An “addictive page-turner” (Los Angeles Times)—Inspector Harry Hole attempts to exonerate his would-be son Oleg in this installment of the New York Times

bestselling series. When Harry Hole moved to Hong Kong, he thought he was escaping the traumas of his life in Oslo and his career as a detective for good. But now, the unthinkable has happened—Oleg, the boy he helped raise, has been arrested for killing a man. Harry can't believe that Oleg is a murderer, so he returns to hunt down the real killer. Although he's off the police force, he still has a case to

solve that will send him into the depths of the city's drug culture, where a shockingly deadly new street drug is gaining popularity. This most personal of investigations will force Harry to confront his past and the wrenching truth about Oleg and himself.

The incomparable Jonathan Lethem returns with nine stories that demonstrate his mastery of the short form. Jonathan Lethem's third collection of stories uncovers a father's nervous breakdown at SeaWorld in "Pending Vegan"; a foundling child rescued from the woods during a blizzard in "Traveler Home"; a political prisoner in a hole in a Brooklyn

street in "Procedure in Plain Air"; and a crumbling, haunted "blog" on a seaside cliff in "The Dreaming Jaw, The Salivating Ear." Each of these locates itself in Lethem-land, which can be discovered only by visiting. As in his celebrated novels, Lethem finds the uncanny lurking in the mundane, the irrational self-defeat seeping through our upstanding pursuits, and the tragic undertow of

the absurd world(s) in which we live. Devoted fans of Lethem will recognize familiar themes: the anxiety of influence taken to reductio ad absurdum in “The King of Sentences”; a hapless, horny outsider summoning bravado in “The Porn Critic”; characters from forgotten comics stranded on a desert island in “Their Back Pages.” As always in Lethem, humor and poignancy

work in harmony, humans strive desperately for connection, words find themselves misaligned to deeds, and the sentences are glorious. The Devil's Star Oceanview Publishing Oslo is sweltering in the summer heat when a young woman is murdered in her flat. One finger has been cut off and a tiny red diamond in the shape of a pentagram—a five-pointed star—is found under her

eyelid. Detective Harry Hole is assigned the case with Tom Waaler, a colleague he neither likes nor trusts. He believes Tom is behind a gang of arms smugglers—and the murder of his partner. But Harry, an off-the-rails alcoholic, is barely holding on to his job and has little choice but to play nice. Five days later, another woman is reported missing. When her severed finger is found adorned with a star-shaped

red diamond ring, Harry fears a serial killer is on the loose. Determined to find the killer and expose the crooked Tom Waaler, Harry discovers the two investigations melding in unexpected ways. But pursuing the truth comes at a price, and soon Harry finds himself on the run and forced to make difficult decisions about a future he may not live to see. One of the brightest stars of

Scandinavian crime writing, Jo Nesbø has been compared to Ian Rankin, Michael Connelly, and Henning Mankell. His novels are bestsellers throughout Europe, acclaimed by critics and revered by aficionados of thrillers and mysteries. Brilliantly plotted and paced, *The Devil's Star* shows Nesbø at his absolute best, combining powerful emotional resonance with truly

stunning suspense. *The Leopard* Random House In Evelyn Lozada and Holly Lorincz's lightly inspired *Pride and Prejudice* romantic comedy, two unlikely people discover the error of judging by first impressions and the beauty of family, friendship and love. This book will entice you through the last page. Hara Isari has big ambitions and they

won't be sidetracked by her mother's insisting that she settle down soon. She dreams of leaving her small-town newspaper behind, as well as her felon father, and building a career as a sports writer, so when she is chosen to exclusively interview a basketball superstar, she jumps at the chance. It's time to show the bigwigs what she's truly made of. At the same time, she meets a rookie on the

rise, Derek Darcy. Darcy is incredibly handsome, obnoxiously proud, and has a major chip on his shoulder. Hara can't think of a man more arrogant and infuriating. However, fate keeps bringing them together—from locker rooms to elegant parties, to the storm of the century—and what begins as a clash might just be more complicated than Hara anticipated. When she begins to see

Darcy in a new light, Hara is not quite sure if she should drop the ball or play the love game.

50th Anniversary Edition • With an introduction by Caity Weaver, acclaimed New York Times journalist This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the

strangest journeys ever undertaken. Also a major motion picture directed by Terry Gilliam, starring Johnny Depp and Benicio del Toro. *Police* Simon and Schuster Detective Harry Hole is meant to keep out of trouble. A young Norwegian girl taking a gap year in Sydney has been murdered, and Harry has been sent to Australia to assist in any way he can. When the team unearths a string of

unsolved murders and disappearances, nothing will stop Harry from finding out the truth. *The Dirty South* Vintage Crime/Black Lizard With more than seven million copies sold worldwide, and translated into over forty languages, Jo Nesbo's Harry Hole series is an international phenomenon. Detective Harry Hole is a genuine anti-hero: a handsome loner, an alcoholic and workaholic

who is tormented in his personal life even as he is revered by his colleagues for his unwavering sense of justice and proven police instincts. Harry's self-governing, anti-authoritarian style has driven his superior officer at the crime squad in Oslo to call him "the best investigator in the department and the worst public servant." First-class thrillers with high voltage

suspense and complex plotting, *The Snowman*, *The Leopard* and *Phantom* are fascinating journeys into the world of this singular character and the dark criminal minds he pursues to the very limits of his sanity, in Oslo and beyond. "Jo Nesbo is my favorite thriller writer and Harry Hole my new hero."

In the electrifying first installment of the Inspector Harry Hole series, Harry Hole of the Oslo Crime Squad is dispatched to Sydney to observe a murder case. As he circles closer to the killer, Harry begins to fear that no one is safe, least of all those investigating the murder. The victim is a twenty-three year old Norwegian woman who is

a minor celebrity back home. Harry is free to offer assistance, but he has firm instructions to stay out of trouble. Never one to sit on the sidelines, Harry befriends one of the lead detectives, and one of the witnesses, as he is drawn deeper into the case. Together, they discover that this is only the latest in a string of unsolved murders, and the pattern points toward a psychopath working his

way across the country. **The 25th Hour** Vintage Crime/Black Lizard Brilliant, audaciously rogue police officer, Harry Hole from The Snowman and The Thirst, is back and in the throes of a new, unanticipated rage--once again hunting the murderer who has haunted his entire career. Harry Hole is not in a good place. Rakel--the only woman he's ever loved--has ended it with him, permanently.

He's been given a chance for a new start with the Oslo Police but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer who Harry helped put behind bars. And now, Finne is free after a decade-plus in prison--free, and Harry is certain, unreformed and ready to take up where he left off. But things will get

worse. When Harry wakes up the morning after a blackout, drunken night with blood that's clearly not his own on his hands, it's only the very beginning of what will be a waking nightmare the likes of which even he could never have imagined.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Boston Globe • The Seattle Times

SHE KNOWS WHAT IT'S LIKE. . . . At first, the murder scene appears sad, but not unusual: a young woman undone by drugs and prostitution, her six-year-old daughter dead alongside her. But then detectives find a strange piece of evidence in the squalid house: the platinum credit card of a very wealthy—and long dead—steel tycoon. What is a heroin-addicted

hooker doing with the credit card of a well-known and powerful man who died months ago? This is the question that the most junior member of the investigative team, Detective Constable Fiona Griffiths, is assigned to answer. But D.C. Griffiths is no ordinary cop. She's earned a reputation at police headquarters in Cardiff, Wales, for being odd, for not picking up on social cues, for being a

little overintense. And there's that gap in her past, the two-year hiatus that everyone assumes was a breakdown. But Fiona is a crack investigator, quick and intuitive. She is immediately drawn to the crime scene, and to the tragic face of the six-year-old girl, who she is certain has something to tell her . . . something that will break the case wide open. Ignoring orders and protocol, Fiona begins to explore far

beyond the rich man's credit card and into the secrets of her seaside city. And when she uncovers another dead prostitute, Fiona knows that she's only begun to scratch the surface of a dark world of crime and murder. But the deeper she digs, the more danger she risks—not just from criminals and killers but from her own past . . . and the abyss that threatens to pull her back at any time.
