Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school field or loafs about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism. Set in a small Maharashtrian town during the Emergency of 1975, Shala is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.

which can be used by professionals.

Protima recounts with unflinching honesty the events that shaped her life: her humiliation as a child at being branded the ugly duckling, repeated rape by a cousin when she was barely ten, the failure of her 'open' marriage with Kabir Bedi, her many sexual encounters, and the romantic relationships she had with prominent politicians and artistes. She writes, too, of her intense involvement with dance, her relationship with her guru and fellow dancers, the difficult mission of establishing Nrityagram, and the suicide of her

son--a tragedy from which she never fully recovered. In a moving epilogue to the book, her daughter, Pooja Bedi, describes her last days and the circumstances of her death. Illustrated with over fifty photographs, Timepass is the story of a remarkable woman who had the spirit, the courage and the intelligence to live life entirely on her own terms.
