This kit combines Alasia's incredible deck with the in-depth studies of Berti and Gonard. These authors guide us through the magic of the cards. Explore the mysteries of ancient Egyptian knowledge as they are revealed Arcanum after Arcanum through the description of an enchanting initiatory rite. Kit includes 78 full-color cards and 160 page book. Publisher Review: One of the first books I read when I began studying occultism was *The History and Practice of Magic* by Paul Christian. This was the Anglicized name of Jean Baptiste Pitois for a book first published in France in 1870, seven years before his death. The reason I liked it was because of the dramatic and imaginative writing style, part of which included a fascinating, fantastic, and almost phantasmagorical story of initiation in ancient Egypt that merged...read more.

"The Ultimate Guide to Mastering the Tarot Cards" is an essential purchase for anyone interested in mastering and unlocking the secrets hidden within the Tarot Cards. Tarot expert, Lucinda Nile, has composed a clear and concise guide to everything you need to know about the Tarot and reading the cards. The guide covers the basics and explores the intricacies of the Art, which makes it a must-have companion for beginners and experts alike. This guide contains detailed information about the following subjects: - A brief history of the Tarot - An introduction to what Tarot Cards actually are - How to choose a deck - How to transfer energy to your deck - How to cleanse a deck of unwanted / negative energies - An overview of each of the cards of Major Arcana - A breakdown of the four different suits present within the cards of

Minor Arcana - How to read the cards - How to improve your ability to read the cards - A breakdown of the 12 most popular card spread which includes helpful diagrams (includes the Celtic Cross, Astrological, Tree of Life and Past Life spreads!) - How to protect your deck - and much much more! An introduction to the Tarot: The art of Tarot card reading is centuries old and is believed to originate in Ancient Egypt. The name 'Tarot' is believed to be a reference to the Ancient Egyptian 'Book of Thoth' and have connections to Isis, one of the oldest goddesses present within the ancient culture. Tarot decks were traditionally used throughout Europe as simple playing cards and only became essential tools of Divination in the early 1500s. The earliest recorded use of Tarot cards as tools of Divination is present within the book 'The Oracles of Francesco Marcolino da Foril,' which dates back to 1540. Tarot Cards - What are they? Tarot Cards are pictorial representations and archetypes of events, energies and emotions we are likely to encounter throughout our lives. Tarot Cards can indicate determination, financial success, patience, new beginnings, joy, togetherness, loss, reflection, heartache and many other important ideals. The Tarot can help us to know ourselves more intimately and to understand why things happen to us. The Tarot acts as a mirroring of our own personal philosophy and psychology due to the fact that a card's meaning can only be unlocked by an individual's perception. A Tarot deck normally includes 78 cards: 22 Major Arcana cards and 56 Minor Arcana cards.

A book of wisdom teachings and rituals that invoke ancient Egyptian deities to awaken human consciousness • Provides guided shamanic visualizations to invoke 26 of the most significant gods • Takes the reader through shamanic portals of death, rebirth, and illumination • Reconciles internal conflict

through a sacred marriage of heart and mind In Shamanic Mysteries of Egypt, Nicki Scully and Linda Star Wolf renew humanity's connection to the ancient gods of Egypt, the neteru. Voices from these divine ancestors remind us of the healing power of the heart, and call us to bring their consciousness into the present to help us remember our true nature as divine humans with sacred purpose. The authors provide rituals, meditations, and rites of passage to help us meet our personal and planetary challenges with grace, wisdom, and love. The shamanic initiations provided are invoked, directly experienced, and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart. Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre-historic Egypt. This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart. Through these passages, Anubis lives up to his ancient title as the Opener of the Way, and Thoth as the Architect of Higher Learning. Together they evoke their power to unite heart and mind in the sacred marriage that brings transformation, renewal, and the awakening of consciousness.

Understanding Aleister Crowley's Thoth Tarot was his final opus, the culmination of a lifetime of occult study and practice. With artist Lady Frieda Harris, he condensed the core of his teaching - astrology, Qabalah, magick, gematria and numerology, and alchemy- into the 78 cards of the tarot. Although Crowley's own Book of Thoth provides insight into the cards, it is a complicated, dated book. What has been missing, and what Crowley authority Lon Milo DuQuette has created, is an introductory text for the

deck. In clear language, DuQuette provides everything you need to know about Crowley's fundamental principles to get the most out of using the Thoth deck. Many use the deck simply because the artwork is so beautiful, but there is so much more to it than that. DuQuette starts with the basic historical background of this extremely popular deck before delving into descriptions of each card in depth, from both a purely tarot perspective and from an expanded, magickal point of view. Each card is described in detail regarding its straight tarot meaning, which is then expanded upon with all the other attributions Crowley intended. This unique guide will be of great interest to all tarot readers who use the Thoth Tarot- especially those looking for correspondences with other occult systems to enhance their readings- and will be treasured by students of Aleister Crowley's works.

I wrote this ebook because it's very difficult to come across reliable information about the original tarot system of ancient Egypt. Most people aren't even aware of it - they're only exposed to the christianized Rider-Waite version that departs from natural principles the cards represent. To write this book I researched all the genuine ancient Egyptian tarot sources (provided at the end of the book) and designed cards in a way that would most accurately reflect the principles of nature. Thus, this book has not only information about universal principles that each card stands for, but also original illustrations of those principles. I researched not only ancient Egyptian card symbolism, but also constellations that each card represents, each sign, planet and number as it relates to this system. Also, I included information about how to read the cards, different spread methods, how to make sure the cards show the truth, in-depth explanation of the major arcana, playing cards and minor arcana correspondences, in-depth minor arcana explanation, and much more. I hope that this book will help you see universal principles in each tarot card so that these cards are no longer divorced from the rest of life but are its representations. This is what Egyptian tarot cards are designed to do, and by seeing them this way you will be able to get life lessons from each one of them, whether through making a spread or by simply drawing one card in the morning to start your day.

This book describes the philosophy and the use of Aleister Crowley's Thoth Tarot, a deck of Tarot cards designed by Crowley and co-designed and painted by Lady Frieda Harris. The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world. It is also one of the most original interpretations of the tarot, incorporating astrological, numerological, Egyptian, and Qabalistic symbolism. While there are many other useful guides to this famous tarot deck, there are no others that explain the deck in its designer's own words. The book is divided into four major parts: * Part One: The Theory Of The Tarot. * Part Two: The Atu (Keys or Trumps). * Part Three: The Court Cards. * Part Four: The Small Cards. Part One is further divided into three chapters; Part Two into two chapters and an appendix; Part Three into one chapter; and Part Four into one chapter. The book includes a list of plates depicting the Tarot cards as seen by Crowley and Harris.

In every true act of divination, in every true act of magick, something of the soul is born into the world. This book focuses on the structure of the Tarot and the system of Qabalistic correspondences that transform it from a card game or fortune telling device into a spiritual, intellectual and magical vehicle of the highest order. The major arcana cards each have a chapter to describe them; a complete method of divination is provided. Unique to the Egyptian Tarot of Thelema is the use of British surrealist artist and occultist Ithell Colquhoun's interpretation of the magical correspondences. This enabled us to produce the first figurative Tarot that is fully colour-integrated as according to the schema of the Golden Dawn. The book features 78 full colour illustrations of the Tarot. This Special Edition comes in linen wrap (hardbound), with gold folio stamp on the spine.

For nearly six centuries, tarot card designers have claimed that their cards have an esoteric link to ancient Egyptian magic, some even claiming their tarot decks are based on Egyptian magic. The Kemetic Tarot is directly based on the most powerful Egyptian magic discovered: The Book of Coming Forth by Day, a book of spells and ritual magic designed to allow a soul to invoke the gods and subdue evil adversaries as it travels from the mundane world to the spiritual world of the Duat (the afterlife), and finally on to eternal life in Aaru (the Egyptian Paradise). The book of The Kemetic Tarot explains how to read the Kemetic Tarot cards, with a thorough description of the gods, goddesses, and magic that form the foundation of this unique and powerful tarot deck.
