The Sequence of event of  
the Second World War

was altered forever at the very moment the task force of ultra-modern stealth warships emerged from a rip in the time-space continuum. Hurling back from 2021 to 1942 after a quantum experiment goes horribly wrong, no one could have predicted the impact of this futuristic fighting force. Chaos ensues... In the third and final gripping instalment of the Axis of Time trilogy, the revised history of the War is more alarming than ever. Hitler and the Japanese race towards

atomic capability; Stalin plots to tear down the future and rebuild it in his own image; and the allies begin their Great Crusade, with the weapons of know-how of the twenty-first century. The final battle of the war is about to begin...

[A Girl in Time](#) David Hooper Trilogy

"It seems you have acquired about you a field that affects the links between multiple parallel worlds, causing objects and individuals from these worlds to slip into yours . . . or you to slip into theirs .

.. ." It was just an average day for tabloid reporter Max Parker when he arrived in Malibu for a demonstration of a brand new parallel-universe machine. But everything changed in an instant when inventor Barrington Boles succeeded in making Max the human gate to numerous parallelities. Now Max was lost in a virtual sea of collateral worlds, confronting man-eating aliens, dinosaurs, talking frogs, dead Maxes, girl Maxes, old Maxes, even ghost Maxes. His only

chance to escape the space-time continuum was to find Boles and hope the loony genius could rescue him. But how could he be sure which world was real, which Max was Max, and which Boles was the Boles who could stop the madness—or trap Max in the wrong world forever. . . ?

*Without Warning - After America Del Rey*

From the New York Times bestselling author of *The Legion of the Damned®* Novels and *The Mutant Files* comes the first novel in a post-apocalyptic

military science fiction series about America rising from the ashes of a global catastrophe... On May Day, 2018, sixty meteors entered Earth's atmosphere and exploded around the globe with a force greater than a nuclear blast.

Earthquakes and tsunamis followed. Then China attacked Europe, Asia, and the United States in the belief the disaster was an act of war. Washington D.C. was a casualty of the meteor onslaught that decimated the nation's leadership and left the

surviving elements of the armed forces to try and restore order as American society fell apart. As refugees across America band together and engage in open warfare with the military over scarce resources, a select group of individuals representing the surviving corporate structure makes a power play to rebuild the country in a free market image as *The New Confederacy...*

Field Artillery Manual  
Cannon Gunnery Rand Corporation

In a first installment of a

three-part alternate history epic, America's World War II fleet is decimated by a multinational task force sent back in time from the year 2021, forcing Admiral Nimitz and Rear Admiral Spruance to make the potentially consequential decision to fight their own possible descendants. Reprint.

*World War 2.3* "O'Reilly Media, Inc."

The impossible has spawned the unthinkable. In 2021, a quantum military experiment goes horrifically wrong. A

multinational taskforce of ultra-modern warships is suddenly transported back in time to 1942 right into the path of the US naval battle group bound for Midway Atoll. History is rewritten in an instant as the future smashes into the past, and high-tech hardware goes head to head with World War Two technology. In the chaos that ensues, thousands are killed, but the maelstrom has only just begun. The veterans of Pearl Harbour have never seen a helicopter, or a

cruise missile - let alone nanotechnology, ceramic bullets, and F22 Raptor stealth jetfighters. Allied and Axis forces are then caught in a desperate struggle to gain the upper hand - each hoping to tip the balance with a fist full of twenty first century firepower. What happens next is anybody's guess and everybody's nightmare

*World War 2.1* Gigantic Weapons Corporation  
The nightmare of the Transition has given way to a world in chaos. The battlelines of World War II

are being redrawn in dangerous and unpredictable ways, leaving the Allied forces scrambling for control and the Axis forces with undreamt-of power. But the military crisis is only the beginning. An awareness of how their future unfolds is sweeping the world, and the people of 1942 are split between clamouring for change and the freedoms their descendants enjoy, and resisting it to protect the values of their society. Then Japan invades Australia, foreign agents

begin a campaign of terror in the USA, and Germany prepares for an all-out attack on Britain. The twenty-first-century forces must resort to the most extreme measures yet...

Essential Tools for Working with Data DIANE Publishing

The Great Reawakening did not come quietly. Across the country and in every nation, people began to develop terrifying powers—summoning storms, raising the dead, and setting everything

they touch ablaze. Overnight the rules changed...but not for everyone. Colonel Alan Bookbinder is an army bureaucrat whose worst war wound is a paper-cut. But after he develops magical powers, he is torn from everything he knows and thrown onto the front-lines. Drafted into the Supernatural Operations Corps in a new and dangerous world, Bookbinder finds himself in command of Forward Operating Base Frontier—cut off, surrounded by monsters,

and on the brink of being overrun. Now, he must find the will to lead the people of FOB Frontier out of hell, even if the one hope of salvation lies in teaming up with the man whose own magical powers put the base in such grave danger in the first place—Oscar Britton, public enemy number one...

Harry Turtledove hailed *Island in the Sea of Time* as “one of the best time travel/alternative history stories I’ve ever read,” and Jane Lindskold called *Against the Tide of Years* “another exciting and explosive tale.” Now the adventures of the Nantucket islanders lost in the time of the Bronze Age continues with *On the Oceans of Eternity*. Ten years ago, the twentieth century and the Bronze Age were tossed together by a mysterious Event. In the decade since, the Republic of Nantucket has

worked hard to create a new future for itself, using the technological know-how retained from modern times to explore and improve conditions for the inhabitants of the past. Some of these peoples have become allies. Some have turned instead to the renegade Coast Guard officer William Walker. And for ten years, the two sides have tested each other, feinting and parrying, to decide who will be the ones to lead this brave new world into the future. Now the official battle

lines have been drawn. And only one side can emerge the victor... *Parallelities* Pan Australia From the author of the #1 bestselling *The Atlantis Gene* comes a new novel in which the world's past and future rests in the hands of five unwitting strangers in this definitive edition of A. G. Riddle's time-traveling, mind-bending speculative thriller. En route to London from New York, Flight 305 suddenly loses power and crash-lands in the English countryside, plunging a group of

strangers into a mysterious adventure that will have repercussions for all of humankind. Struggling to stay alive, the survivors soon realize that the world they've crashed in is very different from the one they left. But where are they? Why are they here? And how will they get back home? Five passengers seem to hold clues about what's really going on: writer Harper Lane, venture capitalist Nick Stone, German genetic researcher Sabrina Schröder,

computer scientist Yul Tan, and Grayson Shaw, the son of a billionaire philanthropist. As more facts about the crash emerge, it becomes clear that some in this group know more than they're letting on—answers that will lead Harper and Nick to uncover a far-reaching conspiracy involving their own lives. As they begin to piece together the truth, they discover they have the power to change the future and the past—to save our world . . . or end it. A wildly inventive and propulsive

adventure full of hairpin twists, *Departure* is a thrilling tale that weaves together power, ambition, fate, memory, and love, from a bold and visionary talent.

He Died With a Felafel in His Hand Del Rey

When an oil rig opens a rift deep in the ocean that unleashes terrifying monsters into the world, Dave Hooper, a down-on-his-luck oil rig worker, discovers his true destiny as a monster-slayer and savior of the world, in this action-packed new urban fantasy series. Original.

**Into the Guns** Head of Zeus Ltd  
 BONUS: This edition contains an excerpt from John Birmingham's *Angels of Vengeance*. The world changed forever when a massive wave of energy slammed into North America and wiped out 99 percent of the population. As the United States lay in ruins, chaos erupted across the globe. Now, while a skeleton American government tries to reconstruct the nation, swarms of pirates and foreign militias plunder the lawless wasteland

where even the president is fair prey. In New York City, armies of heavily armed predators hold sway—and hold off a struggling U.S. military. In Texas, a rogue general bent on secession leads a brutal campaign against immigrants. And in England, a U.S. special ops agent enters a shadow war against a deadly enemy who has made the fight personal. While the president ponders a blitz attack on America's once greatest city, the forces of order and anarchy wage all-out

war for postapocalyptic dominance—and a handful of survivors must decide how far to go to salvage whatever uncertain future awaits . . . after America.

River Publishers  
Introduction to Sports Biomechanics has been developed to introduce you to the core topics covered in the first two years of your degree. It will give you a sound grounding in both the theoretical and practical aspects of the subject. Part One covers the

anatomical and mechanical foundations of biomechanics and Part Two concentrates on the measuring techniques which sports biomechanists use to study the movements of the sports performer. In addition, the book is highly illustrated with line drawings and photographs which help to reinforce explanations and examples.

**Thyroid Systems Engineering** DIANE Publishing  
BONUS: This edition contains an excerpt from

John Birmingham's *After America*. In Kuwait, American forces are locked and loaded for the invasion of Iraq. In Paris, a covert agent is close to cracking a terrorist cell. And just north of the equator, a sailboat manned by a drug runner and a pirate is witness to the unspeakable. In one instant, all around the world, everything will change. A wave of inexplicable energy slams into the continental United States. America as we know it vanishes. From a Texas lawyer who

happens to be in the right place at the right time to an engineer in Seattle who becomes his city's only hope, from a combat journalist trapped in the Middle East to a drug runner off the Mexican coast, *Without Warning* tells a fast, furious story of survival, violence, and a new, soul-shattering reality.

*Python Data Science Handbook* Designated Targets: World War 2.2 The epic alternate history of WW2 becomes a fiery reimagining of the Cold War. Prince Harry-yes,

hundred years ago. Cady McCall is ready to be rich and famous. She has sacrificed everything, putting her work ahead of family and friends. Now with breakout success and huge, insane wealth so close she can taste it, her life is blown apart by Deputy Marshal John 'Titanic' Smith, the man who rescues her from two muggers, only to carry her off into history. Lost on the seas of time, Smith is desperate to get home to his family in 1876, and now Cady is lost along with him, facing danger

and finding love in Victorian London, Ancient Rome and in the near-future America of President for Life Donald Trump.

### **Final Impact** Pan

Australia

It's World War II and the A-bomb is here to stay. The only question: Who's going to drop it first? The Battle of Midway was forever transformed by the devastating appearance of a U.S.-led

naval task force from the twenty-first century. Since that day, state-of-the-art warships have prowled the Pacific, armed with the latest instruments of mass destruction, as the warring powers of 1942 scramble to be first to wield the weapons of tomorrow against their enemies. Russia and Germany form a deadly alliance, while Admiral Yamamoto moves to seize

Hawaii and invade Australia. Suddenly it's a whole new war with unimaginable high-tech tools, and high-stakes inter-national betrayals from Tokyo to Washington to the Kremlin. As the world trembles on the brink of anni-hilation, Churchill, Stalin, Roosevelt, Hitler, and Tojo confront extreme choices and a future rife with possibilities—all of them apocalyptic.
