Jack, the gritty narrator of this dark, gripping novel by Elwood Reid, is a journeyman carpenter in his late twenties whose

travels have led him to Alaska. When his pink slip arrives at the end of summer, he allows himself to be talked into

an unusual job. Along with his best friend, Burke, Jack accepts ten thousand dollars from a dying Fairbanks man to travel into the northern wilderness and rescue his daughter from a cult. It doesn't take long before their trip begins to go awry, and things only get worse once they reach the cult's camp, where they are received with a hostility that quickly turns violent. Jack soon realizes that Burke knows more than he lets on about their mission and he finds himself on his own,

desperately seeking a way out of the camp. Taut, riveting, and complex, *Midnight Sun* is an arctic Deliverance, a literary thriller set deep in beautiful but dark and indifferent Alaskan woods. *Wandering in Strange Lands* Little, Brown Books for Young Readers NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s,

the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and

more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage

began to expose one of the most chilling conspiracies in American history.

25th ANNIVERSARY EDITION • An epic novel of the violence and depravity that attended America's westward expansion, *Blood Meridian* brilliantly subverts the conventions of the Western novel and the mythology of the Wild West—from the bestselling, Pulitzer

Prize-winning author of *The Road* Based on historical events that took place on the Texas-Mexico border in the 1850s, it traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Tayler Hale is ahead of her time as one of the first women naturalists. She has always loved adventure and the great

outdoors, and her remote job location also helps keep her away from the clutches of the man to whom she once made a foolish promise. It seems she must keep running, however, and in secret, her boss from Yellowstone arranges for a new job . . . in Alaska. The popular Curry Hotel continues to thrive in 1929 as more visitors come to Alaska and venture into the massive national park surrounding Denali. Recent graduate Thomas Smith has returned to the hotel and the people he

considers family. But when a woman naturalist comes to fill the open position and he must work with her, everything becomes complicated. The summer brings unexpected guests and trouble to Curry. With his reputation at stake, will Thomas be able to protect Tayler from the danger that follows?

 Drawing on real historical

documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen's writing is known, *Everyone Knows Your Mother Is a Witch* is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air

throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in

everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive

widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history. *Midnight Sun* Penguin This stunning set, which includes *Twilight*, *New Moon*, *Eclipse*, *Breaking Dawn*, and *The Short Second Life of Bree Tanner: An Eclipse Novella*, is the perfect gift for fans of the bestselling vampire love story.  In this gripping page-turner, an ex-agent on the run from her former employers must take one more case to clear her

name and save her life. She used to work for the U.S. government, but very few people ever knew that. An expert in her field, she was one of the darkest secrets of an agency so clandestine it doesn't even have a name. And when they decided she was a liability, they came for her without warning. Now she rarely stays in the same place or uses the same name for long. They've killed the only other person she trusted, but something she knows still poses a threat. They want

her dead, and soon. When her former handler offers her a way out, she realizes it's her only chance to erase the giant target on her back. But it means taking one last job for her ex-employers. To her horror, the information she acquires only makes her situation more dangerous. Resolving to meet the threat head-on, she prepares for the toughest fight of her life but finds herself falling for a man who can only complicate her likelihood of survival. As she sees her choices

being rapidly whittled down, she must apply her unique talents in ways she never dreamed of. In this tautly plotted novel, Meyer creates a fierce and fascinating new heroine with a very specialized skill set. And she shows once again why she's one of the world's bestselling authors.

Outside the den a storm was lashing the spruce trees. The sky and the land had become part of each other: a scatterwind night swirling with

fragments of black and white. Snow became darkness and darkness snow, and any creature lost between the two found a rock or a tree and lay down beside it, to wait until the world had formed again.' Into this bleak landscape, Athaba is born, a young wolf destined for great adventure. Exiled from his pack for breaking its rigid codes of behaviour and showing too much imagination, Athaba becomes a 'raven wolf', a lonely scavenger living on scraps and his wits. Survival in the icy

wastes is hard and dangerous without the comfort and protection of the pack. Injured, and stranded far from home, Athaba is forced to strike up an uneasy alliance with his natural enemy: a man. Together, but ever wary of each other, the wolf and the solitary hunter start their long walk home across the wilderness. It soon becomes clear that the man must learn to be a wolf if he is to survive in the wolf's world. And Athaba has to use all his imagination to learn new

skills and strategies to fend for himself and his new pack member: for he discovers that men are frail, and often very ignorant!

1. THE DARKEST WINTER
Elle - Haunting shadows are nothing new to Elle St. James, she's been running from them all her life. But since the outbreak spread from the lower forty-eight, new monsters lurk in the darkness. After Elle wakes from the fever, capable of horrific deeds, she fears she's one of them.
Jackson - After the world goes mad and takes his family with it, Jackson Mitchell tosses aside his badge and decides a bottle of bourbon and the depths of despair are preferable to any

semblance of living. All of that changes, however, when a group of young survivors are in dire need of his help and Jackson sacrifices his blissful oblivion in order to keep them safe. Brought together under the worst possible circumstances, Elle and Jackson must face the inexplicable realities of the new world. Their past lives are over, and the arctic isn't all that's savage anymore. 2 THE LONGEST NIGHT, prequel novella Life seemed complicated for Sophie when she had teen

pregnancy and her squeaky-clean reputation as the mayor's daughter to worry about. Now, everything is changed. Bloodcurdling screams pierce the night air and lurid memories haunt feverish dreams. Alex is the new kid from the wrong side of the tracks, and it's all he can do to keep his head down until his eighteenth birthday when he can leave his life in foster care behind him. But Alex doesn't realize he and the quiet girl from class with lonely, blue eyes are fated in the most

impossible way imaginable. 3. MIDNIGHT SUN The six of them survived the Alaskan winter after the Virus devastated the North, but summer in the land of the midnight sun is fraught with a brutality of its own—long, grueling days, mosquito-ridden evenings, and woods with lurking shadows more dangerous than grizzlies. 4. FADING SHADOWS Crazy survivors and Ability-hungry madmen aren't the only repercussions of the Virus, and when a new,

unforeseen danger threatens the townspeople, Kat must embrace her unharnessed Ability she's been trying for years to avoid. 5. UNTAMED Beau has learned to embrace his Ability, but when he loses his best friend, Beau's world crumbles all over again. Brokenhearted, he embarks on a transformative journey of self-discovery, fraught with danger and adventure, and most unexpectedly, love. But the scars left in the wake of the Virus run deeper

than Beau can possibly imagine. 6. UNBROKEN Thea fears the moment she'll have to use her telekinesis again. After all, the mere flick of her wrist in the heat of the moment could prove fatal for someone she loves, and she already has enough blood on her hands to last her a lifetime. So, Thea jumps at the chance to shrug off the shadows of her youth and prove to herself she's unbroken. Hunter and Thea have never gotten along, and three weeks together could be Hunter's

undoing...just not in the way he's expecting. Featuring a new afterword from the author, Morgan Jerkins' powerful story of her journey to understand her northern and southern roots, the Great Migration, and the displacement of black people across America. Between 1916 and 1970, six million black Americans left their rural homes in the South for jobs in cities in the North, West, and Midwest in a movement known as The Great Migration. But while this event

transformed the complexion of America and provided black people with new economic opportunities, it also disconnected them from their roots, their land, and their sense of identity, argues Morgan Jerkins. In this fascinating and deeply personal exploration, she recreates her ancestors' journeys across America, following the migratory routes they took from Georgia and South Carolina to Louisiana, Oklahoma, and California. Following in their footsteps, Jerkins

seeks to understand not only her own past, but the lineage of an entire group of people who have been displaced, disenfranchised, and disrespected throughout our history. Through interviews, photos, and hundreds of pages of transcription, Jerkins braids the loose threads of her family's oral histories, which she was able to trace back 300 years, with the insights and recollections of black people she met along the way—the tissue of black myths, customs, and

blood that connect the bones of American history. Incisive and illuminating, Wandering in

Strange Lands is a timely and enthralling look at America's past and present, one family's

legacy, and a young black woman's life, filtered through her sharp and curious eyes.
