Sociolinguistics is the study of the interaction between language and society. In this classic introductory work, Janet Holmes and Nick Wilson examine the role of language in a variety of social contexts, considering both how language works and how it can be used to signal and interpret various aspects of social identity. Divided into three parts, this book explains basic sociolinguistic concepts in the light of

classic approaches, as well as introducing more recent research. This sixth edition has been revised and updated throughout, using key concepts and examples to guide the reader through this fascinating area, including:

- New material on gender, social media and online use of language, codeswitching, and language policy
- An updated companion website that is fully cross-referenced within this book and features video and audio materials and links to useful websites
- Revised examples and exercises that include new material from Asia and South America
- Fully updated further reading and references sections

An Introduction to

Sociolinguistics is an essential introductory text for all students of sociolinguistics and a splendid point of reference for students of English language studies, linguistics, and applied linguistics.

A Brief Guide to Basic Writing Houghton Mifflin Harcourt

A practical guide to problem solving using MATLAB. Designed to complement a taught course introducing MATLAB but ideally suited for any beginner. This book provides a brief tour of some of the tasks that MATLAB is perfectly suited to instead of focusing on any particular topic. Providing instruction, guidance and a large supply of exercises, this book is meant to

stimulate problem-solving skills rather than provide an in-depth knowledge of the MATLAB language.

"Introductions!" the man said with a kind smile. "I am King Enk, this is my kingdom – and you," he added with a flash of his dark eyes, "you are the one we have been waiting for, Cole." For as long as Cole can remember, he has always seemed very unimpressive next to his brother and sister. However, when a trip to his grandma's ancient house turns into the adventure of a lifetime, he is given a choice which makes him question everything that he thought he wanted. Hurling into a strange place where even stranger creatures dwell and fierce powers are at play, Cole must find out where his own talents lie and put them to good use before time runs out. Follow Cole through the mousehole into Deriuss: a land where all you need is a little belief in yourself to unlock a world of magic. Download the full

Do you have an English or ESL grammar test coming up? Are you constantly asking others to check your writing for grammar errors? Do you currently or are you planning to teach ESL grammar? This book can be helpful for: * ESL learners * English speakers whose writing contains grammar errors * Anyone planning to teach ESL who wants a brief overview of English grammar concepts Perhaps you've never learned the basics of English grammar. Whether you have an upcoming test, need to review the basics, or are just tired of making the same grammar mistakes, this grammar reference and workbook can help you review basic grammar concepts quickly. Whether English is your second language, or you just need a refresher on what's grammatically acceptable, and what's not, this book provides simple, easy to understand ESL grammar rules along with tons of English grammar exercises to practice what you've learned. Perhaps

you've forgotten the parts of speech and need to know exactly how nouns, verbs, adjectives and subjects function in a sentence. Perhaps you're having trouble with the English tenses. Among other topics, this book covers the most commonly used English tenses: Past Simple, Future Simple, Present Simple and Present Continuous, how to correctly use the articles (a, an, the), and how to correctly use the apostrophe s ('s). Each chapter provides extremely easy to understand grammar rules, examples and then follow-up English grammar exercises to practice each rule. In the second part of each chapter, there are additional English grammar exercises, dialogues, conversation questions, and even a quiz at the end of each chapter to check your progress. You can easily check your answers for all English grammar exercises and tests since the answers are provided in the book as well. The format of the book is meant to help students review what they already know quickly, and spend more time on the grammar topics that are not well understood.
