The Politician Independently Published

A New York Times bestseller! "Beautifully crafted and fun to read." —Louis Galambos, The Wall Street Journal "Nasaw's research is extraordinary." —San Francisco Chronicle "Make no mistake: David Nasaw has produced the most thorough, accurate and authoritative biography of Carnegie to date." —Salon.com The definitive account of the life of Andrew Carnegie Celebrated historian David Nasaw, whom The New York Times Book Review has called "a meticulous researcher and a cool analyst," brings new life to the story of one of America's most famous and successful businessmen and philanthropists—in what will prove to be the biography of the season. Born of modest origins in Scotland in 1835, Andrew Carnegie is best known as the founder of Carnegie Steel. His rags to riches story has never been told as dramatically and vividly as in Nasaw's new biography. Carnegie, the son of an impoverished linen weaver, moved to Pittsburgh at the age of thirteen. The embodiment of the American dream, he pulled himself up from bobbin boy in a cotton factory to become the richest man in the world. He spent the rest of his life giving away the fortune he had accumulated and crusading for international peace. For all that he accomplished and came to represent to the American public—a wildly successful businessman and capitalist, a self-educated writer, peace activist, philanthropist, man of letters, lover of culture, and unabashed enthusiast for American democracy and capitalism—Carnegie has remained, to this day, an enigma. Nasaw explains how Carnegie made his early fortune and what prompted him to give it all away, how he was drawn into the campaign first against American involvement in the Spanish-American War and then for international peace, and how he used his friendships with presidents and prime ministers to try to pull the world back from the brink of disaster. With a trove of new material—unpublished chapters of Carnegie's Autobiography; personal letters between Carnegie and his future wife, Louise, and other family members; his prenuptial agreement; diaries of family and close friends; his applications for citizenship; his extensive correspondence with Henry Clay Frick; and dozens of private letters to and from presidents Grant, Cleveland, McKinley, Roosevelt, and British prime ministers Gladstone and Balfour, as well as friends Herbert Spencer, Matthew Arnold, and Mark Twain—Nasaw brilliantly plumbs the core of this fascinating and complex man, deftly placing his life in cultural and political context as only a master storyteller can.

Carnegie's commitment to ensuring and promoting the welfare of his fellow human beings through philanthropic deeds ranged from donations to universities and museums to establishing more than 2,500 public libraries in the English-speaking world, and he gave away more than \$350 million toward those efforts during his lifetime. The Best of Enough Rope Penguin

It all started because of a rifle. The Rifle is an inspirational story and hero's journey of a 28-year-old U.S. Marine, Andrew Biggio, who returned home from combat in Afghanistan and Iraq, full of questions about the price of war. He found answers from those who survived the costliest war of all - WWII veterans. It began when Biggio bought a 1945 M1 Garand Rifle, the most common rifle used

in WWII, to honor his great uncle, a U.S. Army soldier who died on the hills of the Italian countryside. When Biggio showed the gun to his neighbor, WWII veteran Corporal Joseph Drago, it unlocked memories Drago had kept unspoken for 50 years. On the spur of the moment, Biggio asked Drago to sign the rifle. Thus began this Marine's mission to find as many WWII veterans as he could, get their signatures on the rifle, and document their stories. For two years, Biggio traveled across the country to interview America's last-living WWII veterans. Each time he put the M1 Garand Rifle in their hands, their eyes lit up with memories triggered by holding the weapon that had been with them every step of the war. With each visit and every story told to Biggio, the veterans signed their names to the rifle. 96 signatures now cover that rifle, each a reminder of the price of war and the courage of our soldiers.

From the star of Broadway's The Book of Mormon and Tony-nominated *Gutenberg! The Musical!*, the heartfelt and hilarious coming-of-age memoir of a Midwestern boy surviving bad auditions, bad relationships, and some really bad highlights as he chases his dreams in New York City—now with a new afterword “Candid, funny, crisp . . . honest and tender about lessons of the heart.”—Vogue ONE OF NPR'S BEST BOOKS OF THE YEAR When Andrew Rannells left Nebraska for New York City in 1997, he, like many young hopefuls, saw the city as a chance to break free. To start over. To transform the fiercely ambitious but sexually confused teenager he saw in the mirror into the Broadway leading man of his dreams. In *Too Much Is Not Enough*, Rannells takes us on the journey of a twentysomething hungry to experience everything New York has to offer: new friends, wild nights, great art, standing ovations. At the heart of his hunger lies a powerful drive to reconcile the boy he was when he left Omaha with the man he desperately wants to be. As Rannells fumbles his way towards the Great White Way, he also shares the drama of failed auditions and behind-the-curtain romances, the heartbreak of losing his father at the height of his struggle, and the exhilaration of making his Broadway debut in *Hairspray* at the age of twenty-six. Along the way, he learns that you never really leave your past—or your family—behind; that the most painful, and perversely motivating, jobs are the ones you almost get; and that sometimes the most memorable nights with friends are marked not by the trendy club you danced at but by the recap over diner food afterward. Honest and filled with charm, *Too Much Is Not Enough* is an unforgettable look at love, loss, and the powerful forces that determine who we become.
