South Asian

Pornographies is the first consolidated volume that explores the relationships between pornography, obscenity, law and desire in South Asia. Focusing on case studies from India, Sri Lanka and Bangladesh while gesturing towards other countries in South Asia, the authors of this volume come from fields as varied as history, literature, media and communication, and the visual arts. The book proposes that as a geo-political location, South Asia has a unique relationship to

pornography, given the multiplicity of cultural and legal-censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms, finding reflection in various modes of popular (and sometimes underground) culture, bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural (identities rather than identity), this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of

Communication Studies, Cultural Studies, Film Studies, History, Sociology, and Social and Cultural Anthropology. The chapters in this book were originally published in the journal *Porn Studies*.

Bharatvarsha Katha Enter the cutthroat world of professional education, where brilliant students with promising futures become their own worst enemies. In the hallowed halls of prestigious colleges, a deadly cocktail of ambition, freedom, and destructive habits takes hold. They start as bright stars but end up tarnished by their own choices. This gripping tale unveils the harrowing journey of once-promising

minds, now trapped in a downward spiral of self-sabotage, leaving us to wonder: Who will employ these diamonds in the rough after their tumultuous college years?

Pushing Gods Out

Simon and Schuster
A classic ghost story with twists and turns: a spooky house, a malevolent spirit and two plucky heroines. In 1960s Toronto, two girls retreat to their attics to escape the loneliness and isolation of their lives. Polly lives in a house bursting at the seams with people, while Rose is often left alone by her busy parents. Polly is a down-to-earth dreamer with a wild imagination and an obsession with ghosts; Rose is a quiet, ethereal waif with a sharp tongue. Despite their differences, both

girls spend their days feeling invisible and seek solace in books and the cozy confines of their respective attics. But soon they discover they aren't alone--they're actually neighbors, sharing a wall. They develop an unlikely friendship, and Polly is ecstatic to learn that Rose can actually see and talk to ghosts. Maybe she will finally see one too! But is there more to Rose than it seems? Why does no one ever talk to her? And why does she look so ... ghostly? When the girls find a tombstone with Rose's name on it in the cemetery and encounter an angry spirit in her house who seems intent on hurting Polly, they have to unravel the mystery of Rose and her strange family...

before it's too late.

A police sharpshooter
with Asperger's
syndrome is tasked
with cleaning up the
streets of Mumbai in
this "gripping thriller"
(Booklist). In recent
decades, ostensibly to
combat the rising tide
of criminality in
Mumbai's underworld,
the Indian Police

Service has carried out
many hundreds of
extrajudicial
assassinations of
suspects. Karan, an
expert sharpshooter in
an elite branch
dispensed with dishing
out this vigilante
justice, has a difficult
choice: should he
continue to blindly
follow orders from his
superiors, regardless of
their moral standing, or
take matters into his
own hands and do
what he believes to be
right? Belonging to a
hit squad whose
members all fall
somewhere along the
autism spectrum,
Karan is notorious for
his ruthless precision
and efficiency, yet he
remains aloof and
distant. Gradually, his
impenetrable façade
begins to crack, and
Karan's emotional and
psychological depth

reveals itself as he is forced to make decisions where the stakes are literally life-and-death. “A melancholy cop’s obsessions are just the tip of the iceberg as he leads a two-fisted team determined to clean up Mumbai’s mean streets . . . Kumar’s style, blunt but often by turns poetic and droll, is arresting . . . As unusual as it is compelling, this entry lays the groundwork for an entertaining series.” —Kirkus Reviews “Kumar has created some thoroughly intriguing characters . . . but the most fascinating of Kumar’s characters is Mumbai itself—enormous, crowded, hyperactive, roiling, stunningly rich and grindingly poor, and teeming with

almost unfathomable energy. International-crime fans should flock to this one.” —Booklist [The Neoliberal Self in Bollywood](#) Leadstart Publishing Pvt Ltd A sensitive, moving and deeply researched telling of Sri Chaitanya's life In this beautifully written, lovingly evoked book, acclaimed author Chitrita Banerji brings alive one of our greatest medieval saints Chaitanya Mahaprabhu of Nabadwip, Bengal. A mystic who believed in love over ideology, song and dance over ritual, and who revolutionized religion in Bengal, Chaitanya is one of the few medieval religious figures who is worshipped even today through the ISKCON movement. Banerji

draws a superb picture of the world he came from, the food he ate, his friendships and family ties alongside his extraordinary life in this biography.

Contemporary Gender Formations in India

Taylor & Francis

When she was four, novelist and columnist Sreemoyee Piu Kundu's father died by suicide. In her memoir *Everything Changes*,

she embarks on a path of self-discovery by recognising the scars of her childhood lived under the shadow of his death. In a poignant act of piecing together her early life,

Sreemoyee describes being bullied in school, suffering brutal romantic rejection as a teenager, undergoing her first gynaecological surgery at the age of 19 and later being pronounced infertile.

Her gnawing abandonment trauma that most survivors of suicide grapple with and an abusive first love see her leave Kolkata and land in Delhi, finding her feet as a journalist.

Sreemoyee meets success in the many roles she chooses thereon, but at the heart of each triumph rests the seed of loss

and change. After decades of inner conflict, in the year she turns forty, in an act of surrender, Sreemoyee performs the last rites for her biological father, finally acknowledging his simultaneous presence and absence in her life. It is an act of forgiveness and faith. Will it help her relinquish her sense of betrayal and grief over a man she never truly knew, but whose death haunted her life? Candid and moving, fluent and unflinching, Everything Changes tells the arduous story of rebuilding one's life over and over again.

India Connected

Juggernaut Books
An aspiring filmmaker. The dizzying heights of Bollywood. And a strained father-son relationship. Rayhan

Arora's long cherished dream is to be a filmmaker in the Hindi Film Industry but his formidable father has other plans... a successful financial career in Corporate America, and a marriage of convenience with Vanita, a medical student in the US. In a final act of desperation, Rayhan abandons his promising life in California and secretly returns to Mumbai to work as an Assistant Director in Bollywood. The characters he encounters along the way become part of his journey of self-discovery - a self-proclaimed local goon with a penchant for acting; a powerful local politician who wants to marry Rayhan's part-time domestic help,

who in turn covets stardom; an angst-ridden, homosexual film director; ego-ridden film stars with twisted agendas; and the mysterious Viola who captures his heart. HiFi in Bollywood takes the reader from the streets of Berkeley to the film studios of Mumbai; from red-light areas to police stations, and from reality to dreams and back to reality again! Rishi Vohra relocated back to Mumbai after completing a Green MBA from San Francisco State University and a Masters Diploma in Environmental Law, prior to which he had an extensive career in the Indian Entertainment Industry. His debut novel *Once Upon the Tracks of Mumbai* was

a bestseller and awarded a special mention at the Hollywood Book Festival. He writes for *delWine* and is a Certified Specialist of Wine (CSW). Visit him at www.rishivohra.com *The Third Squad* Oxford University Press What does it mean to be a middle-class Muslim kid in India today? Talking to over a hundred children and their parents across twelve cities, Nazia Erum uncovers stories of religious segregation in classrooms and rampant bullying of Muslim children in many of the country's top schools. *Chaitanya Mahaprabhu* Juggernaut Books Now featuring mouthwatering recipes from the Vish Puri family kitchen, this installment in *Tarqu*

Hall's mystery series offers a taste of India alongside the thrill of a rich and fulfilling whodunit mystery. Dubbed "a wonderfully engaging P.I." (The Times, London), Tarquin Hall's irresistible protagonist Vish Puri has become an international favorite through a series that "splendidly evokes the color and bustle of Delhi and the tang of contemporary India" (Seattle Times). Now the gormandizing, spectacularly mustachioed sleuth finds himself facing down his greatest fears in an explosive case involving the Indian and Pakistani mafias. When the elderly father of a top Pakistani cricketer playing in a new multimillion-dollar cricket league dies

frothing at the mouth during a post-match dinner, it's not a simple case of Delhi Belly. His butter chicken has been poisoned. To solve the case, Puri must penetrate the region's organized crime, following a trail that leads deep into Pakistan—the country in which many members of the P.I.'s family were massacred during the 1947 partition of India. The last piece of the puzzle, however, turns up closer to home when Puri learns of the one person who can identify the killer. Unfortunately it is the one person in the world with whom he has sworn never to work: his Mummy-ji. With riotously entertaining prose, a boisterous cast of characters, and a pitch-perfect sense of

place, Tarquin Hall has crafted a gripping whodunit that takes us deep into Indian history and society. He brings a hugely appealing culture to life with all its sights, sounds, smells, foods, and complexity. As the title implies, *The Case of the Deadly Butter Chicken* is a succulent read by a writer at the top of his game.

[The Wordsmiths](#)

Penguin UK

Shanti is married into a clan of human gods. There is her husband Rampal (Keeper of Rama), his parents Ramdas (Servitor of Rama) and Rampyari (Beloved of Rama), as also his brother Ramprasad (Gift of Rama) and others. For the partial namesakes to fulfil the purpose of their being, they must have Rama, the lotus

of their garden. They are all waiting for Shanti's womb to bring him forth. Shanti too, is desperate to push him out so that he can liberate her from the invisible chains that fetter her body, mind, and soul. She sees him as her saviour-servitor-prince. She wants him to avenge her not just against her husband but all the men in the world. While the family is busy consulting priests in order to make the perfect vessel out of Shanti, who has thus far produced only three daughters of little merit, she is secretly learning chess manoeuvres to use in her turn. But Rama himself grows hesitant; he no longer wishes to be pushed out. *Pushing Gods Out* is a story of the trans-generational

burden carried by men and women, husbands and wives, sons and daughters, in the god-decreed kingdom of patriarchs. Written in a sardonic tone with a dash of tragicomedy, this piercing satire reaches deep into the heart of a culture that imprisons in its rigid contours every one of its followers.

Rani Padmavati The Write Order Publication Yuva India takes a deep dive into the lives of India's young men and women. In unravelling what makes them tick, the book uncovers the phenomenon of 'attitudinal convergence' that is rapidly growing across youth cohorts in India. Tracing its origin to the arrival of and exposure to a 'composite culture', the research

behind 'convergence' zeroes in on how a young India is defining itself using new-age sensibilities. Drawing on insights collected over a decade, Ray documents and analyses how young men and women in India approach issues of identity, image, sexuality, spirituality, personal relevance, social connections and community, and professional pursuits. In a one-of-a-kind analysis, using comprehensive data from across the nation, Ray scrutinizes young India's psyche to make sense of their aspirations. Filled with numerous first-person accounts and brand stories, Yuva India provides an insightful understanding of India's most valuable asset, its youth

population. The present and the future of India's young, it reveals, will be invaluable not just for business and brand managers, but also for all those who wish to engage with them.

Humour and the Performance of Power in South Asia
 Juggernaut Books

This book critically examines the role and politics of humour and the performance of power in South Asia. What does humour do and how does it manifest when lived political circumstances experience ruptures or instability? Can

humour that emerges in such circumstances be viewed as a specific narrative on the nature of democracy in the region? Drawing upon essays from India, Sri Lanka and Bangladesh, this volume discusses many crucial historical and contemporary themes, including dance-drama performances in northern India; caste and stand-up comedy in India; cartoon narratives of citizens' anxieties; civic participation through social media memes in Sri Lanka; media, politics and humorous public in Bangladesh; the politics of performance in India; and the influence of humour and satire as political commentaries. The volume explores the impact of humour in South Asian folklore,

ritual performances, media and journalism, and online technologies. This topical and interdisciplinary book will be essential for scholars and researchers of cultural studies, political science, sociology and social anthropology, media and communication studies, theatre and performance studies, and South Asian studies.

Delhi via Lucknow:

Once, love travelled this route Juggernaut Books

An Indian empire at the peak of its power. Everyone wants a share of the riches of Nagapattinam. When a Greek pirate ship sails in to loot the wealth of the Cholas, it is brutally defeated by the navy and forced to pay a

compensation. A payment that includes a twelve-year-old girl, Aremis.

Everything Changes

Tundra Books

India is connecting at a dizzying pace. In 2000, roughly 20 million Indians had access to the internet. In 2017, 465 million were online, with three new people logging on for the first time every second. By 2020, the country's online community is projected to exceed 700 million; more than a billion Indians are expected to be online by 2025. While users in Western countries progressed steadily over the years from dial-up connections on PCs, to broadband access, wireless, and now 4G data on phones, in India most have leapfrogged straight

into the digital world with smartphones and affordable data plans. What effect is all this having on the ancient and traditionally rural culture dominated by family and local customs? Ravi Agrawal explores that very question, seeking out the nexuses of change and those swept up in them. Smartphones now influence arranged marriages, create an extension of one's social identity that moves beyond caste, bring within reach educational opportunities undreamed of a generation ago, bridge linguistic gaps, provide outlets and opportunities for start-ups, and are helping to move the entire Indian economy from cash- to credit-based. The effects are

everywhere, and they are transformative. While they offer immediate access to so much for so many, smartphones are creating no utopia in a culture still struggling with poverty, illiteracy, corruption, gender inequality, and income disparity. Internet access has provided greater opportunities to women and altered how India's outcasts interact with the world; it has also made pornography readily available and provided an echo chamber for rumor and prejudice. Under a government determined to control content, it has created

tensions. And in a climate of hypernationalism, it has fomented violence and even terrorism. The influence of smartphones on the world's largest democracy is pervasive and irreversible, disruptive and creative, unsettling and compelling. Agrawal's fascinating book gives us the people and places reflecting what the internet hath wrought. *India Connected* reveals both its staggering dimensions and implications, illuminating how it is affecting the progress of progress itself.
