**The 15 Invaluable Laws of Growth** Harper Collins

\* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to become a leader. You will also learn: that the four character traits of a leader are authenticity, self-control, humility and courage; that there are fifteen "diseases" that can attack a person's character; that there are false excuses for giving up on being a leader; that there are five degrees of leadership; that when everything becomes a priority, there is no priority at all; that too much time and attention should not be given to issues of little importance. John C. Maxwell is an evangelical pastor, author, speaker, and coach, recognized as one of the world's leading leadership specialists. In 2014, "Business Insider" and "Inc." magazines voted him the most influential expert on leadership issues. He leads organizations such as the John Maxwell Company, the John Maxwell Team, EQUIP and the John Maxwell Leadership Foundation. In this book, he teaches his readers how to develop their leadership skills. Learning that takes place day by day, whether or not one is a "born leader". \*Buy now the summary of this book for the modest price of a cup of coffee!

**How Anyone, Anywhere Can Make A Difference** Center Street

Don't wait for that promotion! Start leading NOW...right where you are! What's the number one question leadership expert John C. Maxwell is asked while conducting his leadership conferences? "How can I implement what you teach when I'm not the top leader?". Is it possible to lead well when you're not the top dog? How about if the person you work for is a bad leader? The answer is a resounding yes! Welcome to *The 360° Leader*. People who desire to lead from the middle of organizations face unique challenges. And they are often held back by myths that prevent them from developing their influence. Dr. Maxwell, one of the globe's most trusted leadership mentors, debunks the myths, shows you how to overcome the challenges, and teaches you the skills you need to become a 360° leader. If you have found yourself trying to lead from the middle of the organization, as the vast majority of professionals do, then you need Maxwell's insights. You have a unique opportunity to exercise influence in all directions—up (to the boss), across (among your peers), and down (to those you lead). The good news is that your influence is greater than you know. Practice the disciplines of 360° leadership and the opportunities will be endless . . . for your organization, for your career, and for your life.

**Change Your World** HarperCollins Leadership

Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership—where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position—People follow because they have to. 2. Permission—People follow because they want to. 3. Production—People follow because of what you have done for the organization. 4. People Development—People follow because of what you have done for them personally. 5. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth

insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

ABOUT THE ORIGINAL BOOK This book is a classic of business literature, managing to gain many sales worldwide. With an entertaining style and easy use of language, John Maxwell presents us the keys to developing leadership skills. It is about making changes in your personal and professional life that will make an impact and promote success. "Developing the Leader Within You" is a book that everyone should read in order to understand that no one is born a leader, but that leadership is achieved from personal development by focusing on the attributes, skills and abilities that exist within every person.-ABOUT SAPIENS EDITORIAL: Books are mentors. Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not. And that's a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good. This summary is taken from the most important themes of the original book. Most people don't like books. People just want to know what the book says they have to do. If you trust the source you don't need the arguments. So much of a book is arguing its points, but often you don't need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book. All this information is in the original book.

**Proven Steps to Maximize Your Potential** Thomas Nelson Inc

#1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and

provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.
