**Herman OBaronÓ Lamm, the Father of Modern Bank Robbery** Abrams

On November 12, 1971, Bernard Patterson, a much decorated Vietnam War hero turned real-life version of Don Quixote, Butch Cassidy, and Robin Hood all rolled into one, robbed the Northern National Bank in Mars Hill, Maine. He escaped with \$110,000; at the time, the largest bank robbery in the history of the state. This was the beginning of a comic, outrageous, implausible journey that took him across the United States, then to Europe and North Africa before finally surrendering to authorities in Scotland Yard after he had spent most of the money.

*The Silver City Bank Robbery* Blake Education

DESCRIPTION: Elmore Leonard meets Franz Kafka in the wild, improbably true story of the legendary outlaw of Budapest. Attila Ambrus was a gentleman thief, a sort of Cary Grant--if only Grant came from Transylvania, was a terrible professional hockey goalkeeper, and preferred women in leopard-skin hot pants. During the 1990s, while playing for the biggest hockey team in Budapest, Ambrus took up bank robbery to make ends meet. Arrayed against him was perhaps the most incompetent team of crime investigators the Eastern Bloc had ever seen: a robbery chief who had learned how to be a detective by watching dubbed Columbo episodes; a forensics man who wore top hat and tails on the job; and a driver so inept he was known only by a Hungarian word that translates to Mound of Ass-Head. BALLAD OF THE WHISKEY ROBBER is the completely bizarre and hysterical story of the crime spree that made a nobody into a somebody, and told a forlorn nation that sometimes the brightest stars come from the blackest holes. Like The Professor and the Madman and The Orchid Thief, Julian Rubinsteins bizarre crime story is so odd and so wicked that it is completely irresistible.

*Taken Hostage by Kinky Bank Robbers #3* Annika Martin

Paddy Mitchell grew up on Ottawa's Preston Street to become the leader of the Stopwatch Gang, earning a place on the FBI's most-wanted list by working with fellow Canadians Stephen Reid and Lionel Wright to steal about \$15 million, mainly in the 1970s and 1980s, from more 140 banks and other sites across Canada and the U.S. The gang, which was famous for its speedy heists -- including the 1974 robbery of \$700,000 in gold bars from the Ottawa airport -- took its name from the stopwatch worn by Reid. Incarcerated several times, he was a prison escape artist. Paddy Mitchell wrote about his life and adventures while serving his sentence in a maximum security prison in Leavenworth, Kansas. He died January 14, 2007.].

**An Anthony Stone Novel** Lulu.com

Automatic gunfire hammered police arriving at Northlake Bank in response to a silent alarm on the morning of October 27, 1967. The shootout killed two officers and injured two others. One of the robbers lay wounded as the other two fled in a getaway car. The ensuing manhunt tore across state lines and thrust the quiet Illinois community into a national debate over rehabilitated prisoners—two of the men were fresh out of jail for bank robbery. Local author Edgar Gamboa NÁvar traces this violent midwestern crime saga from the initial grocery store holdup in Ohio before the bank job to the capture of the murderous gang in Indiana, as well as the conviction and imprisonment.

[A 1967 Shooting Spree That Stunned the Region](#) McFarland

From an impressive sisterhood of YA writers comes an edge-of-your-seat anthology of historical fiction and fantasy featuring a diverse array of daring heroines. Crisscross America — on dogsleds and ships, stagecoaches and trains — from pirate ships off the coast of the Carolinas to the peace, love, and protests of 1960s Chicago. Join fifteen of today’s most talented writers of young adult literature on a thrill ride through history with American girls charting their own course. They are monsters and mediums, bodyguards and barkeeps, screenwriters and schoolteachers, heiresses and hobos. They're making their own way in often-hostile lands, using every weapon in their arsenals, facing down murderers and marriage proposals. And they all have a story to tell. With stories by: J. Anderson Coats Andrea Cremer Y. S. Lee Katherine Longshore Marie Lu Kekla Magoon Marissa Meyer Sandra Mitchell Beth Revis Caroline Richmond Lindsay Smith Jessica Spotswood Robin Talley Leslye Walton Elizabeth Wein

*The Ruthless Northlake Bank Robbers* Catapult

Setting out on a journey westward with a small wagon train, George Wright uprooted his family from a dirt-poor farm in Ohio. He wasn't searching for gold or silver like others were; he had a dream of making a better life for his family. Despite the death of his wife during childbirth while on the trip, his dream never swayed, and he was determined to see it through, come hell or high water. George finally settled in a place outside of Silver City, Nevada. With blood, sweat, and tears, he managed to build a solid house for his children. Within a few years, he also had built up a working ranch despite animal attacks, Indian scares, and some unsavory characters. Then he discovered timber and found that it was quite a prosperous business. This business made him a rich man, so he had to go into Silver City more often. While there, he would always stop in at Millie's Café but not just for the good food. He favored one waitress in particular by the name of Joella Carson. Later on he would become her saving grace, but a future was uncertain when faced with two bank robbers.

**The Bad Luck Bank Robbers** Random House Books for Young Readers

Blekingegade is a quiet Copenhagen street. It is also where, in May 1989, the police discovered an apartment that had served Denmark’s most notorious twentieth-century bank robbers as a hideaway for years. The Blekingegade Group members belonged to a communist organization and

lived modest lives in the Danish capital. Over a period of almost two decades, they sent millions of dollars acquired in spectacular heists to Third World liberation movements, in particular the Popular Front for the Liberation of Palestine (PFLP). In May 1991, seven of them were convicted and went to prison. The story of the Blekingegade Group is one of the most puzzling and captivating chapters from the European anti-imperialist milieu of the 1970s and ’80s. Turning Money into Rebellion: The Unlikely Story of Denmark’s Revolutionary Bank Robbers is the first-ever account of the story in English, covering a fascinating journey from anti-war demonstrations in the late 1960s via travels to Middle Eastern capitals and African refugee camps to the group’s fateful last robbery that earned them a record haul and left a police officer dead. The book includes historical documents, illustrations, and an exclusive interview with Torkil Lauesen and Jan Weimann, two of the group’s longest-standing members. It is a compelling tale of turning radical theory into action and concerns analysis and strategy as much as morality and political practice. Perhaps most importantly, it revolves around the cardinal question of revolutionary politics: What to do, and how to do it?

[A History of Heists](#) Cobourg, Ont. : Dawn Pub.

Jake is about the smartest older brother a kid could have. He reads from thick books, and seems to know something about everything. He knows about planets and stars, and told me that crocodiles can't stick out their tongues, and only girl mosquitoes bite. Once he even told me how babies are born, but I don't think he was right about that.Jake likes eggs just about any way you can cook them, which I think is totally disgusting. He also gets up way too early on Saturday mornings, which means he'll be getting me up too. But outside of that, he's the best guy I could ever imagine hanging out with. We have some great adventures -- even if we do get in trouble once in a while.Jake is one smart kid. He knows that some men are planning to rob the bank where he cleans. But nobody else will believe him! With the help of his brother, the boys come up with a plan to catch the crooks red-handed. Will the plan work? If it doesn't, Jake could be in serious danger.

*Modern Day Bank Robbers* Back Bay Books

A biography of Jesse James, who became an outlaw during the Civil War and formed his own gang of robbers and murderers with his brother, Frank, in 1866.

[The Sensational Bank Robbery of 1878 That Shocked America](#) Blessed Are the Bank RobbersThe True Adventures of an Evangelical Outlaw

"This first full-length biography promotes Lamm from his supporting role, tracing his exploits and his use of concepts like "casing" a bank and planning escape routes. Analysis of arrest records finds Lamm's genius as a criminal mastermind overrated, anda detailed examination of the trial of Walter Detrich and James Clark brings to life Lamm's spectacular downfall"--Provided by publisher.

**The True Story of the Most Spectacular Bank Robbery in American History** Arcadia Publishing

You may not realize it, but you helped pay for a \$10 million, fourteen-month government “investigation” of the housing collapse. Only your \$10 million didn’t buy much, and it certainly didn’t buy truth; any hope of that went out the window on day one. The congressionally appointed panel—made up primarily of anti-market, historic revisionists—managed to shift the blame away from Washington and onto mortgage lenders and “greedy” Wall Street executives, while protecting the real culprits at the core of the crisis: POLITICIANS LIKE THEMSELVES. It’s not about Democrat or Republican, left or right, black or white. It’s about the usual suspects—money and power and the people who use government to manipulate them for private advantage. The Great American Bank Robbery maps out in detail exactly how Washington social engineers and their accomplices reshaped banking regulations and housing policies and gutted time-tested underwriting standards that led to the worst financial calamity since the 1930s, one that has robbed American households of \$14 trillion in net worth. And they’re not done yet . . .

Between robbing banks and making Isis obey their wickedly dirty commands, the kinky bank robbers seem to have it all. Or do they? The gang's desire for a normal life leads them to start an actual business—a detective agency. But when a drug kingpin hires them to solve a baffling mystery, the gang is driven deep into the Los Angeles underworld—and comes face to face with a dangerous enemy. And the mystery isn't the only thing unravelling—a sexy and forbidden new game is tearing the gang apart. Can they pull back together before it's too late? Or is the world's sexiest four-way doomed to destruction?

*47 Rules of Highly Effective Bank Robbers* Carolyn Crane

A rollicking true story of Bibles and bank robberies in Southern California, from a talented and highly praised gonzo journalist Chas Smith grew up deeply enmeshed in the evangelical Christian world that grew out of Southern California in the late 1960s. His family included famous missionaries and megachurch pastors, but his cousin Daniel Courson was Grandma's favorite. Smith looked up to Cousin Danny. He was handsome, adventurous, and smart, earned a degree from Bible college, and settled into a family and a stable career. Needless to say, it was a big surprise when Cousin Danny started robbing banks. Known as the "Floppy Hat Bandit," Courson robbed 19 of them in a torrid six-week spree before being caught and

sentenced to seven years. When he tried to escape, they tacked on another year. And when he finally got out, despite seeming to be back on the straight and narrow, Cousin Danny disappeared. Banks started getting robbed again. It seemed Cousin Danny might be gunning for the record.

Smith's *Blessed Are the Bank Robbers* is the wild, and wildly entertaining, story of an all-American anti-hero. It's a tale of bank robberies, art and jewel heists, high-speed chases, fake identities, encrypted Swiss email accounts, jilted lovers, and the dark side of an evangelical family (and it wasn't just Danny; an uncle was mixed up with the mujahideen). It's a book about what it means to live inside the church and outside the law.

*The Most Wanted* Page Publishing Inc

Three nine year old card playing hillbilly girls were stolen, violently beaten and raped, two were shot. Incest was reality in mountain families. Brothers, uncles and cousins brutally raped female family members. Four children were stolen at birth, one by my parents, my uncle raped me he is possible father. One baby stolen by a biker gang he's albino. Two while I was in a coma for nine months. I left school and home in fourth grade I never saw my brothers or sister again. Most of my life was spent on highways and streets getting raped with many knives and guns pulled to my head or throat. My dad was a Pentecost Oneness Preacher he went into the New Mexico court house to blow his head off. My oldest sister was dismembered in a semi wreck with a little boy in her arms. I hitchhiked across the states for many years. Rode with many biker gangs in many states. Several pregnancies I lived in the snow under a picnic table. I married a war hero with a prosthetic arm he beat me with. I bought houses and property I had to abandon run from the violence leaving me homeless to this day. I married a gun toting wannabe Clint Eastwood who splattered my blood over all walls of our home hunted me like an animal. Always running from violence I married three violent men the abuse lasted 14 years each. While in a coma for nine months my mother in law found me she stole my two babies. I spent many years hitchhiking in the snow searching for my kids. Drug dealing was always a means to survive. Hundreds of felonies ranging from Arson to terrorist acts hundreds of DUIs blessed with a Governor's pardon. I had many breaks downs and heart attacks I survived. I also survived a 16,000 pound building falling on me crushing my body. I now have a huge list of injuries and disabilities. I survived worse case in history MRSA. My last daughter became an armed bank robber with Jesse James. I paid my debt to society lived a productive life spent most of my life on highways prison or jails. I trained managers & cooks 38 years maintained second jobs as a cook or construction or landscaper. Have 4 years college majored in Secretarial Science. Managed to maintain jobs & write through all the homelessness & violence. My dream is to fish forever have a home & find all my children & grandchildren. I'll settle for a home and fishing.
