BUSN John Wiley & Sons

Not everyone who's missing is lost Hard-hitting and unputdownable, THE LOST follows Forensic psychologist Maguire back to her hometown in the search for two missing girls. This exhilarating introduction to the Paula Maguire series by Claire McGowan is sure to grip fans of Elly Griffiths and LJ Ross. 'Claire McGowan is a knockout new talent' - Lee Child When two teenage girls go missing along the Irish border, forensic psychologist Paula Maguire has to return to the hometown she left years before. Swirling with rumour and secrets, the town is gripped by fear of a serial killer. But the truth could be even darker. Not everyone who's lost wants to be found Surrounded by people and places she tried to forget, Paula digs into the cases as the truth twists further away. What's the link with two other disappearances from 1985? And why does everything lead back to the town's dark past- including the reasons her own mother went missing years before? Nothing is what it seems As the shocking truth is revealed, Paula learns that sometimes, it's better not to find what you've lost... What readers are saying about The Lost: 'Well written and keeps you guessing. The best book I have read this year' 'Fantastic read. Had me gripped from start to finish - I just couldn't put it down. Highly recommended' 'Compelling and thrilling. Claire McGowan has a clever ease of storytelling that draws you in and leaves you wanting more'

BUSN (with Review Cards and Printed Access Card) Simon and Schuster

The very strange but nevertheless true story of the dark underbelly of a 1960s hippie utopia. Laurel Canyon in the 1960s and early 1970s was a magical place where a dizzying array of musical artists congregated to create much of the music that provided the soundtrack to those turbulent times. Members of bands like the Byrds, the Doors, Buffalo Springfield, the Monkees, the Beach Boys, the Turtles, the Eagles, the Flying Burrito Brothers, Frank Zappa and the Mothers of Invention, Steppenwolf, CSN, Three Dog Night and Love, along with such singer/songwriters as Joni Mitchell, Judy Collins, James Taylor and Carole King, lived together and jammed together in the bucolic community nestled in the Hollywood Hills. But there was a dark side to that scene as well. Many didn't make it out alive, and many of those deaths remain shrouded in mystery to this day. Far more integrated into the scene than most would like to admit was a guy by the name of Charles Manson, along with his murderous entourage. Also floating about the periphery were various political operatives, up-and-coming politicians and intelligence personnel - the same sort of people who gave birth to many of the rock stars populating the canyon. And all the canyon's colorful characters - rock stars, hippies, murderers and politicians - happily coexisted alongside a covert military installation.

BUSN 3 Little, Brown Books for Young Readers

Focuses on a shift away from traditional clinical preoccupations towards new priorities of supporting the patient.

Minesweeper (Special Forces, Book 2) Hachette UK

Discover the vibrant energy and challenging excitement found in business today within the engaging, and accessible pages of Kelly/McGowen's BUSN 3E. Designed specifically for today's learners, BUSN promises to keep the reader turning page after page with a streamlined, riveting design that presents all of the core Introduction to Business topics in only 17 succinct chapters, including a unique chapter on Business Communications. Much more than just another textbook, BUSN 3E directly connects today's reader with what's happening in business today and how it will affect them, whether they are a business major or have other plans. This second edition provides a more reader-focused, less linear, proven learning model, still all at a reader-friendly price. Written by long-time business instructors and developed with first-hand input from today's students, the eye-catching presentation focuses on the business principles most important to the learner's success with less reading, more visuals and manageable chunks of information that ensure the reader understands the concepts on each page. Memorable examples from today relate the business topics to every day life and career success. Numerous resources tightly integrated with the text, including an interactive website and the latest news feeds, help sharpen business, study, and communication skills while keeping readers motivated and excited about business today. Legal Theory in Eighteenth-Century Britain Cengage Learning

The adventures of Duane the polar bear and his arctic friends continue in this charming sequel to the modern-day classic The Very, Very Far North, which Booklist compared to Winnie the Pooh in a starred review. Past the place where icebergs shiver, you will find the Very, Very Far North, where Duane and his friends are sure to make you feel right at home. You might like to share a delicious Snow Delight with warmhearted Duane. While you're slurping away, if C.C. suddenly asks you where you've come from, it's not because she's nosy; she is simply gathering scientific data. If Handsome, the musk ox, pays a visit, a quick hair combing is highly recommended. Should you notice a quiet caribou grazing nearby, well, that's just Boo's way of saying hello. And if a less-than-friendly visitor arrives to sneak, shove, and shake things up, Duane and the others might discover that life isn't always as peaceful as mid-late-afternoon nap. Fortunately, they know that change is as much a part of life as picnics and Tuesdays and cozy

stories shared among friends.

Capitalism and Desire SCB Distributors

This up-to-date and comprehensive resource by leaders in child welfare is the first book to reflect the impact of the Adoption and Safe Families Act (ASFA) of 1997. The text serves as a single-source reference for a wide array of professionals who work in children, youth, and family services in the United States-policy makers, social workers, psychologists, educators, attorneys, guardians ad litem, and family court judges—and as a text for students of child welfare practice and policy. Features include: * Organized around ASFA's guiding principles of well-being, safety, and permanency * Focus on evidence-based "best practices" * Case examples integrated throughout * First book to include data from the first round of National Child and Family Service Reviews Topics discussed include the latest on prevention of child abuse and neglect and child protective services; risk and resilience in child development; engaging families; connecting families with public and community resources; health and mental health care needs of children and adolescents; domestic violence; substance abuse in the family; family preservation services; family support services and the integration of family-centered practices in child welfare; gay and lesbian adolescents and their families; children with disabilities; and runaway and homeless youth. The contributors also explore issues pertaining to foster care and adoption, including a focus on permanency planning for children and youth and the need to provide services that are individualized and culturally and spiritually responsive to clients. A review of salient systemic issues in the field of children, youth, and family services completes this collection.

Weird Scenes Inside The Canyon Grand Central Publishing

Resource added for the Business Management program 101023.

Maid of Wonder South Western Educational Publishing

The business case for operating along sustainable principles is becoming very clear. Sustainable organizations outperform their peers on many criteria, including corporate social responsibility, employee satisfaction and - surprising for some - even financially. Sustainable Leadership: Honeybee and Locust Approaches presents an evidence-based view of how 23 leadership practices facilitate outcomes that go beyond what is commonly referred to as the triple bottom line - environmental sustainability, corporate social responsibility and financial success. The book centers on a powerful metaphor of honeybee and locust behaviors, which illustrate two leadership philosophies with very different outcomes for a business and its viability. Gathering evidence from scholars combined with observations from successful firms around the world, the book presents a bundle of principles, behaviors and beliefs that forms a sustainable leadership system. This engaging, insightful book offers a set of principles that can be adapted in many ways to underpin sustainable leadership in different situations. It provides evidence and a rationale for building a business case to change towards more sustainable practices.

Introduction to Business Cengage Learning

'A brilliant, breathless thriller that kept me guessing to the last shocking page'--Erin Kelly, Sunday Times bestselling author of He Said/She Said A vicious assault. A devastating accusation. Who should she trust, her husband or her best friend? It was supposed to be the perfect reunion: six university friends together again after twenty years. Host Ali finally has the life she always wanted, a career she can be proud of and a wonderful family with her college boyfriend, now husband. But that night her best friend makes an accusation so shocking that nothing will ever be the same again. When Karen staggers in from the garden, bleeding and traumatised, she claims that she has been assaulted--by Ali's husband, Mike. Ali must make a split-second decision: who should she believe? Her horrified husband, or her best friend? With Mike offering a very different version of events, Ali knows one of them is lying--but which? And why? When the ensuing chaos forces her to re-examine the golden era the group shared at university, Ali realises there are darker memories too. Memories that have lain dormant for decades. Memories someone would kill to protect.

Honeybee and Locust Approaches BUSN6

Wind energy's bestselling textbook- fully revised. This must-have second edition includes up-to-date data, diagrams, illustrations and thorough new material on: the fundamentals of wind turbine aerodynamics; wind turbine testing and modelling; wind turbine design standards; offshore wind

energy; special purpose applications, such as energy storage and fuel production. Fifty additional homework problems and a new appendix on data processing make this comprehensive edition perfect for engineering students. This book offers a complete examination of one of the most promising sources of renewable energy and is a great introduction to this cross-disciplinary field for practising engineers. "provides a wealth of information and is an excellent reference book for people interested in the subject of wind energy." (IEEE Power & Energy Magazine, November/December 2003) "deserves a place in the library of every university and college where renewable energy is taught." (The International Journal of Electrical Engineering Education, Vol.41, No.2 April 2004) "a very comprehensive and well-organized treatment of the current status of wind power." (Choice, Vol. 40, No. 4, December 2002)

Prisoner B-3087 Simon and Schuster

When Lizzie's parents are granted their freedom from slavery, Mama says its time for Lizzie and her brother Paul to go to a real school--a new one, built just for them. Lizzie can't wait. The scraps of learning she has picked up here and there have just made her hungry for more. The walk to school is long. Some days it's rainy, or windy, or freezing cold. Sometimes there are dangers lurking along the way, like angry white folks with rocks, or mysterious men on horseback. The schoolhouse is still unpainted, and its very plain, but Lizzie has never seen a prettier sight. Except for maybe the teacher, Mizz Howard, who has brown skin, just like her. They've finally made it to Freedom's School. But will it be strong enough to stand forever? Praise for *Light in the Darkness* "In this tale, [Cline-Ransome] makes the point that learning was not just a dream of a few famous and accomplished men and women, but one that belonged to ordinary folk willing to risk their lives. Ransome's full-page watercolor paintings-in beautiful shades of blue for the night and yellow for the day-are a window, albeit somewhat gentle, into a slave's life for younger readers. A compelling story about those willing to risk "[a] lash for each letter." -Kirkus Reviews "Told from the perspective of Rosa, a girl who makes the dangerous nighttime journey to the lessons with her mother, the story effectively conveys the urgent dedication of the characters to their surreptitious schooling and their belief in the power of literacy...Solid text and soft, skillful illustrations combine for a poignant tribute to the power of education and the human spirit."-School Library Journal

BUSN HarperCollins

The Mau Mau - the name of a secret society that once struck terror into the hearts of British settlers in Kenya. An episode in history that ended in a State of Emergency, with violent and brutal acts dividing a nation. This is an intensely personal and vivid story of two boys: one black, one white. Once they were friends even though their circumstances are very different. But in a country driven by fear and prejudice, even the best of friends can betray one another . . . Internationally acclaimed and award-winning author Beverley Naidoo explores new territory in this beautifully realized and moving story set in Britain's colonial past.

Burn My Heart Scholastic Inc.

From a New York Times bestselling author, a fresh, female-centered take on "Robin Hood" in which a young noblewoman, like the legendary hero, becomes an outlaw fighting for social justice. Perfect for fans of Marissa Meyer and Sarah J. Maas. When sixteen-year-old Silvie's brother takes over management of their family's vast estates, Silvie feels powerless to stop his abuse of the local commoners. Her dearest friend asks her to run away to the woods with him, and soon a host of other villagers join them. Together, they form their own community and fight to right the wrongs perpetrated by the king and his noblemen. Perfect for fans of fairy tale retellings or anyone who loves a strong female lead, this gorgeously written take on the Robin Hood tale goes beyond the original's focus on economic justice to explore love, gender, the healing power of nature, and what it means to be a family.

Cane River Cambridge University Press

From his 1776 Pennsylvania homestead, thirteen-year-old Samuel, who is a highly-skilled woodsman, sets out toward New York City to rescue his

parents from the band of British soldiers and Indians who kidnapped them after slaughtering most of their community. Includes historical notes.

Introduction to Business Statistics Cengage Learning

A unique love story, a tale of loss, a parable of Europe, this haunting novel is an examination of intimacy and betrayal in a community rarely captured so vibrantly in contemporary literature. Zoli Novotna, a young woman raised in the traveling Gypsy tradition, is a poet by accident as much as desire. As 1930s fascism spreads over Czechoslovakia, Zoli and her grandfather flee to join a clan of fellow Romani harpists. Sharpened by the world of books, which is often frowned upon in the Romani tradition, Zoli becomes the poster girl for a brave new world. As she shapes the ancient songs to her times, she finds her gift embraced by the Gypsy people and savored by a young English expatriate, Stephen Swann. But Zoli soon finds that when she falls she cannot fall halfway--neither in love nor in politics. While Zoli's fame and poetic skills deepen, the ruling Communists begin to use her for their own favor. Cast out from her family, Zoli abandons her past to journey to the West, in a novel that spans the 20th century and travels the breadth of Europe. Colum McCann, acclaimed author of *Dancer and This Side of Brightness*, has created a sensuous novel about exile, belonging and survival, based loosely on the true story of the Romani poet Papsuza. It spans the twentieth century and travels the breadth of Europe. In the tradition of Steinbeck, Coetzee, and Ondaatje, McCann finds the art inherent in social and political history, while vividly depicting how far one gifted woman must journey to find where she belongs. Praise for Zoli "Soaring and stumbling over decades of midcentury Eastern Europe, Zoli is a riveting novel."—Gail Caldwell, Boston Sunday Globe "Beautifully written . . . Beautifully conceived, wonderfully told, the story is proof of an indomitable spirit. The elusive character of Zoli, the brilliant artist, is unforgettable."—The Washington Post Book World **BONUS:** This edition includes an excerpt from Colum McCann's *TransAtlantic*.

[A Handbook of Practices, Policies, and Programs](#) Picador

Although there have been many attempts to apply the ideas of psychoanalysis to political thought, this book is the first to identify the political project inherent in the fundamental tenets of psychoanalysis. And this political project, Todd McGowan contends, provides an avenue for emancipatory politics after the failure of Marxism in the twentieth century. Where others seeking the political import of psychoanalysis have looked to Freud's early work on sexuality, McGowan focuses on Freud's discovery of the death drive and Jacques Lacan's elaboration of this concept. He argues that the self-destruction occurring as a result of the death drive is the foundational act of emancipation around which we should construct our political philosophy. Psychoanalysis offers the possibility for thinking about emancipation not as an act of overcoming loss but as the embrace of loss. It is only through the embrace of loss, McGowan suggests, that we find the path to enjoyment, and enjoyment is the determinative factor in all political struggles--and only in a political project that embraces the centrality of loss will we find a viable alternative to global capitalism.

[Child Welfare for the Twenty-first Century](#) Cengage Learning

In 1988, a retired schoolteacher named Pius Fernandes receives an old diary found in the back room of an East African shop. Written in 1913 by a British colonial administrator, the diary captivates Fernandes, who begins to research the coded history he encounters in its terse, laconic entries. What he uncovers is a story of forbidden liaisons and simmering vengeance, family secrets and cultural exiles--a story that leads him on an investigative journey through his own past and Africa's.
