**Historical Dictionary of Russian Theatre** Rowman & Littlefield A latecomer continually hampered by government control and interference, the Russian theatre seems an unlikely source of innovation and creativity. Yet, by the middle of the nineteenth century, it had given rise to a number of outstanding playwrights and actors, and by the start of the twentieth century, it was in the vanguard of progressive thinking in the realms of directing and design. Its influence throughout the world was pervasive: Nikolai Gogol', Anton Chekhov and Maksim Gor'kii remain staples of repertoires in every language, the ideas of Konstantin Stanislavskii, Vsevolod Meierkhol'd and Mikhail Chekhov continue to inspire actors and directors, while designers still draw on the graphics of the World of Art group and the Constructivists. What distinguishes Russian theater from almost any other is the way in which these achievements evolved and survived in ongoing conflict or cooperation with the State. This second edition of Historical Dictionary of Russian Theatre covers the history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 1000 cross-referenced entries on individual actors, directors, designers, entrepreneurs, plays, playhouses and institutions, Censorship, Children's Theater, Émigré Theater, and Shakespeare in Russia. This book is an excellent access point for students, researchers, and anyone wanting to know more about Russian Theatre.

**Essential Russian-English Dictionary (Classic Reprint)** Tltnetwork

The Russian-English Bilingual Visual Dictionary is travel-sized so you will never be stuck for the right word again.

**Historical Dictionary of Russian Literature** Dorling Kindersley Ltd This book is a dictionary and grammar sketch of Ik, one of the three Kuliak (Rub) languages spoken in the beautiful Karamoja region of northeastern Uganda. It is the lexicographic sequel to \textit{A grammar of Ik (Ic -t d): Northeast Uganda's last thriving Kuliak language} (Schrock 2014). The present volume includes an Ik-English dictionary with roughly 8,700 entries, followed by a reversed English-Ik index. These two main sections are then supplemented with an outline of Ik grammar that is comprehensive in its coverage of topics and written in a simple style, using standard linguistic terminology in a way that is accessible to interested non-linguists as well. This book may prove useful for language preservation and development among the Ik people, as a reference tool for non-Ik learners of the language, and as a source of data, not only for the comparative study of Kuliak but also the wider Afroasiatic and Nilo-Saharan language families.

**Russian Dictionary** Language Science Press

The first reference work in any language devoted to Russian women writers, this dictionary systematically covers, in detail, the lives of 448 women who wrote from the period of Catherine the Great to the present. Despite their significant achievements, women writers are generally missing from the canons of Russian literature. The present editorial team individually began the process of uncovering this lost literary heritage over ten years ago. More recently, they joined forces with and enlisted contributions from scholars in North America, Europe, and Russia. Each entry comprises a bio-critical sketch followed by lists of important writings in the original and in translation, archival sources, and major secondary references. Data has been researched worldwide, with biographical information culled from diaries, memoirs, and other primary sources as well as literary histories and reference works. A general bibliography supplements the secondary sources provided with each entry.

**Russian at a Glance** Greenwood

This dictionary contains 10,000 Russian words in order of importance starting with the most common and finishing with

words that occur about 8 times in a million. All the words have English translations, many have examples of usage and the entries include information on stress and grammatical irregularities. There is also a complete alphabetical index to the words in the list. A learner who knows all or most of these 10,000 words can be regarded as competent in Russian for all normal purposes. The list takes you from a beginner's core vocabulary through to postgraduate level.

**Transliterated Dictionary of the Russian Language** McGraw-Hill Education

**Cambridge Advanced Learner's Dictionary PB with CD-ROM** French & European Publications

Sprogkursus for begyndere.

**Grammatical Dictionary of the Russian Language** Russian Information Service

This dictionary, the first of its kind in Turkological studies, will prove to be an invaluable research tool for those studying the Crimea, Ukraine, as well as Eurasian Nomadism. It is the result of year-long painstaking research into the etymology of Crimean

pre-Russian habitation names, providing insight into the Turkic, Greek, Caucasian place-names in a comparative context, as well as the histories of these cities, towns and villages themselves. The dictionary contains approximately 1,500 entries, preceded by an introduction with notes on the history of the Crimea and the structure of habitation names. For the reader's convenience, many entries are classified in indices which follow the main part of the book. Additionally, three detailed primary source maps, separately indexed, are appended to the dictionary, as well as a map showing the administration network of the Crimea at the end of the Crimean Tatar Khanate.

**Dictionary of Russian Literature** Routledge

Multi Linguis offers you a frequency-thematic dictionary of the Russian language. It includes up to 12'000 essential lemmas belonging to the levels from Elementary to Upper-Intermediate. The entries are divided into 300 vocabulary themes as well as 8 importance levels. They are arranged by themes, not by the alphabet. The book is intended to help you learn this language or revise your vocabulary in a thematic way, but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. You can find full version of this and other dictionaries of the Russian language on <https://multilinguis.com/languages/russian-l/>.

**Dictionary of Russian Personal Names** Real Russian Club

An abridged dictionary consisting of russian-to-english and english-to-russian sections.

**Dictionary of the Russian Language** Forgotten Books

In "A Russian-Yakut-Ewenki Trilingual Dictionary" by N.V. Sjunin, Jos  Andr s Alonso de la Fuente offers the philological edition of a very early twentieth-century source of two indigenous languages from Siberia. This edition includes the facsimile of the original handwritten document. Whereas specialists have known about the existence of Sjunin's Yakut data by indirect references to it in at least one standard dictionary, there was no available information regarding Sjunin's Ewenki data. Furthermore, careful linguistic analysis reveals that the Ewenki variety reflected in Sjunin's dictionary may have already disappeared.

**Russian-English Dictionary of Idioms** Hunter Publishing (NJ)

The Historical Dictionary of Russian Literature contains a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 100 cross-referenced entries on significant people, themes, critical issues, and the most significant genres...

**Russian English Bilingual Visual Dictionary** Hunter Publishing (NJ)

There is no better terrain in which to examine the differences between two cultures than language. Every language has concepts, ideas, words and idioms that are nearly impossible to translate into another language. This new book looks at nearly 100 such Russian words and offers paths to their understanding and translation by way of examples from literature and everyday life. A key to understanding another language, another culture, is figuring out what cannot be "known," but only "felt." In this compact and useful volume, difficult to translate words and concepts are introduced with dictionary definitions, then elucidated with citations from literature, speech and prose, helping the student of Russian comprehend the word/concept in context. Added bonus: Includes an extensive chart of Old Russian Measurements you may meet in literature -- from the common arshin, to the less known charka -- with modern conversions. An invaluable reference tool. - Publisher.

**Russian Learners' Dictionary** University of Pennsylvania Press
