### Words of a Rebel

Cambridge  
University  
Press  
With the skills  
of a  
playwright,  
the vision of a  
producer, and  
the wisdom of  
an  
experienced  
teacher, David  
Rush offers a  
fresh and  
innovative  
guide to  
interpreting  
drama in *A  
Student Guide  
to Play*

Analysis, the  
first  
undergraduat  
e teaching  
tool to  
address  
postmodern  
drama in  
addition to  
classic and  
modern.  
Covering a  
wide gamut of  
texts and  
genres, this  
far-reaching  
and user-  
friendly  
volume is  
easily paired  
with most  
anthologies of  
plays and is  
accessible  
even to those  
without a  
literary  
background.  
Contending  
that there are  
no right or  
wrong

answers in  
play analysis,  
Rush  
emphasizes  
the  
importance of  
students  
developing  
insights of  
their own. The  
process is  
twofold:  
understand  
the critical  
terms that are  
used to define  
various parts  
and then  
apply these to  
a particular  
play. Rush  
clarifies the  
concepts of  
plot,  
character, and  
language,  
advancing  
Aristotle's  
concept of the  
Four Causes  
as a method  
for

approaching a play through various critical windows. He describes the essential difference between a story and a play, outlines four ways of looking at plays, and then takes up the typical structural devices of a well-made play, four primary genres and their hybrids, and numerous styles, from expressionism to postmodernism. For each subject, he defines critical norms and analyzes plays

common to the canon. A Student Guide to Play Analysis draws on thoughtful examinations of such dramas as *The Cherry Orchard*, *The Good Woman of Setzuan*, *Fences*, *The Little Foxes*, *A Doll House*, *The Glass Menagerie*, and *The Emperor Jones*. Each chapter ends with a list of questions that will guide students in further study. **Challenged: Living Our Faith in a Post Modern Age** Standard

Ebooks  
Sheds new light on the memoir boom by asking: Is the genre basically about disability?  
**Metropolitan Tabernacle Pulpit** David C Cook  
Peter Kropotkin remains one of the best-known anarchist thinkers, and *Words of a Rebel* was his first libertarian book. Published in 1885 while he was in a French jail for anarchist activism, this collection of articles from

the newspaper *Le Revolté* sees Kropotkin criticise the failings of capitalism and those who seek to end it by means of its main support, the state. Instead, he urged the creation of a mass movement from below that would expropriate property and destroy the state, replacing their centralised hierarchies with federations of self-governing communities and workplaces.

Kropotkin's instant classic included discussions themes and ideas he returned to repeatedly during his five decades in the anarchist movement. Unsurprisingly, *Words of a Rebel* was soon translated into numerous languages—including Italian, Spanish, Bulgarian, Russian, and Chinese—and reprinted time and time again. But despite its influence as Kropotkin's first anarchist work, it was

the last to be completely translated into English. This is a new translation from the French original by Iain McKay except for a few chapters previously translated by Nicolas Walter. Both anarchist activists and writers, they are well placed to understand the assumptions within and influences on Kropotkin's revolutionary journalism. It includes all the original 1885 text

along with the preface to the 1904 Italian as well as the preface and afterward to the 1919 Russian editions. In addition, it includes many articles on the labour movement written by Kropotkin for *Le Revolté* which show how he envisioned getting from criticism to a social revolution. Along with a comprehensive glossary and an introduction by Iain McKay placing this work within

the history of anarchism as well as indicating its relevance to radicals and revolutionaries today, this is the definitive edition of an anarchist classic. Wide Open Spaces Theclassics.us Henri Nouwen wisely said, "The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there." Jesus has "been there" and knows how to lead us out--but first,

he just may lead us in. He meets us in the desert and does his best work in us there. We look for an easier way in vain. I myself reluctantly entered the desert and eventually received unimagined gifts there--gifts I didn't ask for, deserve, or want--gifts hidden in such painful loss that I despaired--and yet, looking back now, these "desert gifts" were the best thing that ever

happened to me. I entered the desert, and years later, found my way out. It's not a new way, it was just new to me. Jewish and Christian sages had been living it for thousands of years. Somehow, in recent generations, we managed to forget it. In this collection I mean to begin to make those riches available to you. I'm hoping that like me, you'll discover something that you didn't know you

wanted or needed--and something now you wouldn't give up at any price. *The Sword and the Trowel* Duke University Press Young Elfride falls in love for the first time with an architect who is sent to make plans to renovate the local church. She supposes Stephen to be a professional man from London, but finds he comes from more humble origins. Stephen must go away and

make something of himself before he can claim her. Circumstances change in his absence, and Elfride must decide if she will keep her pledge to marry Stephen. A Pair of Blue Eyes is Thomas Hardy's third novel, and the first one to bear his real name when it was first published. The novel was first published as a serial, and the "cliffhanger" is supposed to have been named after a scene in which

a character is left hanging over the edge of a cliff—while readers are left waiting for the next chapter to be serialized. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

**Essential Oils of the Bible** SIU

Press  
Life can often be brutal, unjust, and fraught with emotional trauma. As a first responder chaplain for over 23 years, Nick Vleisides

has experienced countless scenes of unbearable grief and pain. When asking the brokenhearted, "Do you have a faith to help you through?" the response in some form is almost always, "Well, we used to go to church." Blending first-hand accounts of tragedy with opportunity for raw self-examination and reflection, Vleisides delves into the realm of spirituality and belief amid loss and

despair. For the "spiritual but not religious," who want to pursue God outside the walls of organized religion, Used to Go to Church is an invitation to rethink faith and open up to a life centered on grace, mercy, and love.

[Dhyana Vahini](#)  
New Directions Publishing  
"In approaching the study of one of the books of Scripture it must be of considerable help to the

student if he can ascertain what is its main design and what is its outstanding topic. As pointed out in the pages in our Introduction to Exodus each book in the Bible has a prominent and dominant theme which, as such, is peculiar to itself, around which everything is made to center and of which all the details are but the amplification. What that leading subject may be, we should

make it our business to prayerfully and diligently ascertain. This can best be discovered by reading and re-reading the book under review, noting carefully any particular feature or expression which occurs frequently in it—such as "under the sun" in Ecclesiastes or "the righteousness of God" in Romans. "The book of Joshua records one of the most interesting and important portions of Israel's

history. It treats of the period of their estate as a nation, of which Genesis was prophetic and the rest of the Pentateuch immediately preparatory. The books of Moses would be imperfect without this one: as it is the capstone of them, so it is the foundation of those which follow. Omit Joshua and there is a gap left in the sacred history which nothing could supply. Without it what proceeds would be

incomprehensible and what follows unexplained. The sacred writer was directed to fill that gap by narrating the conquest and apportionment of the Promised Land. Thus this book may be contemplated from two distinct but closely related standpoints: first as the end of Israel's trials and wanderings in the wilderness, and second as the beginning of their new life in the land. It is that

twofold viewpoint which supplies the clue to its spiritual interpretation, as it alone solves the problem which so many have found puzzling in this book." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical

society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death, ' which particularly struck his heart and compelled him to renounce

Theosophy  
and follow  
Jesus.

My wife and I  
love our sons  
unconditionall  
y and equally.  
Talking with  
one of them  
about his  
atheism has  
brought me to  
a new  
dimension in  
my  
relationship  
with him, to a  
review of my  
own christian  
beliefs, to a  
more critical  
examination  
of the church,  
and to a  
different  
understanding  
of ministry in  
today's world.  
As personal as

I make this all  
sound, my  
family  
represents a  
thousand  
families, a  
hundred  
thousand and  
more, who  
have sat in  
painful silence  
because  
religious  
differences  
have taken  
away their  
voice. They  
tire of  
confrontation,  
angry  
discussions,  
verse hurling  
and jabbing  
one another  
with theories  
over every  
conceivable  
divisive issue.  
It is a powerful  
idea that  
those who do  
not share our

faith should  
know that we  
do, not so  
much in our  
argument as  
in our love. It  
is time to  
listen.

Platform  
So you say youre not a perfectionist. Your idea of a perfectionist is someone who is well on their way to being perfect, and that does not describe you. Perfectionism is so cleverly disguised by its symptoms and ripple effects, but the problem is the same at the heartidolatry. The Heavens of Idolatry challenges Christ followers to consider the possibility that other gods may have set up a throne in

their heart. As believers we may find ourselves living to please these gods, with our identity and worth hanging in the balance of acceptance. Or, being the diligent Christians that we are, we may have elevated ourselves by setting impossible standards for someone else. It is the striving and confusion that ensue that causes big problems in a persons life. Lisa Stough writes to fellow

perfectionists as well as all Christians who are tired of hiding inside their Sunday clothes, who have given up on God all together, or who might be wondering what the big deal is about perfectionism. She brings Scripture, insight, and experience together into a journey you can call your own.

"Yvonne Perry's book

enrages and inspires: it leaves you with the feeling that something must be done, that it can be done, and that it will be done- because we will do it. This book changes the equation."  
-Don C. Reed, Roman Reed Spinal Cord Injury Research Act  
It is such a pleasure to work with a writer like Yvonne Perry. She has truly researched the research and spent hundreds of hours to find the facts to share with the

readers of RIGHT TO RECOVER. Over the years I have read literally thousands of articles and documents from around the world about this subject and RIGHT TO RECOVER is the most complete work I have ever read. It provides an honest evaluation and asks readers to consider the facts and then form their own opinion instead of listening to people who have never

researched  
the subject. -

*Velvet Elvis*  
University of  
Hawaii Press  
Patricia  
Crone's book  
is about the  
Iranian  
response to  
the Muslim  
penetration of  
the Iranian  
countryside,  
the revolts  
subsequently

triggered there and the religious communities that these revolts revealed. The book also describes a complex of religious ideas that, however varied in space and unstable over time, has demonstrated a remarkable persistence in Iran across a period of two millennia. The central thesis is that this complex of ideas has been endemic to the mountain population of Iran and occasionally

become epidemic with major consequences for the country, most strikingly in the revolts examined here and in the rise of the Safavids who imposed Shi'ism on Iran. This learned and engaging book by one of the most influential scholars of early Islamic history casts entirely new light on the nature of religion in pre-Islamic Iran and on the persistence of Iranian religious

beliefs both outside and inside Islam after the Arab conquest. The Damned (Ià-Bas) McGill-Queen's Press - MQUP "Gives helpful hints, practical tips, and step by step instructions on how to positively impact the local community and the world at-large with whatever time a person has"-  
-Provided by publisher. *Gleanings from Joshua* Destiny Image Publishers The last few years have

seen dizzying social change in the United States. Many of these changes—such as the Supreme Court decision on same-sex marriage—seem to challenge or overturn long-standing Christian teachings, while disputes over issues such as immigration, racism, and the abuse of police authority create uncertainty and confusion about what a faithful Christian response

looks like. Small wonder, then, that the dominant mood among many Christians is anxiety about what it means to be a follower of Jesus in the world today. In a clear and readable style, leading Christian ethicist David P. Gushee explores the many social and political changes that are causing Christian anxiety, offering ways to understand and act on these issues that are grounded in

the reign of God rather than in human fear. What do we see when we look at a given political issue, argument, or candidate? What do we wish to see? And what might Christian faith contribute to seeing, interpreting, and acting rightly in this particular moment? Gushee helps average Christians think through and make sense of their fears and anxieties about rapid social change

in American society, showing how our faith is calling us not to fear and worry but to hope.

**Used to Go to Church**

University of Michigan Press  
 Although it is generally believed that the Manchus controlled the Mongols through their patronage of Tibetan Buddhism, scant attention has been paid to the Mongol view of the Qing imperial project. In contrast to other

accounts of Manchu rule, Our Great Qing focuses not only on what images the metropole wished to project into Mongolia, but also on what images the Mongols acknowledged themselves. Rather than accepting the Manchu's use of Buddhism, Johan Elverskog begins by questioning the static, unhistorical, and hegemonic view of political life implicit in the Buddhist explanation.

By stressing instead the fluidity of identity and Buddhist practice as processes continually developing in relation to state formations, this work explores how Qing policies were understood by Mongols and how they came to see themselves as Qing subjects. *Being Jesus in Nashville* Good Press  
 Considered by many to be a founder of Afrofuturism, Sun Ra—aka Herman Blount—was a

composer, keyboardist, bandleader, philosopher, entrepreneur, poet, and self-proclaimed extraterrestrial from Saturn. He recorded over 200 albums with his Arkestra, which, dressed in Egypto-space costumes, played everything from boogie-woogie and swing to fusion and free jazz. John Szwed's *Space is the Place* is the definitive biography of this musical polymath, who was one of the twentieth

century's greatest avant-garde artists and intellectuals. Charting the whole of Sun Ra's life and career, Szwed outlines how after years in Chicago as a blues and swing band pianist, Sun Ra set out in the 1950s to impart his views about the galaxy, black people, and spiritual matters by performing music with the Arkestra that was as vital and innovative as it was mercurial and confounding. Szwed's

readers—whether they are just discovering Sun Ra or are among the legion of poets, artists, intellectuals, and musicians who consider him a spiritual godfather—will find that, indeed, space is the place. [Soliloquies in England, and Later Soliloquies](#) Harper Collins Explore the Book is not a commentary with verse-by-verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a

complete Bible survey course. No one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study

will find this book of immense help as will those who have spent much time studying the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening

book of the Bible through Revelation. Awake Nightengale Press  
In order to find an authentic understanding of the Christian faith, Bell frees readers to consider God beyond the picture someone else painted. The Life of Elijah Thomas Nelson  
In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative

years.  
**The Outline of Sanity**  
Althea Press  
Author and former pastor Jim Palmer should be dead. Over the course of a year that included two near-death experiences, as Palmer set out to disentangle Jesus from the religious machinery of Christianity, he discovered a profound and unexpected answer to the question on his mind: "What would Jesus do?" Exploring what it really

means to "be Jesus" in his hometown of Nashville, Tennessee, Palmer learns that Jesus was special not because he was more divine than the rest of us, but because he was courageously more human than most. Unfortunately, this realization crystallized for him while he was hanging upside down in his overturned car, expecting to die. When Palmer was miraculously pulled from the wreckage alive, he

emerged with a new courage to embrace his life as never before. In Being Jesus in Nashville, Palmer shares his personal stories, ideas, concepts, and an innovative approach to humanity as he learns that being Jesus means seeing people as they truly are; letting it happen, not making it happen; being at peace, whatever happens; putting no limitations on God; living without separation from God;

following your own path; living as everyone's neighbor. With spiritual insight and refreshing theological glimpses, Palmer shares how he traded in his Christianity for Jesus and how this brought him closer to God.
