As the title indicates, this book is a critical study of an Indian epic, "The Ramayana". It proceeds in the same order as that of Sanskrit original consisting of : Bala kanda, Ayodhya kanda, Aranya kanda, Kishkindha kanda, Sundara kanda, Yuddha kanda and Uttara kanda. While Valmiki's Ramayana is composed of about 24,000 slokas (verses), "Ramayana the Poisonous Tree" consists of 16 stories, long and short, accompanied by 11 links (narratives that link the stories) and 504 foot-notes that show evidence from the Sanskrit original in support of the critique. Besides the main components of the text, this book has a

long Preface discussing the social essence of the epic in the context of history of evolution of human society from the ancient times to the modern times. The book also offers a critical review of the works of some earlier critics of Ramayana. The authoress describes Ramayana as a Poisonous Tree because it defends the autocratic rule of the kings against the people, their imperial expansion by invading other weak kingdoms, exploitation of the poor by the rich, oppression of lower castes by upper castes, aggression of the civilized non-tribal communities against primitive tribal communities, male chauvinism against women, superstitious beliefs against the rational thinking, fathers' domination over sons, elder brothers' superiority over younger brothers and so on. She

substantiated her arguments by providing hundreds of foot notes from the Sanskrit original. She characterizes the culture of Ramayana as predominantly feudal in nature with an admixture of remnants of primitive tribal culture. The book, it is hoped, will be of interest to both academic and non-academic circles. It is relevant to the students, teachers and researchers who are connected with such disciplines as South Asian Studies, Cultural Studies, Comparative Literature, Comparative Religions, Indology, Literary Criticism and so on. It is also relevant to the social and political activists who would like to disseminate progressive ideas among the people who are subjected to various forms of inequality: Class, Caste, Gender, Race, Ethnicity. Ranganayakamma (born 1939) is a writer of novels, stories and

essays in Telugu. She has published about 60 books.

*Memories of Midnight Sweet Home*  
Publications

The O'Sullivan twins return for their second term at St Clare's determined to work hard and do well. Most of their old friends are back again and there are new girls to size up. Among these are the twins' feathered headed cousin, Alison, the talented and friendly Lucy Oriel, and the surly and bad tempered Margery Fenworthy.

The twins are now firm friends with most of their form and form friendships with some of the second form also. As a result of this they are invited to a midnight feast with some members of the second form to celebrate the birthday of Tessie, a second form girl. Erica, an unpopular second former, resolves to disrupt the party after hearing herself discussed in unflattering terms when the others assume that she is not within earshot. The girls vote to ignore Erica after learning that she is the one who gave them away to Mam'zelle, causing Erica to vow revenge on Pat. She begins a campaign of spiteful tricks against Pat.

Julian, Dick, Anne, George and Timmy the dog find excitement and adventure wherever they go in Enid Blyton's most popular series. In their third adventure, the Famous Five discover that someone has been on George's island. And what is locked in the mysterious trunk hidden on Kirrin Island? The Famous Five think they're on the trail of smugglers - until they hear a child scream... This 70th anniversary edition features the text from the Classic edition. Its cover has been illustrated by Emma Chichester Clark, but there are no inside illustrations. All anniversary editions, each illustrated by a different artist, benefit the House of Illustration, the world's first dedicated home for the art of illustration ([houseofillustration.org.uk](http://houseofillustration.org.uk)).

*The Mahabharata Secret* Harper Collins  
Moogavani Pillanagrovi (1993) is woven around the near-suicidal death of a farmer who loses his land. While the period of the plot is around the 1950s, the story revolves around the farmer's ties with his land and his inability to visualize a life without it-an issue relevant even today. The farmer's death could have been

forgotten by the village, except for several puzzling incidents that crop up. Myth and reality intertwine to create a folklore around the land and the farmer. This Telugu novella was first published in 1993, during a period when Andhra Pradesh's farmers had begun committing suicide in droves. Many surprising parallels can be drawn to the pressures in agriculture and the farmer in real life and in the novel. This novella introduced what is called (in Telugu literary criticism) as magic realism-mirroring real life and yet making wide departures into the world of lore, mythic representation, and strongly rooted cultural beliefs. Kesava Reddy writes with a strong inflection of his native Rayalaseema dialect. Breaking the tradition of writing in the standard Telugu form as it is spoken and written by people from the coastal districts of Krishna and Guntur, Kesava Reddy along with several other writers began writing in his native dialect-a bold step at that time. The detail in the novel is striking. Kesava Reddy also broke with Telugu literature (which was didactic at that time) to build on detail and cut down on dialogue. His dialogues are sparse and never interfere with the tempo

built up in the story.

**Six Weeks to Words of Power** Simon and Schuster

The classical tradition in Telugu, the mellifluous language of Andhra Pradesh in southern India, is one of the richest yet least explored of all South Asian literatures. In this volume, Velcheru Narayana Rao and David Shulman have brought together mythological, religious, and secular texts by twenty major poets who wrote between the eleventh and nineteenth centuries, providing an authoritative volume overview of one of the world's most creative poetic traditions. An informative, engaging introduction fleshes out the history of Telugu literature, situating its poets in relation to significant literary themes and historical developments and discussing the relationship between Telugu and the classical literature and poetry of Sanskrit. *How to Build Better Vocabulary* Notion Press

Set in London and Greece, this is the sequel to Sidney Sheldon's *The Other Side of Midnight*.

**The Vicar of Wakefield** Hodder Children's Books

Find the bay of hope . . . Right next to the ocean of grief stands the bay of hope. It's made of billions of sand particles, each one insignificant on its own, but together a force to reckon with. The ocean continues to try to swallow the bay and the golden sand smiles, washed by the glistening tears. As an oncologist, it's difficult to come home and have a normal meal or sleep without being awakened by a wet pillow, unsure if the tears were mine or those of a patient's. I have understood

that in this extraordinary universe, I am but a mere speck, as small and inconsequential as the sand particle on the beach. But with the bond that I have built with my patients, I am resolute, as indomitable as any avenger of cancer. These survivors have taught me more than what medicine has. These are not 108 stories. This is the future of our battle against cancer. These are the footsteps these survivors have taken, from tears to smiles. I Am a Survivor exemplifies the cancer survivors of the human race, their journey and their demonstration of flawless endurance. It uncovers stories of several extraordinary cancer survivors who live their lives with the same intensity as others. This book is an attempt to honour what they stand for, and it offers their tale as an example for those walking the same path.

**The Uddhava Gita** Warner Books (NY)  
Anupama looked into the mirror and

shivered with shock. A small white patch had now appeared on her arm.' Anupama's fairytale marriage to Anand falls apart when she discovers a white patch on her foot and learns that she has leukoderma. Abandoned by her uncaring in-laws and insensitive husband, she is forced to return to her father's home in the village. The social stigma of a married woman living with her parents, her steother's continual barbs and the ostracism that accompanies her skin condition force her to contemplate suicide. Determined to rebuild her life against all odds, Anupama goes to Bombay where she finds success, respect and the promise of an enduring friendship. Mahashweta is an inspiring story of courage and resilience in a world marred by illusions and betrayals. This poignant tale offers hope and solace to the victims of the prejudices that govern society even today.

**Five Run Away Together** Dell

In *The Case for Heaven*, bestselling author and investigative journalist turns a critical eye on the evidence for heaven, a variety of claims about the afterlife, and modern day stories of near-death experiences to build a compelling case that death is not

the end of our existence but a transition to an exciting and very real world to come.

I am a Survivor Oxford Novellas

There are three major healing traditions in the world: Western biomedicine, supernatural healing, and holistic healing. In a world of increasingly blended cultures, languages, and traditions, what happens when these contrasting healing practices clash? In *A Case of Culture*, author Snigdha Nandipati delves into the unspoken challenges that immigrant patients face when seeking healthcare in the West, exploring how we can bridge these cultural divides in our healthcare system. The solution? Cultural brokers. In this book, readers will learn how cultural brokers advocate for their patients, enhance the patient-doctor relationship, and build cultural humility in the healthcare setting through stories such as: the hospitalist who revived her unconscious elderly Indian patient by calling her "Aunty" the Latino Evangelical priest who used his sermon to encourage worshippers to get vaccinated against COVID-19 the psychiatrist who gained the trust of his Telugu patient with the skillful balance of spirituality and medicine

Readers will better understand how culture plays a role in the medical care that is provided and how cultural brokers work to fill the growing culture gap in healthcare. This book will speak to healthcare providers and immigrant families alike - those who hope to look at culture and healthcare with fresh eyes.

*The Dravidian Head* Simon and Schuster  
Widely read, *The Bhagavad Gita* is a

classic of world spirituality while *The essential companion to The Bhagavad Gita*, *The Uddhava Gita* has remained overlooked. This new accessible and only English translation in print of *The Uddhava Gita* offers a previously unexplored path to understanding Hinduism and Krishna's wisdom. Written centuries apart, the ideas of the two dialogues are similar although their approach and contexts differ. *The Bhagavad Gita* is filled with the urgency of battle while *The Uddhava Gita* takes place on the eve of Krishna's departure from the world. *The Uddhava Gita* offers the reader philosophy, sublime poetry, practical guidance, and, ultimately, hope for a more complete consciousness in which the life of the body better reflects the life of the spirit.

*The Case for Heaven* Egmont Books (UK)  
In the heat of the city, a man is out of time: speeding in a beat-up Ford Tempo, blasting easy-listening music. Reporter Steve Everett drinks too much, makes love to his boss's wife, and has just stumbled

upon a shocking truth: a convicted killer is about to be executed for a crime he didn't commit. In the cold confines of Death Row, Frank Beachum is also out of time. Ready to say good-bye to the wife and child he loves and hello to the God he still believes in, Beachum knows he did not kill a

convenience store clerk six years ago. But in a few hours—if Steve Everett can't find the evidence to stop it—a needle is going to pierce Frank Beachum's skin. The killing machine is primed. The executioner is waiting. And so is the priest. Now the clock is ticking down and the race is

on—between the reporter and his demons, between the system and its lethal flaws, between the last innocent man and society's ultimate crime. . . .
