**Repair** Harley-Davidson FLH/FLT Touring  
No other motorcycle can match the style, looks, or sound of these polished chrome masterpieces with their famous, rumbling V-twin engines. This book celebrates the best of Harley-Davidson's magnificent heritage, detailing more than 50 machines, built over nearly a century of manufacturing. All the most famous production models are included, from the Silent Gray Fellow of 1911, right up to today's motorcycles, with their Twin Cam 88 engines. Stunning photography highlights every aspect of each motorcycle with superb double-page pictures and close-up detail shots. The book fully explains the most important parts of each machine and explores the fascinating history that makes each bike so special. Comprehensive specifications cover all the machines' technical aspects.
