Provides detailed drawings and patterns, parts lists, construction photographs, and step-by-step instructions for making twenty-two wooden toys

*Foxfire 10* State University of New York Press

A New York socialite finds herself out of her element when she accompanies her new husband to Arizona, where he is overseeing a mining project in the desert.

*The Foxfire Book of Appalachian Cookery* Simon and Schuster

For more than thirty years, Foxfire books have brought the philosophy of simple living to hundreds of thousands of readers, teaching creative-self-sufficiency, the art of natural remedies, home crafts, and preserving the stories and customs of Appalachia. Inspiring and practical, this classic series has become an American institution. In this twelfth volume of the series, you'll find reminiscences about learning to square dance and tales about traditional craftsmen who created useful items in the old-time ways that have since disappeared in most of the country. Here are lessons on how to make rose beads and wooden coffins, and on how to find turtles in your local pond. We hear the voices of descendants of the Cherokees who lived in the region, and we learn about what summer camp was like for generations of youngsters. We meet a rich assortment of Appalachian characters and listen to veterans recount their war experiences. Illustrated with photographs and drawings, Foxfire 12 is a rich trove of information and stories from a fascinating American culture.

Appalachian gardening and nature book

#### **Pathfinder Player Companion** University of Georgia Press

From springhouse to smokehouse, from hearth to garden, Southern Appalachian foodways are celebrated afresh in this newly revised edition of *The Foxfire Book of Appalachian Cookery*. First published in 1984—one of the wildly popular Foxfire books drawn from a wealth of material gathered by Foxfire students in Rabun Gap, Georgia—the volume combines hundreds of unpretentious, delectable recipes with the practical knowledge, wisdom, and riveting stories of those who have cooked this way for generations. A tremendous resource for all interested in the region's culinary culture, it is now reimagined with today's heightened interest in cultural-specific cooking and food-lovers culture in mind. This edition features new documentation, photographs, and recipes drawn

from Foxfire's extensive archives while maintaining all the reminiscences and sharp humor of the amazing people originally interviewed. Appalachian-born chef Sean Brock contributes a passionate foreword to this edition, witnessing to the book's spellbinding influence on him and its continued relevance. T. J. Smith, editor of the revised edition, provides a fascinating perspective on the book's original creation and this revision. They invite you to join Foxfire for the first time or once again for a journey into the delicious world of wild foods, traditional favorites, and tastes found only in Southern Appalachia.

*Foxfire 9* BRILL

New York Times bestselling author Joyce Carol Oates's strongest and most unsparing novel yet—an always engrossing, often shocking evocation of female rage, gallantry, and grit. The time is the 1950s. The place is a blue-collar town in upstate New York, where five high school girls join a gang dedicated to pride, power, and vengeance on a world that seems made to denigrate and destroy them. Here is the secret history of a sisterhood of blood, a haven from a world of male oppressors, marked by a liberating fury that burns too hot to last. Above all, it is the story of Legs Sadovsky, with her lean, on-the-edge, icy beauty, whose nerve, muscle, hate, and hurt make her the spark of Foxfire: its guiding spirit, its burning core. At once brutal and lyrical, this is a careening joyride of a novel—charged with outlaw energy and lit by intense emotion. Amid scenes of violence and vengeance lies this novel's greatest power: the exquisite, astonishing rendering of the bonds that link the Foxfire girls together. Foxfire reaffirms Joyce Carol Oates's place at the very summit of American writing.

*Stellarlune* Univ of North Carolina Press

New in paperback This captivating book of recollections celebrates the holiday traditions of Appalachian families as passed from one generation to the next. Based on Foxfire students' interviews with neighbors and family members, the memories shared here are from a simpler time, when gifts were fewer but perhaps more precious, and holiday tables were laden with traditional favorites. More than just reminiscences, however, *A Foxfire Christmas* includes instructions for recreating many of the ornaments, toys, and recipes that make up so many family traditions, from Chicken and Dumplings to Black Walnut Cake, and from candy pulls to corn husk dolls and hand-whittled toy cars.

*Whole Protein Vegetarian: Delicious Plant-Based Recipes with Essential Amino Acids for Health and Well-Being* Anchor

A knitting book focusing on the sheep-to-shawl process by a well-known knitter, shepherd, and

artisanal yarn producer. Gain an insider's view on fiber farming and yarn craft, from sheep to skein, all told through the eyes of shepherd and textile artisan Barbara Parry. Follow her flock over the course of a year and discover all the facets of life with sheep: from shearing day and lambing season, to preparing fiber for yarn. Along the way you'll find projects for the fiber obsessed by top knitwear designers, essays on country life, and over 100 stunning photographs. With the growing locavore movement, the rising trend in sustainable farming, and the ever-increasing interest in crafting, this book is perfect for those who yearn for a closer connection to a rural lifestyle and who enjoy making things by hand.

Unlock the power inside your character and make the might of the coven yours to command!

**The Foxfire approach to teaching and learning** Univ of California Press

Of all the people documented by the Foxfire students since 1966, none has been more appealing to readers than Arie Carpenter. For all those who have read and cherished the Foxfire books, here is a loving portrait of a fondly remembered friend. This

*A Foxfire Christmas* Shambhala Publications

A Playful Path, the new book by games guru and fun theorist Bernard De Koven, serves as a collection of ideas and tools to help us bring our playfulness back into the open. When we find ourselves forgetting the life of the game or the game of life, the joy of form or the content, the play of brain or mind, body or spirit, this book can help us return to that which our soul is heir.

*Adventures in Yarn Farming* Simon and Schuster

"In prose as strong and quietly beautiful as the American chestnut itself, Susan Freinkel profiles the silent catastrophe of a near-extinction and the impassioned struggle to bring a species back from the brink. Freinkel is a rare hybrid: equally fluid and in command as a science writer and a chronicler of historical events, and graced with the poise and skill to seamlessly graft these talents together. A perfect book."—Mary Roach, author of *Stiff* and *Spook* "A spellbinding, heart wrenching, and uplifting account of the American chestnut that asks the vastly important question: Have we learned enough, and do we care enough, to begin healing some of the wounds we've inflicted on the natural world?"—Scott Weidensaul, author of *Return to Wild America* and *Mountains of the Heart* "This is a beautifully written account of the passing of one of the botanical wonders of the North American landscape, the American chestnut tree, which was nearly extirpated by a plague that entered the ecosystem and swept these great trees away. Freinkel, a gifted writer whose research is impeccable and whose reporting is topnotch, tells of the impassioned work of scientists over the past century and up to today, trying to bring the American chestnut back from the brink of extinction. Only a person in love with trees could have written this lovely book."—Richard Preston, author of *The Hot Zone* and *The Wild Trees* "Graceful, provocative, and inspiring. Thoreau would be proud."—Alan

Burdick, author of *Out of Eden*, a 2005 National Book Award finalist "In this beautifully written volume, Susan Freinkel ably describes the marriage of science and passion that is being brought to bear to save this majestic American tree from extinction. The people whose ancestors lived among chestnut trees and their places come alive for the reader, as does the appearance and spread of the blight and the heroes who are struggling with it today. The book concludes with a tantalizing vision of chestnuts in the forests again—a thought of making the world right where it has gone wrong."—Peter H. Raven, Director of the Missouri Botanical Garden

**The Foxfire Approach** McFarland

Mark F. Sohn's classic book, *Mountain Country Cooking*, was a James Beard Award nominee in 1997. In *Appalachian Home Cooking*, Sohn expands and improves upon his earlier work by using his extensive knowledge of cooking to uncover the romantic secrets of Appalachian food, both within and beyond the kitchen. Shedding new light on Appalachia's food, history, and culture, Sohn offers over eighty classic recipes, as well as photographs, poetry, mail-order sources, information on Appalachian food festivals, a glossary of Appalachian and cooking terms, menus for holidays and seasons, and lists of the top Appalachian foods. *Appalachian Home Cooking* celebrates mountain food at its best.

*Literacy with an Attitude, Second Edition* The Countryman Press

More than a mode of gathering information about the past, oral history has become an international movement. Historians, folklorists, and other educational and religious groups now recognize the importance of preserving the recollections of people about the past. The recorded memories of famous and common folk alike provide a vital complement to textbook history, bringing the past to life through the stories of those who lived it. *Oral History* is designed to introduce teachers, students, and interested individuals to the techniques, problems, and pleasures of collecting oral history. The authors, themselves experienced educators, examine the uses of oral history in the classroom, looking at a wide range of projects that have been attempted and focusing on those that have succeeded best. Besides suggesting many possible projects, they discuss the necessary hardware and its use: recording equipment and procedures, interview outlines and preliminary research, photography and note-taking in the field, transcription and storage of information, legal forms, and more. For the teacher, the authors offer helpful advice on training students to be sensitive interviewers in both formal and informal situations. How can oral histories collected in the classroom be put to use? The authors discuss their uses within the curriculum; in projects such as oral history archives, publications such as the popular Foxfire books, and other media productions; and in researching current community problems. Useful appendixes survey a variety of reference tools for the oral historian and describe in detail how a Foxfire-concept magazine may be developed.

*The Foxfire 45th Anniversary Book* Dramatists Play Service Inc

First published in 1972, *The Foxfire Book* was a surprise bestseller that brought Appalachia's philosophy of simple living to hundreds of thousands of readers. Whether you wanted to hunt game, bake the old-fashioned way, or learn the art of successful moonshining, *The Foxfire Museum and Heritage Center* had a contact who could teach you how with clear, step-by-step instructions. The ninth volume of the series includes information about general stores, the Jud Nelson wagon, a praying rock, a Catawban Indian potter, "haint" tales, quilting, home cures, and more on the log

cabin.

**Foxfire 6** Branton Berryhill Publishers

This collection of essays by Foxfire practitioners represents the wide range of adaptations by educators of the pedagogical orientation of the Foxfire Magazine and Foxfire Programs for Teachers. Former students in the magazine class at Rabun County High School share the continuing impact of that experience on their lives, including a former student who is pioneering the magazine project with her sixth grade class. An early childhood teacher make a passionate, articulate case for instruction guided by the Foxfire Core Practices. And a former school administrator shares his experiences as guidance to current school administrators in enabling then supporting teachers to implement instruction guided by Foxfire's Core Practices. Participants in Foxfire's Program for Teachers, from early childhood teachers to college professors, describe their adaptations of the Foxfire Approach for instruction at all grade levels, all subjects and all demographics—including how they coped with the challenges they faced. One practitioner describes how she used the Core Practices to design instruction in rural China. We have an engaging essay focused on our summer courses for teachers, based on extensive observations and interview of participants attending those courses. Several essays explore the pedagogical roots of the Foxfire Approach, as well as its value in providing instruction today which engages the students in the content and results in durable learning. Readers can read straight through the book, beginning with a short historical introductory essay, or skip around to topics of interest to assemble an informed assessment of the potential of the Foxfire Approach.

A Playful Path Univ of North Carolina Press

A collection of spine-tingling Appalachian ghost stories and tall tales passed down from generation to generation. Whether they tell of faucets that drip blood, monster catfish that lurk at the bottom of quarries, or strange lights on the mountaintop, these stories will make you--like the people who are sharing them--question what you believe. Foxfire has brought the philosophy of simple living to hundreds of thousands of readers, teaching creative self-sufficiency and preserving the stories, crafts, and customs of Appalachia. Inspiring and practical, this classic series has become an American institution. In July 2016, Vintage Shorts celebrates Foxfire's 50th Anniversary.

Synergist Taunton

In the years immediately preceding the founding of the American nation the Blue Ridge region, which stretches through large sections of Virginia and North Carolina and parts of surrounding states along the Appalachian chain, was the American frontier. In colonial times, it was settled by hardy, independent people from several cultural backgrounds that did not fit with the English-dominated society. The landless, the restless, and the rootless followed Daniel Boone, the most famous of the settlers, and pushed the frontier westward. The settlers who did not migrate to new lands became

geographically isolated and politically and economically marginalized. Yet they created fulfilling lives for themselves by forging effective and oftentimes sophisticated folklife traditions, many of which endure in the region today. In 1772 the Blue Ridge was the site of the Watauga Association, often cited as the first free and democratic non-native government on the American continent. In 1780 Blue Ridge pioneers helped win the Revolutionary War for the patriots by defeating Patrick Ferguson's army of British loyalists at the Battle of Kings Mountain. When gold was discovered in the southernmost section of the Blue Ridge, America experienced its first gold rush and the subsequent tragic displacement of the region's aboriginal people. Having been spared by the coincidence of geology and topography from the more environmentally damaging manifestations of industrialization, coal mining, and dam building, the Blue Ridge region still harbors scenic natural beauty as well as vestiges of the earliest cultures of southern Appalachia. As it describes the most characteristic and significant verbal, customary, and material traditions, this fascinating, fact-filled book traces the historical development of the region's distinct folklife.

American Chestnut University Press of Kentucky

First published in 1972, The Foxfire Book was a surprise bestseller that brought Appalachia's philosophy of simple living to hundreds of thousands of readers. Whether you wanted to hunt game, bake the old-fashioned way, or learn the art of successful moonshining, The Foxfire Museum and Heritage Center had a contact who could teach you how with clear, step-by-step instructions. Chock full of the wit and wisdom that has become the Foxfire trademark, this tenth volume in the acclaimed series is on oral history of Appalachian lives and traditions, homespun crafts, and folk arts including gourd carving and chairmaking.

**Humanities** Anchor

For almost half a century, Foxfire has brought the philosophy of simple living to hundreds of thousands of readers, teaching creative self-sufficiency and preserving the stories, crafts, and customs of Appalachia. Inspiring and practical, this classic series has become an American institution. The Foxfire 45th Anniversary Book continues the beloved tradition of celebrating a simpler life, this time with a focus on Appalachian music, folk legends, and a history full of outsized personalities. We hear the encouraging life stories of banjo players, gospel singers, and bluegrass musicians who reminisce about their first time playing at the Grand Ole Opry; we shiver at the spine-tingling collection of tall tales, from ghosts born of long-ago crimes to rumors of giant catfish that lurk at the bottom of lakes and quarries; we recollect the Farm Family Program that sustained and educated Appalachian families for almost fifty years, through the Depression and beyond; and we learn the time-honored skills of those who came before, from building a sled to planting azaleas and braiding a leather bull-whip. Full of spirited narrative accounts and enduring knowledge, The Foxfire 45th Anniversary Book is a piece of living history from a fascinating American culture.
