze of the centuries blowing through our minds'. Such is the motivation behind Michael Reeves' introduction to a selection of influential or significant Christian theologians. This accessible and informative volume covers the Apostolic Fathers, Justin Martyr and Irenaeus, Athanasius, Augustine, Anselm and Aquinas. Each chapter begins with a brief biography and some background, then surveys each theologian's major work or works, gives a timeline for historical context, and ends with guidance for further reading. **History of the Church** Rose Publishing Inc
Why is justice fair? Why are so many people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today. Like C. S. Lewis did in his classic Mere Christianity, Wright makes the case for Christian faith from the ground up, assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular. His goal is to describe Christianity in as simple and accessible, yet hopefully attractive and exciting, a way as possible, both to say to outsiders ÔYou might want to look at this further,Õ and to say to insiders ÔYou may not have quite understood this bit clearly yet.Õ 5 Minutes in Church History HarperCollins
Christianity's roots, distinctiveness, and cultural implicationsare highlighted in this multi-dimensional resource, providing anintroductory

understanding of the richness of the faith andchurch. **A Brief Walk Through Christian History** Wipf and Stock Publishers
Here is a unique history of the Catholic Church given in summary form that shows how in every epoch the Church has given incontestable proofs of its divine origin. [back cover]. Church History in Plain Language Wipf and Stock Publishers
Includes bibliographical references (pages 305-311) and index. The Christian Tradition Zondervan Academic
E. H. Gombrich's bestselling history of the world for young readers tells the story of mankind from the Stone Age to the atomic bomb, focusing not on small detail but on the sweep of human experience, the extent of human achievement, and the depth of its frailty. The product of a generous and humane sensibility, this timeless account makes intelligible the full span of human history. In forty concise chapters, Gombrich tells the story of man from the stone age to the atomic bomb. In between emerges a colorful picture of wars and conquests, grand works of art, and the spread and limitations of science. This is a text dominated not by dates and facts, but by the sweep of mankind's experience across the centuries, a guide to humanity's achievements and an acute witness to its frailties. Simply Christian Tyndale House Publishers
In this concise, accessible guide, author Christopher Catherwood takes his readers through the history of the faith, educating them about the uniqueness of Christianity from its birth to the diverse, global Evangelical Church we know today. Church History is the perfect place to start for anyone who wants to know where to begin this quest for knowledge. Enjoy discovering more about the lives of men and women from various times and places, not only to better understand the church, but also to know how to live wisely in this age. These are some of the many reasons why history is so important. From those who desire to learn more about their fellow followers of Jesus Christ throughout history to those who want to learn more about church for themselves, this book will test you to dig deeper in your faith. **Why Church History Matters** Zondervan Academic
God always intended to have a people to love: a church Jesus said nothing could destroy (Matthew 16:18). Simonetta shows how God has kept this promise for two thousand years. *Church History for Young Readers* 2,000 Years
Over 330,000 copies sold. This is the story of the church for today's readers. Bruce Shelley's classic history of the church brings the story of global Christianity into the twenty-first century. Like a skilled screenwriter, Shelley begins each chapter with three elements: characters, setting, plot. Taking readers from the early centuries of the church up through the modern era he tells his readers a story of actual people, in a particular situation, taking action or being acted upon, provides a window into the circumstances and historical context, and from there develops the story of a major period or theme of Christian history. Covering recent events, this book also: Details the rapid growth of evangelical and Pentecostal Christianity in the southern hemisphere Addresses the decline in traditional mainline denominations Examines the influence of technology on the spread of the gospel Discusses how Christianity intersects with other religions in countries all over the world For this fifth edition, Marshall Shelley brought together a team of historians, historical theologians, and editors to revise and update this father's classic text. The new edition adds important stories of the development of Christianity in Asia, India, and Africa, both in the early church as well as in the twentieth and twenty-first centuries. It also highlights the stories of women and non-Europeans who significantly influenced the development of Christianity but whose contributions are often overlooked in previous overviews of church history. This concise book provides an easy-to-read guide to church history with intellectual substance. The new edition of Church History in Plain Language promises to set a new standard for readable church history. *The Things They Carried* Zondervan Publishing Company
Freshly updated for this second edition with considerable new material, this authoritative introduction to the history of Christian theology covers its development from the beginnings of the Patristic period just decades after Jesus's ministry, through to contemporary theological trends. A substantially updated new edition of this popular textbook exploring the entire history of Christian thought, written by the bestselling author and internationally-renowned theologian Features additional coverage of orthodox theology, the Holy Spirit, and medieval mysticism, alongside new sections on liberation, feminist, and Latino theologies, and on the global spread of Christianity Accessibly structured into four sections covering the Patristic period, the Middle Ages and Renaissance, the reformation and post-reformation eras, and the modern period spanning 1750 to the present day, addressing the key issues and people in each Includes case studies and primary readings at the end of each section, alongside comprehensive glossaries of key theologians, developments, and terminology Supported by additional resources available on publication at www.wiley.com/go/mcgrath **Our Reasonable Faith** Crossway
One of the chief difficulties in studying the history of Christianity is the lack of prior exposure to the subject that students often bring with them. Struggling to keep up with the large numbers of names, dates, and places presented to them, it is easy for students to lose sight of the "big picture," the broad sweep of movement and change that instructors most wish to communicate. Justo Gonzalez has written this book to help students gain just such a quick and basic grasp of the main periods and issues in the history of Christianity. Drawing upon his own extensive experience and that of

others, he contends that having been introduced to the essentials of church history in a brief and accessible form, students are far better able to understand and appreciate what they encounter in more detailed lectures and reading. Gonzalez provides a comprehensive opening chapter that summarizes major issues and concerns of each of the principal eras of church history. Subsequent chapters focus on the ancient church, the Christian empire, the Middle Ages, the Reformation, the seventeenth through nineteenth centuries, and the twentieth century and the end of modernity.

Church History in Plain Language InterVarsity Press

This workbook is designed to accompany the fifth edition of Bruce Shelley's Church History in Plain Language. Following the textbook's structure, this workbook offers discussion questions for group and personal reflection, assessments, activities, and resources for further study, all of which reinforce the textbook's teaching and support the students' learning experience. The newest edition of Bruce Shelley's Church History in Plain Language brings the story of global Christianity into the twenty-first century. In this fifth edition, Marshall Shelley assembled a team of historians, historical theologians, and editors to revise and update his father's classic text. As a result, it now includes important stories of the development of Christianity in Asia, India, and Africa, both in the early church as well as in the twentieth and twenty-first centuries. It also highlights the stories of women and non-Europeans who significantly influenced the development of Christianity but whose contributions are often overlooked in overviews of church history. Covering recent events, this book also: Details the rapid growth of Christianity in the southern hemisphere Examines the influence of technology on the spread of the gospel Discusses how Christianity intersects with other religions in countries all over the world Together with this workbook companion, the new edition of Church History in Plain Language provides an easy-to-read guide to global Christianity and promises to set a new standard for readable church history.

Church History The Founding Fathers Explore the foundations of the world we live in today

Ecclesiastical History John Wiley & Sons

Church History, Volume Two chronicles the events, the triumphs, and the struggles of the Christian movement from the years leading up to the Reformation through the next five centuries to the present-day. Looking closely at the integral link between the history of the world and that of the church, Church History paints a portrait of God's people within the context of the times, cultures, and developments that both influenced and were influenced by the church. FEATURES: Maps, charts, and illustrations spanning the time from the thirteenth century to today. Explanations of all the major denominational movements, traditions, and schisms during and after the Reformation. Overviews of the Christian movement in Africa, eastern Europe, Asia, and Latin America to cover the scope of the ecumenical environment of the twenty-first century. Insights into the role and influence of politics, culture and societal norms, and technology on the Western church. Unbiased details on the major theological controversies and issues of each period. AUTHORS' PERSPECTIVE: Authors John D. Woodbridge and Frank A. James III wrote this history of the church from the perspective that such a history is the story of the greatest movement and community the world has known—as imperfect as it still is. It's a human story of a divinely called people who want to live by a divine revelation. It's a story of how they succeeded and how they failed and of how they are still trying to live out their calling. From the Reformation theologians in Europe to the revivalists, apologists, and Christian thinkers all over the world, the historical figures detailed are people who have struggled with the meaning of the greatest event in history—the coming of the Son of God—and with their role in that event and in the lives of God's people.
