Forget Me Not Penguin
This powerful Newbery-winning classic tells the story of the great coon dog Sounder and his family. An African American boy and his family rarely have enough to eat. Each night, the boy's father takes their dog, Sounder, out to look for food. The man grows more desperate by the day. When food suddenly

appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Sounder remains determined to help the family he loves as hard times bear down. A hilarious new middle grade novel from beloved and bestselling author Gordon Korman about what happens when the worst class of kids in school is paired with the worst teacher—perfect for fans of *Ms. Bixby's Last Day*. The *Unteachables* are a notorious class of misfits, delinquents, and academic train wrecks. Like Aldo, with anger management issues; Parker, who can't read; Kiana, who doesn't even belong in the class—or any class; and Elaine (rhymes with pain). The *Unteachables* have been removed from the student

body and isolated in room 117. Their teacher is Mr. Zachary Kermit, the most burned-out teacher in all of Greenwich. He was once a rising star, but his career was shattered by a cheating scandal that still haunts him. After years of phoning it in, he is finally one year away from early retirement. But the superintendent has his own plans to torpedo that idea—and it involves assigning Mr. Kermit to the *Unteachables*. The *Unteachables* never thought they'd find a teacher who had a worse attitude than they did. And Mr. Kermit never thought he would actually care about teaching again. Over the course of a school year, though, room 117 will experience mayhem, destruction—and maybe even a shot at redemption.
