Holiday Projects, Everyday Activities, and Travel Ideas with Jewish Themes Mel Bay Publications

A global history of Jewish music from the biblical era to the present day, with chapters by leading international scholars.

[Jewish Population and Identity](#) Routledge

Ethnomusicology: A Research and Information Guide is an annotated bibliography of books, recordings, videos, and websites in the field of ethnomusicology. The book is divided into two parts; Part One is organized by resource type in categories of greatest concern to students and scholars. This includes handbooks and guides; encyclopedias and dictionaries; indexes and bibliographies; journals; media sources; and archives. It also offers annotated entries on the basic literature of ethnomusicological history and research. Part Two provides a list of current publications in the field that are widely used by ethnomusicologists. Multiply indexed, this book serves as an excellent tool for librarians, researchers, and scholars in sorting through the massive amount of new material that has appeared in the field over the past decades.

Classic CD. Hal Leonard Corporation

The Classical Tradition Springer

Klezmer is the first comprehensive study of the musical structure and social history of klezmer music - the music of the Jewish musicians' guild of Eastern Europe. Emerging in 16th century Prague, the klezmer became a central cultural feature of the largest transnational Jewish community of modern times - the Ashkenazim of Eastern Europe-until the decades following World War I. Author Walter

Zev Feldman treats the major sources in relevant languages - principally Russian, Yiddish, Hebrew, and Romanian - from the 16th to the 20th centuries, including interviews with authoritative European-born klezmerim, conducted over a period of more than thirty years in America, Eastern Europe and Israel. Including musical analysis, the book draws upon the foundational collections of the late Tsarist and early Soviet periods, plus rare cantorial and klezmer manuscripts from the late 18th to the early 20th centuries. Klezmer reveals the artistic transformations of the liturgy of the Ashkenazic synagogue in klezmer wedding melodies, and presents the most extended study available in any language of the relationship of Jewish dance to the rich and varied klezmer music of Eastern Europe. The complex of speech, dance, and musical gesture is deeply rooted in Jewish expressive culture, and reached its highest development in Eastern Europe. Much of the musical and choreographic history of the Ashkenazim is embedded in the klezmer repertoire, which functioned as a kind of non-verbal communal memory.

Columbia University Press

One of the truly great things about the accordion is its extreme versatility. Other instruments envy its ability to transform from an intimate solo performer to the mightiest of orchestras contained in one player. The accordion can be as delicate as a single violin, and switch instantly into a full symphonic section of strings, brass and winds. Contained in this collection is a wonderful variety of classical favorites (as well as some original compositions specifically for the accordion) that showcase everything the accordion can do. You'll find operatic melodies, tunes you once played at the piano, art songs, and dazzling themes from well-known concertos. The book contains music written over the course of three centuries, from Rossini to Dahl. The Classical Tradition is destined to become a necessary addition to every accordionist's library!

American Jewish Year Book 2012 Hal Leonard Publishing Corporation

MUSIC OF THE PEOPLES OF THE WORLD, THIRD EDITION, takes a survey approach to world music, covering 11 music cultures. This text focuses on how to listen to and appreciate the music of different cultures, appropriate for students who are not music majors. The text also explores geography and history, allowing students to connect the music to its social context. Listening skills are developed through spotlights on non-Western instruments, and 30 listening guides track the audio step by step, pointing listeners to important characteristics of the piece. Many full-color photos

and graphics of instruments, musicians, and cultural events help students understand the context of music in countries with which they may be unfamiliar. The listening guides, an available 2-CD set (with full selections that help students hear significant differences among the music cultures), and Active Listening Tools (allowing students to view instruments and cultural settings while they listen to musical excerpts) further enhance listening and understanding. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A riveting study of a generational transition with major implications for American Jewish life

The History, the Music, the Folklore Routledge

A hilarious compendium of traditional wisdom, recipes, and lore from the authors of the bestselling *Yiddish with Dick and Jane*. Modern Jews have forgotten cherished traditions and become, sadly, all-too assimilated. It's enough to make you meshugeneh. Today's Jews need to relearn the old ways so that cultural identity means something other than laughing knowingly at *Curb Your Enthusiasm*- and *The Big Jewish Book for Jews* is here to help. This wise and wise-cracking fully-illustrated book offers invaluable instruction on everything from how to sacrifice a lamb unto the lord to the rules of Mahjong. Jews of all ages and backgrounds will welcome the opportunity to be the Jewiest Jew of all, and reconnect to ancestors going all the way back to Moses and a time when God was the only GPS a Jew needed.

An Ethnography of the Jewish Music Revival in Poland and Germany Oxford University Press

This book discusses the relationship between Greek Orthodox ecclesiastical music and laiko (popular) song in Greece. Laiko music was long considered a lesser form of music in Greece, with rural folk music considered serious enough to carry the weight of the ideologies founded within the establishment of the contemporary Greek state. During the 1940s and 1950s, a selective exoneration of urban popular music took place, one of its most popular cases being the originating relationships between two extremely popular musical pieces: Vasilis Tsitsanis's *Συννεφιασμενι Κυριακι* (Cloudy Sunday) and its descent from the hymn *Τι Υπερμαχο* (The Akathist Hymn). During this period the connection of these two pieces was forged in the Modern Greek conscience, led by certain key figures in the authority system of the scholarly world. Through analysis of these pieces and the surrounding contexts, Ordoulidis explores the changing role and perception of popular music in Greece.

Pop Standards for Accordion Wayne State University Press

Coined in 1992 by composer/saxophonist John Zorn, "Radical Jewish Culture," or RJC, became the banner under which many artists in Zorn's circle performed, produced, and circulated their music. New York's downtown music scene, part of the once-grungy Lower East Side, has long been the site of cultural innovation. It is within this environment that Zorn and his circle sought to combine, as a form of social and cultural critique, the unconventional, uncategorizable nature of downtown music with sounds that were recognizably Jewish. Out of this movement arose bands, like *Hasidic New Wave* and *Hanukkah Bush*, whose eclectic styles encompassed neo-klezmer, hardcore and acid rock, neo-Yiddish cabaret, free verse, free jazz, and electronica. Though relatively fleeting in rock history, the "RJC moment" produced a six-year burst of conversations, writing, and music—including

festivals, international concerts, and nearly two hundred new recordings. During a decade of research, Tamar Barzel became a frequent visitor at clubs, post-club hangouts, musicians' dining rooms, coffee shops, and archives. Her book describes the way RJC forged a new vision of Jewish identity in the contemporary world, one that sought to restore the bond between past and present, to interrogate the limits of racial and gender categories, and to display the tensions between secularism and observance, traditional values and contemporary concerns.

Jewish Traditions for Classical and Fingerstyle Guitar Balassi Institute

Presents illustrated versions of Jewish nursery rhymes, lullabies, and song texts presented in the original languages along with a Romanized transliteration where another script is used, and an English translation.

Judaica Sound Recordings in the Harvard College Library: Author Airs klezmers et sépharades pour l'accordéon

Another great addition to the Avrahm Galper Clarinet Series, here Avrahm presents 42 fantastic Klezmer tunes to add to your repertoire. All arranged for clarinet and B-Flat instruments in easy to read notation, all on single pages to avoid awkward page turns. Intermediate in difficulty.

Twenty Israeli Composers Cengage Learning

For families wanting to put a new spin on activities for Jewish holidays, holy days, and even the everyday, this complete sourcebook contains more than eighty-five activities to reinvigorate age-old Jewish customs and make them fun for the whole family, taking the Jewish family experience to a new educational and entertaining level. Original.

Disney Favorites for Accordion Hal Leonard

Twenty of Israel's leading art-music composers discuss the interaction of inspiration, method and cultural context in their work, revealing both international and national influence and scope.

An Annotated Bibliography of Sources in German Indiana University Press

The 2012 American Jewish Year Book, "The Annual Record of American Jewish Civilization," contains major chapters on Jewish secularism (Barry Kosmin and Ariela Keysar), Canadian Jewry (Morton Weinfeld, David Koffman, and Randal Schnoor), national affairs (Ethan Felson), Jewish communal affairs (Lawrence Grossman), Jewish population in the United States (Ira Sheskin and Arnold Dashefsky), and World Jewish population (Sergio DellaPergola). These chapters provide insight into major trends in the North American and world Jewish community. The volume also acts as a resource for the American Jewish community and for academics studying that community by supplying obituaries and lists of Jewish Federations, Jewish Community Centers, national Jewish organizations, Jewish overnight camps, Jewish museums, Holocaust museums, local and national Jewish periodicals, Jewish honorees, major recent events in the American Jewish community, and academic journals, articles, websites, and books. The volume should prove useful to social scientists and historians of the American Jewish community, Jewish communal workers, the press, and others interested in American and Canadian Jews.

Billboard Macmillan

In *Sacred Song in America*, Stephen A. Marini explores the full range of American sacred music and demonstrates how the meanings and functions of this musical expression can contribute to a greater understanding of religious culture. Marini examines the role of sacred song across the United States,

from the musical traditions of Native Americans and the Hispanic peoples of the Southwest, to the Sacred Harp singers of the rural South and the Jewish music revival to the music of the Mormon, Catholic, and Black churches. Including chapters on New Age and Neo-Pagan music, gospel music, and hymnals as well as interviews with iconic composers of religious music, *Sacred Song in America* pursues a historical, musicological, and theoretical inquiry into the complex roles of ritual music in the public religious culture of contemporary America.

Sacred Song in America Hal Leonard

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
