This book investigates

transcultural consumption of three iconic figures – the middle-aged Japanese female fandom of actor Bae Yong-Joon, the Western online cult fandom of the thriller film *Oldboy*, and the Singaporean fandom of the pop-star Rain. Through these three specific but hybrid context, the author develops the concepts of soft masculinity, as well as global and postmodern variants of masculine cultural impacts. In the concluding chapter, the author also discusses recently emerging versatile masculinity within the transcultural pop production paradigm represented by K-pop idol boy bands.

Fetish Bones Stranger Kids (An Imprint of Stranger Comics)

Ranbir Mithal is the CEO of the Mithal Corporation. He is your typical cold hearted and ruthless businessman Who didn't care about anything or anyone and always got what he wanted. Except for one thing he wanted the most, the love of his life. One phone call turned his entire world upside down for good or at least that's what he believed. Sapnaa had got her heart crushed by the last person she had ever expected. Leaving her with nothing but a broken heart and two beautiful twin boys. Now five years after leaving her past behind she had finally moved on and was living a perfect life with her kids. But everything changes when her past comes knocking at her

door. ABOUT THE
AUTHOR Sparsha Kadri

Gert finally realizes
that being such a
murderous maniac
might be the reason
she's not been able to
find her way out of the
candy-coated world of
Fairyland that has been
her nightmare for over

40 years. She sets off
on a new quest to
redeem herself and
tries to earn her way
back home with good
deeds and kindness
and love and whatever
other mushy, touchy-
feely things she can
manage. The epic and
hilarious fantasy quest
from fan-favorite
cartoonist SKOTTIE
YOUNG continues.

Many investors are frightened of investing in commercial real estate. But with residential real estate struggling, the time is right to make the switch to commercial properties. Trump University Commercial Real Estate Investing 101 takes the fear out of commercial investing with easy-to-understand, step-by-

step principles that will make you successful and lower your risk. You'll learn the differences between residential and commercial properties, how to invest profitably in your spare time, and much more.

Sister Aimee Hachette Books

This book serves as a comprehensive, up-to-date reference about this cutting-edge laser technology and its many new and interesting developments. Various aspects and trends of Raman fiber lasers are described in detail by experts in their fields. Raman fiber lasers have progressed quickly in the past decade, and have emerged as a versatile laser technology for generating high power light sources covering

a spectral range from visible to mid-infrared. The technology is already being applied in the fields of telecommunication, astronomy, cold atom physics, laser spectroscopy, environmental sensing, and laser medicine. This book covers various topics relating to Raman fiber laser research, including power scaling, cladding and diode pumping, cascade Raman shifting, single frequency operation and power amplification, mid-infrared laser generation, specialty optical fibers, and random distributed feedback Raman fiber lasers. The book will appeal to scientists, students, and technicians seeking to understand the recent

developments and future trends of this promising and multifaceted technology.

JO BRAND 'Bloody

hilarious' CARIAD

LLOYD 'Full of honesty, heart and humour'

JASON MANFORD 'Raw, honest and hilarious'

ROSIE RAMSAY

'Refreshingly honest'

ROMESH

RANGANATHAN

'Consistently funny and life affirming' JOSH

WIDDICOMBE 'I want

my daughters to read

this book' SINDHU VEE

My Child and Other

Mistakes is the honest lowdown on

Motherhood and all its grisly delights, asking the questions no one

wants to admit to

asking themselves - do

I want a child? Do I

have a favourite? Do I

wish I hadn't had one

and spent the money

on a kitchen island

instead? Stand-up

comic, broadcaster and

actress Ellie Taylor is

relatable, clever and

interested in how

women can have it all.

Her honest, hilarious

and moving account of

the whys and hows of

having a baby makes

perfect reading for

expectant mothers and

fathers everywhere, as

well as those who've

been there, done that,

and wonder how on

earth they did. In this

very funny book she

writes candidly about

her own personal

experience exploring the decision to have a baby when she doesn't even like them, the importance of cheese during pregnancy, why she took hair straighteners to the labour ward, plus the apocalyptic newborn days, childcare, work and the inevitable impact on life and love and most importantly, her breasts. READERS ARE LOVING MY CHILD AND OTHER MISTAKES ***** 'Should be given out by health visitors to new moms' ***** 'It's like Ellie dove into my brain and wrote about my own personal experience of motherhood' ***** 'The comfort I took knowing I'm not alone has been like therapy!' ***** 'I have recommended it to all my child raising friends.' ***** 'An absolute must read'

White American Youth Afrofuturist Affair
"This is the colorful and dramatic biography of two of America's most controversial entrepreneurs: Moses Louis Annenberg, 'the racing wire king, ' who built his fortune in racketeering, invested it in publishing, and lost much of it in the biggest tax evasion case in United States history; and his son, Walter, launcher of TV Guide and Seventeen magazines and former ambassador to Great Britain."--Jacket.
Ender's Game Springer
Modern-day motherhood is hard and discrimination against women who are, have been or could be pregnant is on the rise. Pregnant Then Screwed tells us what the barriers to motherhood and work

are, and how we can work together to overcome them.

Get the most out of the latest MacBook Air with this easy-to-read visual guide Who doesn't love the MacBook Air? It's light as a feather, yet delivers heavyweight functionality. If you want clear, practical, visual instructions on how to use your new MacBook Air, this is the book for you. Using tons of illustrations and step-by-step explanations, Teach Yourself VISUALLY MacBook Air gets you up and running by clearly showing you how to do everything. From the basics to everything the new OS X operating system brings to the table, this book guides you through. Walks you

through all the new features and functions of the new MacBook Air Shows you how to work with the new OS X Mavericks operating system, iCloud, FaceTime, and more Covers basics, such as powering up and shutting down to running Windows applications and downloading apps from the Mac Store Features full-color screen shots to reinforce your visual learning of processes Find all the cool and practical ways to use your MacBook Air with Teach Yourself VISUALLY MacBook Air. **Ask the Past** John Wiley & Sons Jay and Nia are the children of two worlds, and as they will discover, they can enjoy the best of both. From Mommy's jazz beats to Daddy's

classical piano, we will dance with the twins through a book that explores what it is to be of mixed ancestry, proving that a child is more than the sum of their parents. Created to be socially and environmentally conscious, I AM MIXED is printed on 100% recycled paper. "I Am Mixed is an invaluable teaching tool that all children from all races can learn from." - HALLE BERRY (from her foreword) "My son, as well as all of his friends, are mixed and they don't know any different. I don't know who this book is better for, the children of this generation or their parents. This book is a wonderful celebration of the beauty of coming from mixed ethnicities and cultures!" - JAIME

PRESSLY (My Name is Earl) "Such a cute book with great illustrations and a sweet message." - HEIDI KLUM (America's Got Talent) "As a mother of a mixed-race child, I hope my daughter grows up to be proud of who she is and what makes her unique. I Am Mixed is a beautiful, sweet story that encourages children to look within themselves and appreciate the distinct heritage that makes each person special. It reminds us that our diverse cultures and traditions are things that should be honored and treasured." - LAURA LING Some of my favorite books as a kid were the Giving Tree and Bringing the Rain to Kapiti Plain. This is right there with those. Really. No tissue

stuffing. It's beautifully illustrated and sincere. Well done Stranger Kids." - AFUA RICHARDSON (Top Cow Comics) [.hack//AI buster Volume 1](#) Image Comics

Image Comics
Passive optical network (PON) technologies have become an important broadband access technology as a result of the growing demand for bandwidth-hungry video-on-demand applications. Written by the leading researchers and industry experts in the field, Passive Optical Networks provides coherent coverage of networking technologies, fiber optic transmission technologies, as well as the electronics involved in PON system development. Features: - An in-depth overview of PON technologies and the potential applications that they enable - Comprehensive review of all major PON standards and architecture

evolutions, as well as their pros and cons - Balanced coverage of recent research findings with economic and engineering considerations - Presents system issues of protocols, performance, management and protection - Extensive references to standards and research materials for further studies This book provides an authoritative overview of PON technologies and system requirements and is ideal for engineers and managers in industry, university researchers, and graduate students. - Balances treatment of the optical technologies with systems issues such as protocols, performance, management and

protection - Covers latest developments in WDM-PONS, protection switching, dynamic bandwidth allocation - Practical coverage with a chapter on PON applications and deployment - Case studies on implementing PONs

Uranoscopia Sagwan Press

A collection of five short stories about various characters from Al Buster and.

A Secret She Carried Verso Books

The true story of America's first superstar evangelist that "fills a significant gap in the history of revivalism" (The New York Times Book Review). Once she answered the divine calling, Aimee Semple McPherson rose fast from unfulfilled housewife in Rhode

Island to "miracle woman"—the most enigmatic, pioneering, media-savvy Christian evangelist in the country. She preached up and down the United States, traveling in a 1912 Packard with her mother and her children—and without a man to fix flat tires. Her ministry was rolled out in tents, concert halls, boxing rings, and speakeasies. She prayed for the healing of hundreds of thousands of people, founded the Foursquare Church, and built a Pentecostal temple in Los Angeles of Hollywood-epic dimensions (Charlie Chaplin advised her on sets). But this is not just a story of McPherson's cult of fame. It's also the story about its price: exhaustion, insomnia,

nervous breakdowns, sexual scandals, loneliness, and the notorious public disgrace that nearly destroyed her. A “powerhouse biography of perhaps the most charismatic and controversial woman in modern religious history,” Sister Aimee is, above all, the life story of a unique woman, of the power of passion that rejects compromise, and a faith that would not be shaken (Kirkus Reviews). “[Told] with insight, empathy and lyrical power . . . Daniel Mark Epstein sees the facts, and feels the mystery, and he has written a remarkable book.” —Los Angeles Times

Dubbo to the Turn of the Century Hong Kong University Press
Want to know how to

garden with lobsters? How to sober up? Grow a beard? Or, simply, how to make a perfect cheesy omelette? Look no further than Ask the Past. Chock-full of advice that has (and some that hasn't!) stood the test of time, Ask the Past is the tongue-in-cheek compilation of hilarious and true answers to life's questions, drawn from actual antique sourcebooks by a historian and bibliophile. From medieval headache remedies to Renaissance pick-up lines, Ask the Past brings you advice that will make you laugh out loud and shake your head in amazement. Here are the answers to the questions you've always wanted to ask - 'How do I impress my

boss?' or 'How do I put out a fire' – and some that you didn't know you needed to. Brimming with advice both wise and weird, and illustrated throughout with charming images from rare books, Ask the Past offers a surprising vision of the past, together with a hilarious menu of solutions to the knotty problems of the present – like how to kill a snake with a radish!

Laus Pictorum

Motorbooks

At the end of the English Civil War, Gerrard Winstanley and his comrades, known as Diggers, went to St. George's Hill, to farm the common land and to distribute the food for free amongst themselves.

Winstanley's extraordinary writings from this period have remained a huge influence for many on the Left and are cited as some of the earliest examples of communist thought. Legendary voice of the Left Tony Benn examines Winstanley's work and argues that, as we face an ever greater enclosure of the commons, he can still inspire us to turn our world upside down.

Korean Masculinities and Transcultural Consumption

Random House

As featured on Fresh Air and the TED stage, a stunning look inside the world of violent hate groups by a onetime white supremacist leader who, shaken by a personal tragedy, abandoned his

destructive life to become an anti-hate activist. Raw, inspiring, and heartbreakingly candid, *White American Youth* explores why so many young people lose themselves in a culture of hatred and violence and how the criminal networks they forge terrorize and divide our nation. The story begins when Picciolini found himself stumbling through high school, struggling to find a community among other fans of punk rock music. There, he was recruited by a notorious white power skinhead leader and encouraged to fight with the movement to "protect the white race from extinction." Soon, he had become an expert in racist philosophies, a terror

who roamed the neighborhood, quick to throw fists. When his mentor was sent to prison, sixteen-year-old Picciolini took over the man's role as the leader of an infamous neo-Nazi skinhead group. Seduced by the power he accrued through intimidation, and swept up in the rhetoric he had adopted, Picciolini worked to grow an army of extremists. He used music as a recruitment tool, launching his own propaganda band that performed at white power rallies around the world. But slowly, as he started a family of his own and a job that for the first time brought him face to face with people from all walks of life, he began to recognize the cracks in his hateful

ideology. Then a shocking loss at the hands of racial violence changed his life forever, and Picciolini realized too late the full extent of the harm he'd caused. "Simultaneously horrifying and redemptive" (AlterNet), *White American Youth*

examines how radicalism and racism can conquer a person's way of life and how we can work together to stop those ideologies from tearing our world apart. *An earlier edition of this book was published as *Romantic Violence*
