But finding the person I needed most came with risks I never expected. And when our ghosts find us again, neither of us may make it out this time. ***** Read

The Seven Husbands of Evelyn Hugo
Random House

A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. Before I even met Donovan Decker, I knew his shoe size. You see, I'd gone away for a few days, and in my haste to get out of the airport, I'd grabbed the wrong

suitcase. After checking out the expensive footwear and tailored clothes, I dialed the number on the luggage tag hoping maybe Mister Big Spender might have my bag. A deep, velvety voice answered, and as luck would have it, he had my suitcase, too. Donovan and I met at a coffee shop to do the exchange. Turned out, it wasn't just his voice that was sexy. The man holding my luggage was absolutely gorgeous, and we had an immediate spark. He got me to admit that I'd snooped in his bag and then convinced me to make it up to him by letting him buy me coffee. Coffee led to dinner, dinner led to dessert, and dessert led to spending an entire weekend together. Donovan wasn't just handsome with a panty-dropping voice. He was also funny, smart, and

surprisingly down to earth for a man who wore seven-hundred-dollar shoes. Did I mention he also did my laundry while I slept? Definitely too good to be true. So what did I do to repay him for his kindness? I waited until he was in the shower, then ghosted him. My life was too complicated for such a great guy. In the months that passed, I thought about Donovan often. But New York City had eight-million people, so what were the chances I'd run into him? Then again, what were the chances I'd run into him a year later...when I'd just started dating his boss?

Four siblings experience the drama, intrigue, and upheaval of the '60s summer when everything changed in Elin Hilderbrand's #1 New York Times bestselling historical novel. Welcome to the most tumultuous summer of the twentieth century. It's 1969, and for the Levin family, the times they are a-changing. Every year the children have looked forward to spending the summer at their grandmother's historic home in

downtown Nantucket. But like so much else in America, nothing is the same: Blair, the oldest sister, is marooned in Boston, pregnant with twins and unable to travel. Middle sister Kirby, caught up in the thrilling vortex of civil rights protests and determined to be independent, takes a summer job on Martha's Vineyard. Only-son Tiger is an infantry soldier, recently deployed to Vietnam. And thirteen-year-old Jessie suddenly feels like an only child, marooned in the house with her out-of-touch grandmother and her worried mother, while each of them hides a troubling secret. As the summer heats up, Ted Kennedy sinks a car in Chappaquiddick, man flies to the moon, and Jessie and her family experience their own dramatic upheavals along with

the rest of the country. In her first historical novel, rich with the details of an era that shaped both a nation and an island thirty miles out to sea, Elin Hilderbrand once again earns her title as queen of the summer novel.
