From analyzing potential properties to effectively managing your listings, this book is your one-stop resource for making a profit with short-term rentals! Airbnb, Vrbo, and other listing services have become massively popular in recent years--why not tap into the goldmine? Whether you're new to real estate investing or you want to add a new strategy to your growing portfolio, vacation rentals can be an extremely lucrative way to add an extra income stream--but only if you acquire and manage your properties correctly. Traditional rental properties are a great way to create wealth, but short-term rentals can bring in five times more cash flow than their long-term rental counterparts. Avery Carl, CEO and Founder of the Short Term Shop, will show you how to identify, acquire, and manage a short-term rental from anywhere

in the country, plus how to avoid common pitfalls and overcome limitations that keep many would-be investors from ever getting started! In this book, you'll learn how to: Identify the best markets for short-term rental investing Analyze the potential income and profitability of a short-term rental property Self-manage a short-term rental right from your smartphone Build a local boots-on-the-ground team for an out-of-state investment Automate your self-management systems Use the income from short-term rentals to scale your investment portfolio

You're smart. So don't be dumb about money. Pinpoint your biggest money blind spots and take control of your finances with these tools from CBS News Business Analyst and host of the nationally syndicated radio show Jill on Money, Jill Schlesinger. "A must-read . . . This straightforward and pleasingly opinionated book may persuade more of us to think about financial planning."—Financial Times Hey you . . . you saw the title. You

get the deal. You're smart. You've made a few dollars. You've done what the financial books and websites tell you to do. So why isn't it working? Maybe emotions and expectations are getting in the way of good sense—or you're paying attention to the wrong people. If you've started counting your lattes, for god's sake, just stop. Read this book instead. After decades of working as a Wall Street trader, investment adviser, and money expert for CBS News, Jill Schlesinger reveals thirteen costly mistakes you may be making right now with your money. Drawing on personal stories and a hefty dose of humor, Schlesinger argues that even the brightest people can behave like financial dumb-asses because of emotional blind spots. So if you've saved for college for your kids before saving for retirement, or you've avoided drafting a will, this is the book for you. By following Schlesinger's rules about retirement, college financing, insurance, real estate, and more, you can save money and avoid countless sleepless nights. It could be the smartest investment you make all year. Praise for *The Dumb Things Smart People Do with Their Money* "Common sense is not always common, especially when it comes to managing your money. Consider Jill Schlesinger's book your guide to all the things you should know about money but were never taught. After reading it, you'll be smarter, wiser, and maybe even wealthier."—Chris Guillebeau, author of *Side Hustle* and *The \$100 Startup* "A must-read, whether you're digging yourself out of a financial hole or stacking up savings for the future, *The Dumb Things Smart People Do with Their Money* is a personal finance gold mine loaded with smart financial nuggets delivered in Schlesinger's straight-talking, judgment-free style."—Beth Kobliner, author of *Make Your Kid a Money Genius (Even If You're*

Not) and *Get a Financial Life*

This life-changing book goes far beyond simple "money magic." This is a tome of true financial sorcery that will show you how to ensure success no matter what life throws at you. Financial Sorcery will give you the step-by-step instructions on how to improve your fiscal situation. You will learn how to: Stop using magic to fix emergency problems and start using it to build your dream life. Use times of economic uncertainty to create new opportunities rather than cause problems. Work joyfully with money as part of your spiritual discipline rather than as a necessary evil. Make offerings to help increase the flow of prosperity around you. Ditch old concepts and retrain your mind to make money in today's world. Use the interplay of macro- and

micro-enchantment to find jobs and get promoted. Deploy strategic sorcery to kill your debt. Create secondary income streams that will ensure continued revenue.

Everyone faces big questions when it comes to money: questions

about saving, investing, and whether you're getting it right with your finances. Unfortunately, many of the answers provided by the financial industry have been based on belief and conjecture rather than data and evidence—until now. In *Just Keep Buying*, hugely popular finance blogger Nick Maggiulli crunches the numbers to answer the biggest questions in personal finance and investing, while providing you with proven ways to build your wealth right away. You will learn why you need to save less than you think; why saving up cash to buy market dips isn't a good idea; how to survive (and thrive) during a market crash; and much more. By following the strategies revealed here, you can act smarter and live richer each and every day. It's time to take the next step in your wealth-building journey. It's time to *Just Keep Buying*.

#### Wealth of Wisdom Financial Freedom

"In the dark, bewildering, trap-infested jungle of misinformation and opaque riddles that is the world of investment, JL Collins is the fatherly wizard on the side of the path, offering a simple map, warm words of encouragement and the tools to forge your way through with confidence. You'll never find a wiser advisor with a bigger heart." -- Malachi Rempen: Filmmaker, cartoonist, author and self-described ruffian This book grew out of a series of letters to my daughter concerning various things—mostly about money and investing—she was not yet quite ready to hear. Since money is the single most powerful tool we have for navigating this complex world we've created, understanding it is critical. "But Dad," she once said, "I know money is important. I just don't want to spend my life thinking about it." This was eye-opening. I love this stuff. But most people have better things to do with their

precious time. Bridges to build, diseases to cure, treaties to negotiate, mountains to climb, technologies to create, children to teach, businesses to run. Unfortunately, benign neglect of things financial leaves you open to the charlatans of the financial world. The people who make investing endlessly complex, because if it can be made complex it becomes more profitable for them, more expensive for us, and we are forced into their waiting arms. Here's an important truth: Complex investments exist only to profit those who create and sell them. Not only are they more costly to the investor, they are less effective. The simple approach I created for her and present now to you, is not only easy to understand and implement, it is more powerful than any other. Together we'll explore: Debt: Why you must avoid it and what to do if you have it. The importance of having F-you Money. How to think about money, and the unique way understanding this is key to building your wealth. Where traditional investing advice goes wrong and what actually works. What the stock market really is and how it really works. Why the stock market always goes up and why most people still lose money investing in it. How to invest in a raging bull, or bear, market. Specific investments to implement these strategies. The Wealth Building and Wealth Preservation phases of your investing life and why they are not always tied to your age. How your asset allocation is tied to those phases and how to choose it. How to simplify the sometimes confusing world of 401(k), 403(b), TSP, IRA and Roth accounts. TRFs (Target Retirement Funds), HSAs (Health Savings Accounts) and RMDs (Required Minimum Distributions). What investment firm to use and why the one I recommend is so far superior to the competition. Why you should be very cautious

when engaging an investment advisor and whether you need to at all. Why and how you can be conned, and how to avoid becoming prey. Why I don't recommend dollar cost averaging. What financial independence looks like and how to have your money support you. What the 4% rule is and how to use it to safely spend your wealth. The truth behind Social Security. A Case Study on how this all can be implemented in real life. Enjoy the read, and the journey!

An often overlooked secret to creating wealth as a business owner has little to do with actually running the business. Marketing, customer service, quality products, and more are required to make a business successful...but when it comes to creating real and lasting wealth, decisions regarding this key "secret" will have the greatest impact. As both a small business lender and a small business owner himself, Chris Hurn has a bird's eye view of how businesses create wealth, as well as an in-the-trenches perspective on the tough decisions that must be made if a business is to go from good to great. In *The Entrepreneur's Secret to Creating Wealth*, Chris explains the myriad of factors and variables involved in this significant wealth-creation strategy. Plenty of books describe how entrepreneurs can create more ideas or have happier employees. But no other business book outlines in such detail -- or with such authority -- how to actually develop the wealth behind the business. **SPECIAL OFFER** When you buy two or more copies of this book (say, one for you and one you give to a friend), we'll donate the net proceeds of the sale to the National Federation of Independent Business (NFIB) Young Entrepreneur Foundation. All we need is a

Learn everything you need to know about money management with this approachable guide to tackling financial fears and challenges with confidence, mindfulness, and self-compassion Is one of the most challenging relationships in your life the one you have with your money? Do you talk about everything, except

finances? Do you make shopping decisions based on your emotions, rather than your budget or big-picture goals? Bari Tessler is here to help! This is the book your money-savvy best friend, therapist, and accountant would write if they could. It's the book about money for people who don't even want to think about money, until the arrival of that inevitable day when we all realize we must come to terms with this thing called money. Everyone has pain and challenges, strengths and dreams about money, and many of us mix profound shame into that relationship. In *The Art of Money*, Bari Tessler offers an integrative approach that creates the real possibility of "money healing," using our relationship with money as a gateway to self-awareness and a training ground for compassion, confidence, and self-worth. Tessler's gentle techniques weave together emotional depth, big picture visioning, and refreshingly accessible, nitty-gritty money practices that will help anyone transform their relationship with money and, in so doing, transform their life. As Bari writes, "When we dare to speak the truth about money, amazing healing begins."

Biggerpockets Publishing, LLC

NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER • A ten-step plan for finding peace, safety, and harmony with your money—no matter how big or small your goals and no matter how rocky the market might be—by the inspiring and savvy "Budgetnista." "No matter where you stand in your money journey, *Get Good with Money* has a lesson or two for you!"—Erin Lowry, bestselling author of the *Broke Millennial* series Tiffany Aliche was a successful pre-school teacher with a

healthy nest egg when a recession and advice from a shady advisor put her out of a job and into a huge financial hole. As she began to chart the path to her own financial rescue, the outline of her ten-step formula for attaining both financial security and peace of mind began to take shape. These principles have now helped more than one million women worldwide save and pay off millions in debt, and begin planning for a richer life. Revealing this practical ten-step process for the first time in its entirety, *Get Good with Money* introduces the powerful concept of building wealth through financial wholeness: a realistic, achievable, and energizing alternative to get-rich-quick and over-complicated money management systems. With helpful checklists, worksheets, a tool kit of resources, and advanced advice from experts who Tiffany herself relies on (her "Budgetnista Boosters"), *Get Good with Money* gets crystal clear on the short-term actions that lead to long-term goals, including:

- A simple technique to determine your baseline or "noodle budget," examine and systemize your expenses, and lay out a plan that allows you to say yes to your dreams.
- An assessment tool that helps you understand whether you have a "don't make enough" problem or a "spend too much" issue—as well as ways to fix both.
- Best practices for saving for a rainy day (aka job loss), a big-ticket item (a house, a trip, a car), and money that can be invested for your future.
- Detailed advice and action steps for taking charge of your credit score, maximizing bill-paying automation, savings and investing, and calculating your life, disability, and property insurance needs.
- Ways to protect your beneficiaries' future, and ensure that your financial wishes will stand the test of time.

An invaluable guide to cultivating good

financial habits and making your money work for you, *Get Good with Money* will help you build a solid foundation for your life (and legacy) that's rich in every way.

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's *Complete Guide to Money* covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

In good times and in bad times, you can Build Real Wealth! Build Real Wealth brings a fresh perspective to the subject of financial prosperity. Real money is not paper--it is value, something you cannot see with your eyes. There is a much deeper dimension to money than the hundred dollar bill. Pastor and author Sam Adeyemi has successfully applied the insights in Build Real Wealth with outstanding results in his life and ministry. He has taught them to hundreds of audiences with exciting transformations in the finances of thousands of people. Now it is your turn for God to take you into higher dimensions in your finances as the blessing of Abraham becomes your tangible reality.

### **Creating Wealth** Ballantine Books

Popular speaker, multimillionaire, and author of the all-time bestselling real-estate book Nothing Down, Robert G. Allen knows how to bring you financial success. With his seminars sweeping the nation, Allen is at the cutting edge of strategic wealth creation now more than ever. And in this completely revised edition of his classic bestseller Creating Wealth Allen gives you the basic principles that you need to stop thinking poor and start growing rich. Moving beyond just real estate, Allen goes straight to the core of people's inner motivations and beliefs about money to give you all the fundamentals of wealth creation. By developing a wealthy mind-set, anyone can take off into financial self-reliance -- and Allen shows you how. He explains the ways in which most of us have been programmed to think that only saving is good and debt and risk are bad, so that in our efforts to gain security, we cheat ourselves out of getting rich. The key to

changing that mind-set is Allen's unique integration of real estate with other wealth-generating investments. In his trademark, easy-to-understand style Allen spells out all his practical applications and shows you how to: Take advantage of recent tax laws Use leverage to multiply holdings while minimizing risks Benefit from high-yield discount mortgages Acquire long-term profits in gold and silver coins Set up corporations and trusts to protect assets Find the highest rate of return with the greatest liquidity As Robert Allen has proved in his own life -- becoming a multimillionaire well before he was thirty-five -- it doesn't matter how much or how little money you have when you start as long as you understand the right principles -- timeless principles that can make you a fortune.

Dieser praktische Leitfaden macht Anleger mit dem Economic Moat Konzept vertraut, der "Zauberformel" des Morningstar, mit der sich erstklassige Investmentchancen aufspüren lassen. Das Konzept ist keineswegs neu: Es wurde zunächst durch Benjamin Graham und Warren Buffett populär, wurde dann aber lange vernachlässigt. "The Little Book that Builds Wealth" erklärt ganz genau, wie man den Economic Moat, d.h. die Wettbewerbsbarriere bzw. den Wettbewerbsvorteil (wie z.B. geringe Produktionskosten, ausgebautes Vertriebsnetz, gutes Markenimage etc.) ermittelt, durch den sich ein Unternehmen deutlich von Konkurrenzunternehmen abgrenzt. Dabei geht es aber weder um reines Value Investing, noch um reines Growth

Investing, sondern vielmehr darum, erstklassige Nischen-Wachstumswerte zu einem attraktiven Kurs zu kaufen. Das Buch demonstriert anschaulich Schritt für Schritt, was einen Economic Moat ausmacht, wie man ihn ermittelt, wie man verschiedene Moats gegeneinander abwägt, und wie man auf der Basis dieser Daten am besten eine Investmententscheidung trifft. Mit begleitender Website. Sie wird vom Morningstar betrieben und enthält eine Reihe von Tools und Features, mit deren Hilfe der Leser das Gelernte in der Praxis testen kann. Autor Pat Dorsey ist ein renommierter Finanzexperte. Er ist Chef der Morningstar Equity Research und Kolumnist bei Morningstar.com. Ein neuer Band aus der beliebten 'Little Book'-Reihe.
