attempts to

reconceptualize the

doctrine of hierarchy in

international law by

emphasizing that a clear

distinction should be

drawn between primary

rules, which encapsulate

precepts for the

protection of the basic

values of the international

community, and

secondary rules, which

determine the regime of

legal consequences

flowing from a breach of

such rules of conduct.

Fundamental Rules Made by the Secretary of State in Council Under Section 96-B of the Government of India Act. Including the Orders Issued by the Secretary of State, Government of India, and the Auditor-General; and the Supplementary Rules Framed by the Local Government. Model Rules of Professional Conduct. Class arbitration first developed in the United States in the 1980s as a means of providing large numbers of individuals with the opportunity to

assert their claims at the same time and in the same proceeding. Large-scale arbitration has since spread beyond U.S. borders, with collective arbitration being seen in Europe and mass arbitration being used in the international investment regime. Class, Mass, and Collective Arbitration in National and International Law considers all three forms of arbitration as a matter of domestic and international law, providing arbitrators, advocates and scholars with the tools they need to evaluate these sorts of procedural mechanisms. The book covers the best-known decisions in the field - *Stolt-Nielsen S.A. v. Animal Feeds International Corp.* and *AT&T Mobility LLC v. Concepcion* from the U.S. Supreme Court and *Abaclat v. Argentine Republic* from the world of investment arbitration - as well as specialized rules promulgated by the American Arbitration Association, JAMS and the German Institution of Arbitration (DIS). The text introduces dozens of previously undiscussed judicial opinions and covers issues ranging from contractual (or treaty) silence and waiver

to regulatory concerns and matters of enforcement. The book discusses the entire timeline of class, mass and collective arbitration, ranging from the devices' historical origins through the present and into the future. Lawyers in a wide variety of jurisdictions will benefit from the material contained in this text, which is the first full-length monograph to address large-scale arbitration as a matter of national and international law.

This book explains the application of the Convention on International Interests in Mobile Equipment to space assets, The Cape Town Convention, in a manner that is useful to lawyers engaged in satellite finance and to academics who desire to understand this treaty.

Philosophical Works; with Notes and Supplementary Disertations Oxford University Press

This book provides a comprehensive overview of India's public services and bureaucratic systems, and explores why widespread corruption and inefficient delivery have slowed

development. It: discusses the underlying reasons for the prevailing inefficiency in public services; examines the complex linkages between ethics-based public service, India's cultural and spiritual heritage, and its current economic development model; and outlines ways to create an ethics code and an environment that is conducive to better administration and good governance. Lucid, accessible, and meticulously researched, this will prove essential to scholars and students of public administration, governance studies and political science, particularly bureaucrats, policy-makers and civil service aspirants.

Revised Leave Rules, 1933 BRILL

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered

Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
